

## DISCLAIMER for MOREnet's Missouri NDPA

The Student Data Privacy Consortium (“SDPC”) has developed the “National Data Privacy Agreement” (“NDPA”). The SDPC formed a DPA Project Team consisting of individuals from schools, state organizations, marketplace providers, and legal organizations to develop this standard template that addresses the common student data privacy issues that need to be addressed in contracts with vendors that handle student data (see <https://privacy.a4l.org/national-dpa> ).

The Missouri Research and Education Network (MOREnet), a department of the University of Missouri System, has joined the SDPC and has established the Missouri Student Privacy Alliance, which all MOREnet Member schools are eligible to join. As such, MOREnet is making the NDPA available to its members as a resource for informational purposes only; it should not be relied on as legal advice. While MOREnet believes this is a well-developed tool, MOREnet makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the information contained in the NDPA. ***Should you elect to use the NDPA as a resource, we strongly encourage you to obtain your own legal counsel in drafting and/or entering into vendor agreements that pertain to student data.*** There may be unique needs of your school or systems that need to be addressed or other provisions that you believe are critical, which can be set forth in Exhibit H.

Exhibit G is intended to include any specific Missouri laws that apply to student data, which may be applicable to your school. However, laws are constantly subject to change and new ones can be enacted. Additionally, there may be other laws or National or Missouri guidelines or standards that are applicable to your school with which you must comply. ***MOREnet is not representing that the laws set forth in Exhibit G are the only laws, guidelines, and/or standards which should be included, as applicable to you and/or to a specific vendor agreement.*** Your own legal counsel should be consulted and any additional terms you may require should be added to Exhibit H.

3. **Priority of Agreements.** This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound:** This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

Scholarship Central, a component fund of the St. Louis Community Foundation, MyScholarshipCentral.org, the web-based platform it hosts, and the Oversight Committee of Scholarship Central are strongly committed to protecting the privacy of users. This policy identifies what personal information is collected by MyScholarshipCentral.org and how the information may be used. Each organization that partners with Scholarship Central to provide its opportunity on the website agrees to this privacy policy in addition to their own organization specific privacy policies.

### Information Collection and Sharing

Two types of information may be collected on MyScholarshipCentral.org: personal information you knowingly choose to share and aggregate site use information as you and others use our site. Scholarship Central does not sell, rent, or loan any personally identifying information to outside parties. By responding to signature questions on each application, students agree that their application information may be reviewed by the specific scholarship organization that sponsors the opportunity. All sponsor organizations sign a formal partner agreement that requires them to keep student application information confidential.

To help counselors and advisors support students through the scholarship application process, a small amount of data may be shared. If a counselor, advisor, or college access program staff member requests this information, the following information is shared: student name and their general application status (drafted or submitted) and whether a student has started an opportunity application.

All other data and information sharing are done in aggregate without revealing personal information.

### MyScholarshipCentral.org Users: Their Roles and Responsibilities

**Students** can only access their personal, verified account. It is their responsibility to protect their username and password.

**Opportunity administrators** can access any information related to their specific scholarship including opportunity applications, letters of recommendation, and general applications. Opportunity administrators agree each year to keep application information confidential.

**System administrators** have full access to the information on MyScholarshipCentral.org. This small group of people are employed fulltime by scholarship providing foundations and sign a specific system administrator non-disclosure agreement each year.

**Scholarship reviewers** can access the applications (including uploaded documents and letters of recommendation) of students assigned to them. Providers that use the system may or may not disclose personally identifying information about applicants depending on their unique scholarship requirements.

## **Blackbaud Award Management**

Blackbaud Award Management is the software that Scholarship Central contracts with each year to collect applications and store data. You can read Blackbaud's privacy policy here:

The platform utilizes three forms of email communication – through MyScholarshipCentral.org, through an email marketing system, and through individual email addresses. By creating an account on MyScholarshipCentral.org, you have “opted in” to receiving these communications. Other ways to opt in include voluntarily sharing your email address for the purpose of receiving information or explicitly granting permission to another organization to share your address with its business partners which include MyScholarshipCentral.org.

These email vendors will not share, sell, or rent any information about you without your expressed, written permission, unless compelled to do so by law. Every mass email communication contains a link at the bottom: “Review/Edit Your Account Information or Unsubscribe.” Click this link and follow instructions to unsubscribe or edit/review your account information.

MyScholarshipCentral.org also gives student users the opportunity to opt-in to receive text messages. Students must answer YES to the texting opt-in question on the general application, as well as respond to an opt-in text sent by MyScholarshipCentral.org. Students can opt out of texting anytime by responding STOP to a text message or contacting support@myscholarshipcentral.org.
