### **Background and Instructions**

**History of Agreement-** This agreement has been drafted by the Texas Student Privacy Alliance (TXSPA). The Alliance is a collaborative group of Texas school districts that share common concerns around student and data privacy. The Texas K-12 CTO Council is the organization that sponsors the TXSPA and the TXSPA is the Texas affiliate of the national Student Data Privacy Consortium (SDPC). The SDPC works with other state alliances by helping establish common data privacy agreements unique to the jurisdiction of each state. This Texas agreement was drafted specifically for K-12 education institutions and included broad stakeholder input from Texas school districts, statewide associations such as TASB, TASA, and TASBO, and the Texas Education Agency. The purpose of this agreement is to set standards of both practice and expectations around data privacy such that all parties involved have a common understanding of expectations. This agreement also provides a mechanism (Exhibit E- General Offer of Terms) that would allow an Operator to extend the ability of other Texas school districts to be covered under the terms of the agreement should an Operator sign Exhibit E. This mechanism is intended to create efficiencies for both Operators and LEAs and generally enhance privacy practices and expectations for K-12 institutions and for companies providing services to K-12 institutions.

**Instructions for Operators:** This agreement is intended to be provided to an Operator from a LEA. The Operator should fully read the agreement and is requested to complete the below areas of the agreement. Once the Operator accepts the terms of the agreement, the Operator should wet sign the agreement and return it to the LEA. Once the LEA signs the agreement, the LEA should provide a signed copy of the agreement to the Operator.

Failure to cooperate shall be deemed a material breach of the DPA. The LEA may request an additional audit if a material concern is identified.
  - i. **Incident Response.** Operator shall have a written incident response plan that reflects best practices and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of any portion of Data, including PII, and agrees to provide LEA, upon request, an executive summary of the written incident response plan.
2. **Data Breach.** When Operator reasonably suspects and/or becomes aware of a confirmed unauthorized disclosure or security breach concerning any Data covered by this Agreement, Operator shall notify the District within 3 business days. The Operator shall take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If the incident involves criminal intent, then the Operator will follow direction from the Law Enforcement Agencies involved in the case.

  - c. In the event of a breach or unauthorized disclosure, the Operator shall cooperate fully with the LEA, including, but not limited to providing appropriate notification to individuals impacted by the breach or disclosure. Operator will reimburse the LEA in full for all costs incurred by the LEA in investigation and remediation of any Security Breach caused in whole or in part by Operator or Operator's subprocessors, including but not limited to costs of providing notification and providing one year's credit monitoring to affected individuals if PII exposed during the breach could be used to commit financial identity theft.
  - d. The LEA may immediately terminate the Service Agreement if the LEA determines the Operator has breached a material term of this DPA.
  - e. The Operator's obligations under Section 7 shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

PII includes Indirect Identifiers, which is any information that, either alone or in aggregate, would allow a reasonable person to be able to identify a student to a reasonable certainty. For purposes of this DPA, Personally Identifiable Information shall include the categories of information listed in the definition of Data.

**Pupil-Generated Content:** The term “pupil-generated content” means materials or content created by a pupil during and for the purpose of education including, but not limited to, essays, research reports, portfolios, creative writing, music or other audio files, photographs, videos, and account information that enables ongoing ownership of pupil content.

GENERAL OFFER OF PRIVACY TERMS

**Instructions:** This is an optional Exhibit in which the Operator may, by signing this Exhibit, be bound by the terms of this DPA to any other Subscribing LEAs who sign the acceptance in said Exhibit. The originating LEA SHOULD NOT sign this Exhibit, but should make Exhibit E, if signed by an Operator, readily available to other Texas K-12 institutions through the TXSPA web portal. Should a Subscribing LEA, after signing a separate Service Agreement with Operator, want to accept the General Offer of Terms, the Subscribing LEA should counter-sign the Exhibit E and notify the Operator that the General Offer of Terms have been accepted by a Subscribing LEA.

**1. Offer of Terms**

Operator offers the same privacy protections found in this DPA between it and

Lewisville Independent School District

and which is dated [ 10/01/22 ] to any other LEA ("Subscribing LEA") who accepts this General Offer through its signature below. This General Offer shall extend only to privacy protections and Operator's signature shall not necessarily bind Operator to other terms, such as price, term, or schedule of services, or to any other provision not addressed in this DPA. The Operator and the other LEA may also agree to change the data provided by LEA to the Operator to suit the unique needs of the LEA. The Operator may withdraw the General Offer in the event of:

- (1) a material change in the applicable privacy statutes;
- (2) a material change in the services and products listed in the Originating Service Agreement;
- (3) the expiration of three years after the date of Operator's signature to this Form.

Operator shall notify the Texas Student Privacy Alliance (TXSPA) in the event of any withdrawal so that this information may be transmitted to the Alliance's users.
