Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability**. Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound**: This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

Service Agreement: Refers to the Contract, Purchase Order or Terms of Service or Terms of Use.

Student Data: Student Data includes any data, whether gathered by Provider or provided by LEA or its users, students, or students' parents/guardians, that is descriptive of the student including, but not limited to,

information in the student's educational record or email, first and last name, birthdate, home or other physical address, telephone number, email address, or other information allowing physical or online contact, discipline records, videos, test results, special education data, juvenile dependency records, grades, evaluations, criminal records, medical records, health records, social security numbers, biometric information, disabilities, socioeconomic information, individual purchasing behavior or preferences, food purchases, political affiliations, religious information, text messages, documents, student identifiers, search activity, photos, voice recordings, geolocation information, parents' names, or any other information or identification number that would provide information about a specific student. Student Data includes Meta Data. Student Data further includes "Personally Identifiable Information (PII)," as defined in 34 C.F.R. § 99.3 and as defined under any applicable state law. Student Data shall constitute Education Records for the purposes of this DPA, and for the purposes of federal, state, and local laws and regulations. Student Data as specified in **Exhibit "B"** is confirmed to be collected or processed by the Provider pursuant to the Services. Student Data shall not constitute that information that has been anonymized or De-Identified, or anonymous usage data regarding a student's use of Provider's services.

Subprocessor: For the purposes of this DPA, the term "Subprocessor" (sometimes referred to as the "Subcontractor") means a party other than LEA or Provider, who Provider uses for data collection, analytics, storage, or other service to operate and/or improve its service, and who has access to Student Data.

Subscribing LEA: An LEA that was not party to the original Service Agreement and who accepts the Provider's General Offer of Privacy Terms.

Targeted Advertising: means presenting an advertisement to a student where the selection of the advertisement is based on Student Data or inferred over time from the usage of the operator's Internet web site, online service or mobile application by such student or the retention of such student's online activities or requests over time for the purpose of targeting subsequent advertisements. "Targeted Advertising" does not include any advertising to a student on an Internet web site based on the content of the web page or in response to a student's response or request for information or feedback.

Third Party: The term "Third Party" means a provider of digital educational software or services, including cloud-based services, for the digital storage, management, and retrieval of Education Records and/or Student Data, as that term is used in some state statutes. However, for the purpose of this DPA, the term "Third Party" when used to indicate the provider of digital educational software or services is replaced by the term "Provider."

EXHIBIT "G" - Supplemental SDPC (Student Data Privacy Consortium) State Terms for Illinois

Version IL-NDPAv1.0a (Revised March 15, 2021)

This **Exhibit G**, Supplemental SDPC State Terms for Illinois ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between Township High School District 214

_____ (the "Local Education Agency" or "LEA") and _____ Girls Who Code, Inc. _____ (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Compliance with Illinois Privacy Laws.** In performing its obligations under the Agreement, the Provider shall comply with all Illinois laws and regulations pertaining to student data privacy, confidentiality, and maintenance, including but not limited to the Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/, Mental Health and Developmental Disabilities Confidentiality Act ("MHDDCA"), 740 ILCS 110/, Student Online Personal Protection Act ("SOPPA"), 105 ILCS 85/, Identity Protection Act ("IPA"), 5 ILCS 179/, and Personal Information Protection Act ("PIPA"), 815 ILCS 530/, and Local Records Act ("LRA"), 50 ILCS 205/.

2. **Definition of "Student Data."** In addition to the definition set forth in **Exhibit C**, Student Data includes any and all information concerning a student by which a student may be individually identified under applicable Illinois law and regulations, including but not limited to (a) "covered information," as defined in Section 5 of SOPPA (105 ILCS 85/5), (b) "school student records" as that term is defined in Section 2 of ISSRA (105 ILCS 10/2(d)) (c) "records" as that term is defined under Section 110/2 of the MHDDCA (740 ILCS 110/2), and (d) "personal information" as defined in Section 530/5 of PIPA.

3. **School Official Designation.** Pursuant to Article I, Paragraph 1 of the DPA Standard Clauses, and in accordance with FERPA, ISSRA and SOPPA, in performing its obligations under the DPA, the Provider is acting as a school official with legitimate educational interest; is performing an institutional service or function for which the LEA would otherwise use its own employees; is under the direct control of the LEA with respect to the use and maintenance of Student Data; and is using Student Data only for an authorized purpose and in furtherance of such legitimate educational interest.

