DESCRIPTION OF SERVICES

Artsonia is the world's largest online student art museum, offering a free, educational resource to schools, teachers and parents. Art teachers publish student artwork to the school's online gallery, creating a digital portfolio for each individual student. This enables teachers to explain what the student has learned and what methods were used in the creative process. Teachers also help get the parent connected to the student portfolios, which enable the parents to unlock additional features of Artsonia.

Parents may decide to allow Artsonia to display their child's artwork in the school's public online-gallery for other family members, friends, and art appreciators to enjoy. Parents may also upload artwork created outside of school to the student's portfolio. Artsonia doesn't display artwork to the public unless it has parental consent and a teacher or parent has verified that the artwork does not contain PII. Parents know and agree that their child's publicly available artwork will be associated with the student's school and a unique screenname generated by Artsonia. If the teacher or parent determines that there is personal information and does not mask or remove it, then the artwork should not be made publicly available. Instead, it should only be viewed by teachers at the student's school, the student's parents, and fan club members that the parent has authorized for the student.

Parents, family members, friends, and other art appreciators may purchase keepsakes from our gift shop with a student's publicly available artwork on the item. Parents and parent-authorized fan club members are able to purchase keepsakes with their child's private artwork as well. Twenty percent (20%) of all purchases are donated back to the school's art program. Parents and students also have the opportunity to participate in additional activities, including special exhibits, art contests and other art-related events.

Artsonia notifies the parents, family members and friends of the student-artists when new artwork is available and invites them to browse the school gallery. We also let our users know about other aspects of our service, such as our gift shop, sales, products, shipping information, website features, events, updates, contests, exhibits, and general information about Artsonia.

On Artsonia, participating art teachers also have the opportunity to share project ideas, post and view lesson plans, participate in art contests and events, and make other community-based connections with fellow art teachers.

EXHIBIT "G"Supplemental SDPC State Terms for Texas
Version 1.0

This Exhibit "G", Supplemental SDPC State Terms for Texas ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between [Coppel ISD] (the "Local Education Agency" or "LEA") and [ARTSONIA] (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. Covered Data. All instances of "Student Data" should be replaced with "LEA Data". The protections provided within this DPA extend to all data provided to or collected by the Provider.
2. Compliance with Texas Privacy Laws and Regulations. In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all Texas laws and regulations pertaining to LEA data privacy and confidentiality, including but not limited to the Texas Education Code Chapter 32, and Texas Government Code Chapter 560.
3. Modification to Article III, Section 2 of the DPA. Article III, Section 2 of the DPA (Annual Notification of Rights.) is amended as follows:

~~**Annual Notification of Rights.** If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its annual notification of rights.~~

Consider Provider as School Official. The Parties agree that Provider is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records received from the LEA pursuant to the DPA. For purposes of the Service Agreement and this DPA, Provider: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from the education records received from the LEA.

4. Modification to Article V, Section 4 of the DPA. Article V, Section 4 of the DPA (Data Breach.) is amended with the following additions: (6) For purposes of defining an unauthorized disclosure or security breach, this definition specifically includes meanings assigned by Texas law, including applicable provisions in the Texas Education Code and Texas Business and Commerce Code. (7) The LEA may immediately terminate the Service Agreement if the LEA determines the Provider has breached a material term of this DPA. (8) The Provider's obligations shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

5. Modification to Article VII, Section 4 of the DPA. Article VI, Section 4 of the DPA (Annual Notification of Rights.) is amended as follows:

Entire Agreement. This DPA and the Service Agreement constitutes the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

6. Reimbursement of Expenses Associated with Security Breach. In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:
- a. Providing notification to the employees or parents of those students whose LEA Data was compromised and regulatory agencies or other entities as required by law or contract;
 - b. Providing credit monitoring to those employees or students whose LEA Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the employee's or student's credit or financial security;
 - c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
 - d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.
7. No Exhibit E without unaltered DPA including Texas Addendum. Any alterations are only allowed in Exhibit "H". Any terms under Exhibit "H" do not apply to Exhibit "E" and render Exhibit "E" null and void.
