### **RECITALS**

**WHEREAS**, the Provider has agreed to provide the Local Education Agency (“LEA”) with certain digital educational services (“Services”) pursuant to a n End User License Agreement (“Service Agreement” or “EULA”); and

**WHEREAS**, in order to provide the Services described in the Service Agreement, the Provider may receive or create, and the LEA may provide documents or data that are covered by several federal statutes, among them, the Family Educational Rights and Privacy Act (“FERPA”) at 20 U.S.C. 1232g (34 CFR Part 99), Children’s Online Privacy Protection Act (“COPPA”), 15 U.S.C. 6501-6506; Protection of Pupil Rights Amendment (“PPRA”) 20 U.S.C. 1232h; and

**WHEREAS**, the documents and data transferred from LEAs and created by the Provider’s Services are also subject to California state student privacy laws, including AB 1584, found at California Education Code Section 49073.1 and the Student Online Personal Information Protection Act (“SOPIPA”) found at California Business and Professions Code section 22584; and

**WHEREAS**, for the purposes of this DPA, Provider is a provider of digital educational software or services, including cloud-based services, which may include the digital storage, management, and retrieval of pupil records; and

**WHEREAS**, for the purposes of this DPA, Provider is a school official with legitimate educational interests in accessing educational records pursuant to the Service Agreement; and

**WHEREAS**, the Parties wish to enter into this DPA to ensure that the Service Agreement conforms to the requirements of the privacy laws referred to above and to establish implementing procedures and duties; and

**WHEREAS**, the Provider may, by signing the “General Offer of Privacy Terms” (Exhibit “E”), agree to allow other LEAs in California the opportunity to accept and enjoy the benefits of this DPA for the Services described herein, without the need to negotiate terms in a separate DPA.

**NOW THEREFORE**, for good and valuable consideration, the parties agree as follows:

### **ARTICLE I: PURPOSE AND SCOPE**

1. **Purpose of DPA**. The purpose of this DPA is to describe the duties and responsibilities to protect Student Data transmitted to Provider from LEA pursuant to the Service Agreement, including compliance with all applicable statutes, including the FERPA, PPRA, COPPA, SOPIPA, AB 1584, and other applicable California State laws, all as may be amended from time to time. In performing these services, the Provider shall be considered a School Official with a legitimate educational interest, and performing services otherwise provided by the LEA. With respect to the use and maintenance of Student Data, Provider shall be under the direct control and supervision of the LEA.

2. **Nature of Services Provided.** The Provider has agreed to provide the following digital educational products and services described below and as may be further outlined in Exhibit “A” hereto:

Provider only uses Student Data as necessary to provide students and teachers with access to the licensed digital educational products and services for the benefit of the LEA.

3. **Student Data to Be Provided.** The Parties shall indicate the categories of Student Data to be provided in the Schedule of Data, attached hereto as Exhibit “B”.
4. **DPA Definitions.** The definition of terms used in this DPA is found in Exhibit “C”. In the event of a conflict, definitions used in this DPA shall prevail over term used in the Service Agreement.

## **ARTICLE II: DATA OWNERSHIP AND AUTHORIZED ACCESS**

1. **Student Data Property of LEA.** All Student Data transmitted to the Provider pursuant to the Service Agreement is and will continue to be the property of and under the control of the LEA. The Provider further acknowledges and agrees that all copies of such Student Data transmitted to the Provider, including any modifications or additions or any portion thereof from any source, are subject to the provisions of this Agreement in the same manner as the original Student Data. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement shall remain the exclusive property of the LEA. For the purposes of FERPA, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of Student Data notwithstanding the above. Provider may transfer pupil-generated content to a separate account, according to the procedures set forth below.
2. **Parent Access.** LEA shall establish reasonable procedures by which a parent, legal guardian, or eligible student may review Student Data in the pupil’s records, correct erroneous information, and procedures for the transfer of pupil-generated content to a personal account, consistent with the functionality of services. Provider shall respond in a timely manner (and no later than 60 days from the date of the request or such shorter time period as may be required by applicable law) to the LEA’s request for Student Data in a pupil’s records held by the Provider to view or correct as necessary. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.
3. **Separate Account.** If pupil generated content is stored or maintained by the Provider as part of the Services described in Exhibit “A”, Provider shall, at the request of the LEA, transfer said pupil generated content to a separate student account upon termination of the Service Agreement; provided, however, such transfer shall only apply to pupil generated content that is linked or linkable with an individually identifiable user (or that the LEA can demonstrate is attributable to one of its students) and severable from the Service. For the avoidance of doubt, nothing contained herein shall obligate Provider to offer or maintain separate student accounts.

4. **Third Party Request.** Subject to applicable law, should a Third Party, including law enforcement and government entities, contact Provider with a request for LEA data held by the Provider pursuant to the Services, the Provider shall redirect the Third Party to request the data directly from the LEA. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party.
5. **Subprocessors.** Provider shall enter into written agreements with all Subprocessors performing functions pursuant to the Service Agreement, whereby the Subprocessors agree to protect Student Data in manner consistent with the terms of this DPA.

1. **Privacy Compliance.** LEA shall provide data for the purposes of the Service Agreement in compliance with FERPA, COPPA, PPRA, SOPIPA, AB 1584 and all other California privacy statutes.
2. **Annual Notification of Rights.** If the LEA has a policy of disclosing education records under FERPA (4 CFR § 99.31 (a) (1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its Annual notification of rights.
3. **Reasonable Precautions.** LEA shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the services and hosted data. LEA agrees to treat any information provided by Provider hereunder (including without limitation any incident response plan) as Provider's confidential information and to protect it against public disclosure to the maximum extent permitted by law.

Provider also acknowledges and agrees that it shall not make any re-disclosure of any Student Data or any portion thereof, without

the express written consent of the LEA.

3. **Employee Obligation**. Provider shall require all employees and agents who have access to Student Data to comply with all applicable provisions of this DPA with respect to the Student Data shared under the Service Agreement.
4. **No Disclosure**. De-identified information may be used by the Provider for the purposes of development, research, and improvement of educational sites, services, or applications or demonstrating their efficiency, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless (a) the de-identified Student Data is not capable of re-identification, or (b) that party agrees in writing not to attempt re-identification, or (b) prior written notice has been given to LEA who has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any Student Data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.
5. **Disposition of Data**. Upon written request and in accordance with the applicable terms in subsection a or b, below, Provider shall return dispose or delete all Student Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained. Disposition shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable by human or digital means. Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the requested disposition. If requested, Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a "Request for Return or Deletion of Student Data" form, a copy of which is attached hereto as Exhibit "D". Upon receipt of a request from the LEA, the Provider will immediately provide the LEA with any specified portion of the Student Data within sixty (60) calendar days of receipt of said request or such shorter period as may be required by applicable law.
  - a. **Partial Disposal During Term of Service Agreement**. Throughout the Term of the Service Agreement, LEA may request partial disposal of Student Data obtained under the Service Agreement that is no longer needed. Partial disposal of Student Data shall be subject to LEA's request to transfer pupil generated-content to a separate account, pursuant to Article II, section 3, above.
  - b. **Complete Disposal Upon Termination of Service Agreement**. Upon Termination of the Service Agreement, at the LEA's written request, Provider shall return dispose or delete all Student Data obtained under the Service Agreement, as further detailed above.
6. **Advertising Prohibition**. Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products