4. **Limitations on Re-Disclosure.** The Provider shall not re-disclose Student Data to any other party or affiliate without the express written permission of the LEA or pursuant to court order, unless such disclosure is otherwise permitted under SOPPA, ISSRA, FERPA, and MHDDCA. Provider will not sell or rent Student Data. In the event another party, including law enforcement or a government entity, contacts the Provider with a request or subpoena for Student Data in the possession of the Provider, the Provider shall redirect the other party to seek the data directly from the LEA. In the event the Provider is compelled to produce Student Data to another party in compliance with a court order, Provider shall notify the LEA at least five (5) school days in advance of the court ordered disclosure and, upon request, provide the LEA with a copy of the court order requiring such disclosure.

5. **Notices.** Any notice delivered pursuant to the DPA shall be deemed effective, as applicable, upon receipt as evidenced by the date of transmission indicated on the transmission material, if by e-mail; or four (4) days after mailing, if by first-class mail, postage prepaid.

6. **Parent Right to Access and Challenge Student Data.** The LEA shall establish reasonable procedures pursuant to which a parent, as that term is defined in 105 ILCS 10/2(g), may inspect and/or

copy Student Data and/or challenge the accuracy, relevance or propriety of Student Data, pursuant to Sections 5 and 7 of ISSRA (105 ILCS 10/5; 105 ILCS 10/7) and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider when Provider cooperation is required to afford a parent an opportunity to inspect and/or copy the Student Data, no later than 5 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

7. **Corrections to Factual Inaccuracies.** In the event that the LEA determines that the Provider is maintaining Student Data that contains a factual inaccuracy, and Provider cooperation is required in order to make a correction, the LEA shall notify the Provider of the factual inaccuracy and the correction to be made. No later than 90 calendar days after receiving the notice of the factual inaccuracy, the Provider shall correct the factual inaccuracy and shall provide written confirmation of the correction to the LEA.

8. **Security Standards.** The Provider shall implement and maintain commercially reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect Student Data from unauthorized access, destruction, use, modification, or disclosure, including but not limited to the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of the Student Data (a "Security Breach"). For purposes of the DPA and this Exhibit G, "Security Breach" does not include the good faith acquisition of Student Data by an employee or agent of the Provider or LEA for a legitimate educational or administrative purpose of the Provider or LEA, so long as the Student Data is used solely for purposes permitted by SOPPA and other applicable law, and so long as the Student Data is restricted from further unauthorized disclosure.

9. **Security Breach Notification.** In addition to the information enumerated in Article V, Section 4(1) of the DPA Standard Clauses, any Security Breach notification provided by the Provider to the LEA shall include:

- a. A list of the students whose Student Data was involved in or is reasonably believed to have been involved in the breach, if known; and
- b. The name and contact information for an employee of the Provider whom parents may contact to inquire about the breach.

10. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, without regard to any limitation of liability provision otherwise agreed to between Provider and LEA, including but not limited to costs and expenses associated with:

- a. Providing notification to the parents of those students whose Student Data was compromised and regulatory agencies or other entities as required by law or contract;
- b. Providing credit monitoring to those students whose Student Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the student's credit or financial security;
- c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA

as a result of the security breach; and

- d. Providing any other notifications or fulfilling any other requirements adopted by the Illinois State Board of Education or under other State or federal laws.

11. Transfer or Deletion of Student Data. The Provider shall review, on an annual basis, whether the Student Data it has received pursuant to the DPA continues to be needed for the purpose(s) of the Service Agreement and this DPA. If any of the Student Data is no longer needed for purposes of the Service Agreement and this DPA, the Provider will provide written notice to the LEA as to what Student Data is no longer needed. The Provider will delete or transfer Student Data in readable form to the LEA, as directed by the LEA (which may be effectuated through Exhibit D of the DPA), within 30 calendar days if the LEA requests deletion or transfer of the Student Data and shall provide written confirmation to the LEA of such deletion or transfer. Upon termination of the Service Agreement between the Provider and LEA, Provider shall conduct a final review of Student Data within 60 calendar days.

If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

Any provision of Student Data to the LEA from the Provider shall be transmitted in a format readable by the LEA.

12. Public Posting of DPA. Pursuant to SOPPA, the LEA shall publish on its website a copy of the DPA between the Provider and the LEA, including this Exhibit G.

13. Subcontractors. By no later than (5) business days after the date of execution of the DPA, the Provider shall provide the LEA with a list of any subcontractors to whom Student Data may be disclosed or a link to a page on the Provider's website that clearly lists any and all subcontractors to whom Student Data may be disclosed. This list shall, at a minimum, be updated and provided to the LEA by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1).

