Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.

9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

EXHIBIT "G"**Supplemental SDPC State Terms for Texas**

Version 1.0

This **Exhibit "G"**, Supplemental SDPC State Terms for Texas ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between [Cypress-Fairbanks ISD] (the "Local Education Agency" or "LEA") and [] (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Covered Data.** All instances of "Student Data" should be replaced with "LEA Data". The protections provided within this DPA extend to all data provided to or collected by the Provider.
2. **Compliance with Texas Privacy Laws and Regulations.** In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all Texas laws and regulations pertaining to LEA data privacy and confidentiality, including but not limited to the Texas Education Code Chapter 32, and Texas Government Code Chapter 560.
3. **Modification to Article III, Section 2 of the DPA.** Article III, Section 2 of the DPA (Annual Notification of Rights.) is amended as follows:

~~**Annual Notification of Rights.** If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its annual notification of rights.~~

Consider Provider as School Official. The Parties agree that Provider is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records received from the LEA pursuant to the DPA. For purposes of the Service Agreement and this DPA, Provider: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from the education records received from the LEA.

4. **Modification to Article V, Section 4 of the DPA.** Article V, Section 4 of the DPA (Data Breach.) is amended with the following additions: (6) For purposes of defining an unauthorized disclosure or security breach, this definition specifically includes meanings assigned by Texas law, including applicable provisions in the Texas Education Code and Texas Business and Commerce Code. (7) The LEA may immediately terminate the Service Agreement if the LEA determines the Provider has breached a material term of this DPA. (8) The Provider's obligations shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

5. **Modification to Article VII, Section 4 of the DPA.** Article VI, Section 4 of the DPA (Annual Notification of Rights.) is amended as follows:

Entire Agreement. This DPA ~~and the Service Agreement~~ constitutes the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

6. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:
- a. Providing notification to the employees or parents of those students whose LEA Data was compromised and regulatory agencies or other entities as required by law or contract;
 - b. Providing credit monitoring to those employees or students whose LEA Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the employee's or student's credit or financial security;
 - c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
 - d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.
7. **No Exhibit E without unaltered DPA including Texas Addendum.** Any alterations are only allowed in **Exhibit "H"**. Any terms under **Exhibit "H"** do not apply to **Exhibit "E"** and render **Exhibit "E"** null and void.

Please see Exhibit H attached hereto.

EXHIBIT "H"
Additional Terms or Modifications
Version _____

LEA and Provider agree to the following additional terms and modifications:

Modification to DPA: Every reference to "personally identifiable information" shall be changed to "Personally Identifiable Information".

Modification to Article I, Section 1 of the DPA. The first sentence of Article I, Section 1 of the DPA is amended to read as follows: The purpose of this DPA is to describe the duties and responsibilities to protect Student Data including compliance with all applicable federal and state privacy laws, rules, and regulations, all as may be amended from time to time.

Modification to the third sentence of Article II, Section 1 of the DPA. The third sentence of Article II, Section 1 of the DPA is amended to read as follows: The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement (but excluding, however, rights in the Meta Data), shall remain the exclusive property of the LEA.

Modification to Article IV, Section 1 of the DPA. The first sentence of Article IV, Section 1 of the DPA is amended to read as follows: The Provider shall comply with all applicable federal and state laws, rules, and regulations pertaining to Student Data privacy and security, all as may be amended from time to time.

Modification to Article IV, Section 6 of the DPA. Section 6 of Article IV of the DPA is deleted in its entirety and replaced by the following in lieu thereof: Disposition of Data. Upon written request from the LEA, Provider shall dispose of or provide a mechanism for the LEA to transfer Student Data obtained under the Service Agreement, within sixty (60) days of the date of said request and according to a schedule and in accordance with the data retention policy described in the following sentence. Upon termination of this DPA, if no written request from the LEA is received, Provider shall dispose of all Student Data in accordance with the following data retention policy: Pursuant to the Tyler Technologies, Inc. backup retention and destruction procedures as of the date the DPA becomes effective, LEA Student Data maintained in Provider's backup environments will be deleted and destroyed no later than thirteen months following the termination of the Service Agreement to which this DPA applies.

The duty to dispose of Student Data shall not extend to Student Data that had been De-Identified or placed in a separate student account pursuant to section II 3. The LEA may employ a "Directive for Disposition of Data" form, a copy of which is attached hereto as Exhibit "D". If the LEA and Provider employ Exhibit "D," no further written request or notice is required on the part of either party prior to the disposition of Student Data described in Exhibit "D."