14. DPA Term.

- a. **Original DPA.** Paragraph 4 on page 2 of the DPA setting a three-year term for the DPA shall be deleted, and the following shall be inserted in lieu thereof: "This DPA shall be effective upon the date of signature by Provider and LEA, and shall remain in effect as between Provider and LEA 1) for so long as the Services are being provided to the LEA or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first. The Exhibit E General Offer will expire three (3) years from the date the original DPA was signed."
- b. **General Offer DPA.** The following shall be inserted as a new second sentence in Paragraph 1 of Exhibit E: "The provisions of the original DPA offered by Provider and accepted by Subscribing LEA pursuant to this Exhibit E shall remain in effect as between Provider and Subscribing LEA 1) for so long as the Services are being provided to Subscribing LEA, or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first."

15. **Termination.** Paragraph 1 of Article VII shall be deleted, and the following shall be inserted in lieu thereof: "In the event either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or been terminated. One party may terminate this DPA upon a material breach of this DPA by the other party. Upon termination of the DPA, the Service Agreement shall terminate."
16. **Privacy Policy.** The Provider must publicly disclose material information about its collection, use, and disclosure of Student Data, including, but not limited to, publishing a terms of service agreement, privacy policy, or similar document.
17. **Minimum Data Necessary Shared.** The Provider attests that the Student Data request by the Provider from the LEA in order for the LEA to access the Provider's products and/or services is limited to the Student Data that is adequate, relevant, and limited to what is necessary in relation to the K-12 school purposes for which it is processed.
18. **Student and Parent Access.** Access by students or parents/guardians to the Provider's programs or services governed by the DPA or to any Student Data stored by Provider shall not be conditioned upon agreement by the parents/guardians to waive any of the student data confidentiality restrictions or a lessening of any of the confidentiality or privacy requirements contained in this DPA.
19. **Data Storage.** Provider shall store all Student Data shared under the DPA within the United States.
20. **Exhibits A and B.** The Services described in Exhibit A and the Schedule of Data in Exhibit B to the DPA satisfy the requirements in SOPPA to include a statement of the product or service being provided to the school by the Provider and a listing of the categories or types of covered information to be provided to the Provider, respectively.

EXHIBIT "H"

Additional Terms or Modifications

Version 1.0

LEA and Provider agree to the following additional terms and modifications:

This is a free text field that the parties can use to add or modify terms in or to the DPA. If there are no additional or modified terms, this field should read "None."

Provider agree to the following additional terms and modifications which shall be effective simultaneously with the attached DPA. The following sections shall be modified (as indicated by the track changes) and replaced with the language set forth below:

1. Term:

This DPA shall stay in effect for three years unless and until the extent terminated by the parties. Exhibit E will expire 3 years from the date the original DPA was signed unless and until the extent terminated by the parties.

** Necessary to provide clarity with the termination section of the SDPC Standard Clauses.

2. New Section Added by Ex. G: Compliance with Illinois Privacy Laws:

Compliance with Illinois Privacy Laws. In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all applicable Illinois laws and regulations pertaining to student data privacy and confidentiality, including but not limited to the Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/5, 105 ILCS 10/7 and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider, for purposes of affording a parent an opportunity to inspect and/or copy the Student Data, no later than 30 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

3. Article II, Section 2 (as revised by Ex. G)

Parent Right to Access and Challenge Student Data. The LEA shall establish reasonable procedures pursuant to which a parent, as that term is defined in 105 ILCS 10/2(g), may inspect and/or copy Student Data and/or challenge the accuracy, relevance or propriety of Student Data, pursuant to Sections 5 and 7 of ISSRA (105 ILCS 10/5; 105 ILCS 10/7) and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider, for purposes of affording a parent an opportunity to inspect and/or copy the Student Data, no later than 30 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

** SOPPA dictates 90 days for Provider to respond to request and then 10 days for school to respond once they receive from Provider, not for Provider to respond within 10 days to the school. But, we are willing to do this at 30 from the 90 required by SOPPA.

4. Article II, Section 3

Separate Account and Student Generated Content. Students, parents, and family users may have personal or non-school accounts (i.e., for use of Provider at home not related to school) in addition to school accounts, this includes without limitation, those accounts used in connection with Provider's Outside School Programming (as defined on Exhibit A) ("Outside School Account(s)"). An Outside School Account of a student may also be linked to their student account. Student Data shall not include information a student, parent, or family provides to Provider through such Outside School Accounts independent of the student's, parent's, or family's engagement with the Services at the direction of the LEA. Additionally, if Student Generated Content is stored or maintained by the Provider as part of the Services, and to the extent consistent with law, Provider may provide a reasonable mechanism through which, the LEA, eligible student, or student's parent or legal guardian, may download, export, transfer, or otherwise save or maintain the Student Generated Content to a separate account created by the student or the Outside School Account upon termination of the Services Agreement; provided, however, such transfer shall only apply to Student Generated Content that is severable from the Service.