Modification to Article V, Section 2 of the DPA. Section 2 of Article V of the DPA is hereby deleted in its entirety and replaced by the following in lieu thereof: Audits. Provider's system administration, system management, and system monitoring activities that Provider performs for LEAs which engage Provider to collect or process Student Data are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 21. Provider has attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as Provider collects or processes LEA's Student Data.

The scope of audit coverage varies for some Provider software solutions. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), Provider will provide LEA with a summary of Provider's compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which LEA makes a written request, Provider will provide that same information. If Provider's collection or processing of LEA's Student Data is provided using a 3rd party data center, Provider will provide available compliance reports for that data center.

Modification to Article V, Section 3 of the DPA. Section 3 of Article V of the DPA is hereby amended to read as follows: The Provider agrees to utilize administrative, physical, and technical safeguards designed to protect Student Data in Provider's possession from unauthorized access, disclosure, acquisition, destruction, use, or modification. The Provider shall adhere to any applicable federal or state law relating to data security with respect to the Student Data collected or processed by Provider. Provider shall align its cybersecurity program with one of the nationally recognized standards set forth in Exhibit "F."

Modification to Article V, Section 4 of the DPA. The first sentence of Section 4 of Article V of the DPA is hereby amended to read as follows: In the event of an unauthorized release, disclosure or acquisition of LEA's Student Data that compromises the security, confidentiality or integrity of the LEA's Student Data maintained by the Provider (a "data breach"), the Provider shall provide notification to LEA within three (3) business days of confirmation that a data breach occurred, unless notification within this time limit would disrupt investigation of the data breach by law enforcement.

Modification to Article V, Section 4, Subsection 2 of the DPA. Subsection 2 of Section 4 of Article V of the DPA is hereby amended to read as follows: Provider agrees to adhere to all federal and state requirements with respect to a data breach related to the LEA's Student Data, including, when required, the required responsibilities and procedures for notification and mitigation of any such breach of LEA's Student Data.

Modification to Article VII, Section 1 of the DPA. The second sentence of Section 1 of Article VII of the DPA is hereby amended to read as follows: Either party may terminate this DPA and the Service Agreement or contract if the other party breaches any terms of this DPA, subject, however to any notice and cure requirements provided for in such Service Agreement or contract.

Modification to Article VII, Section 7 of the DPA. Section 7 of Article VII of the DPA is hereby amended to read as follows: Successors Bound. This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business, subject, however to any provisions related to termination rights provided for in such Service Agreement or contract.

Insertion of new Article VII, Section 10. Service Agreement Terms. The Provider and the LEA agree that the DPA supplements the Service Agreement and for the sake of clarity, except where prohibited by applicable law and notwithstanding anything to the contrary herein, the disclaimer of warranties, limitation of liability, exclusion of certain damages, indemnities and dispute resolution provisions set

forth in the applicable Service Agreement pursuant to which Provider provides LEA with the Services shall apply to and govern the DPA.

Modification to Section 1 of Exhibit G - Covered Data. Section 1 of Exhibit G of the DPA is hereby amended to read as follows: All instances of "Student Data" are replaced with "LEA Data."

Modification to Section 2 of Exhibit G - Compliance with Texas Privacy Laws and Regulations. Section 2 of Exhibit G of the DPA is hereby amended to read as follows: In performing their respective obligations under the Agreement, the LEA and Provider shall comply with all applicable Texas laws and regulations pertaining to Student Data privacy and confidentiality, including but not limited to the applicable provisions of Texas Education Code Chapter 32 and Texas Government Code Chapter 560.

Modification to Section 4 of Exhibit G. Section 4 of Exhibit G is hereby amended such that new subsection (7) reads as follows: (7) One party may terminate this DPA upon a material breach of this DPA by the other party, subject, however, to any notice and cure requirements provided for in the Service Agreement.

Modification to Section 6 of Exhibit G - Reimbursement of Expenses Associated with Security Breach. Section 6 of Exhibit G is hereby amended to read: In the event of a security breach, as defined by applicable law, attributable to Provider's failure to comply with its obligations under the DPA, and subject to the limitation of liability set forth in the Service Agreement, Provider shall reimburse and indemnify LEA for the direct, documented, reasonable costs and expenses that LEA actually incurs in investigating and remediating the security breach, including but not limited to costs and expenses associated with any of the following actions only to the extent they are legally required:

- a. Providing notification to the parents of those students whose LEA Data was compromised and regulatory agencies or other entities as and only to the extent required by law or contract;
- b. Providing credit monitoring to students whose LEA Data was exposed in a manner during the security breach that a reasonable person would believe may impact the students' credit or financial security;
- c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
- d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.

The foregoing terms and modifications take precedence and supersede the DPA or other exhibits thereto in all respects.