** Necessary to clarify how the Services function. Additionally, FERPA and the majority of state student privacy laws either permit or require a parent or eligible student to request transfer of student-generated content to a personal account. Without this change, this will also impose an unnecessary burden on LEA's to respond to such requests and is likely to result in student-generated content being destroyed as upon termination to the detriment of students and parents who have been specifically granted this statutory right. See also, state laws in: AZ, AZ, AR, CA, CO, DE, GA, FL, HI, IL, IA, KS, ME, MD, MI, NE, NV, NH, NC, OR, TN, TX, UT, VT, VA, WA, DC. The primary goal of FERPA is to provide parents and students with MORE control over their educational records and to prevent unauthorized disclosures of personally identifiable information from educational records to third-parties. Also, FERPA regulations specifically exempt disclosures of personally identifiable information from educational records to the student or parent - which is the disclosure here in regards to Student-Generated Content. (34 CFR 99.31(a)(12)). SOPPA statutory language (similar language in most state student privacy laws - including the recently enacted Florida law (and FL is mandating in their NDPA): "This section does not impede the ability of students to download, export, or otherwise save or maintain their own student created data or documents". The DPA as written directly impedes this by only allowing the LEA to do so. States permitting the right to download/save data in a separate account.

5. New Section Added by Ex. G: Transfer or Deletion of Student Data. The LEA shall inform the Provider, on an annual basis, whether the Student Data it has processed pursuant to the DPA continues to be needed for the purpose(s) of the Service Agreement and this DPA. If, after written confirmation from the LEA, any of the Student Data is no longer needed for purposes of the Service Agreement and this DPA, the Provider must delete such unnecessary Student Data or transfer to the LEA such unnecessary Student Data. The Provider shall effectuate such transfer or deletion of Student Data and provide written confirmation of said transfer or deletion to the LEA within thirty (30) calendar days of the operator becoming aware that the Student Data is no longer needed for purposes of the DPA.

If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

** SOPPA does not put this obligation on the Provider and the Provider will not know without LEA input if the LEA still needs the data to be retained pursuant to FERPA and state student record retention requirements for "education records"

6. Article IV, Section 6

6. Disposition of Data. Upon termination of the Agreement, the Provider shall, unless directed otherwise by LEA, dispose of or delete Student Data obtained under the Agreement, within sixty (60) days of the date of termination (unless otherwise required by law). If the Agreement has lapsed or is not terminated, the Student Data shall be deleted at the earliest of (a) Provider's standard destruction schedule, if applicable; (b) when the Student Data is no longer needed for the purpose for which it was received; or (c) as otherwise required by law. The duty to dispose of or delete Student Data shall not extend to Student Data that had been De-Identified or to Student-Generated Content that has been transferred or kept pursuant to section II 3. The LEA may provide the Provider with special instructions for the treatment of Student Data, by transmitting to the Provider the "Directive for Disposition of Data" form, a copy of which is attached hereto as Exhibit "D".

** Necessary to align with Provider's standard retention requirements if no written instructions are given to Provider upon termination of the DPA.

7. Article IV, Section 7

Advertising Limitations. Provider is prohibited from using, disclosing, or selling Student Data to (a) inform, influence, or enable Targeted Advertising; or (b) to develop a profile of a student, for any purpose other than providing the Service to LEA, or as authorized by the parent or legal guardian; or (c) for any commercial purpose other than to provide the Service to the LEA, as authorized by the LEA or the parent/guardian, or as permitted by applicable law. This section does not prohibit Provider from using Student Data (i) for adaptive learning or customised student learning (including generating personalised learning recommendations or sending Program Communications to account holders); or (ii) to make product recommendations to teachers, LEA employees, or parents/legal guardians; or (iii) to notify account holders about new education product updates, features, or services or from otherwise using Student Data as permitted in this DPA and its accompanying exhibits.

** Necessary to provide educational opportunities to students without limiting the advertisement limitations of commercial communications.

8. New Section Added By Ex. G – Reimbursement of Expenses Associated with Security Breach

Reimbursement of Expenses Associated with Security Breach. In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:

- Providing notification to the parents of those students whose Student Data was compromised and regulatory agencies or other entities as required by law or contract;
- Providing credit monitoring to those students whose Student Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the student's credit or financial security;
- Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
- Providing any other notifications or fulfilling any other requirements adopted by the Illinois State Board of Education or under other State or federal laws.

The Section above shall be subject to the Limitation of Liability Section set forth in the Service Agreement.

9. Article VII: Miscellaneous

Priority of Agreements. This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. With respect to the treatment of Student Data only, in the event there is conflict between the terms of the DPA and the Service Agreement, Terms of Service, Privacy Policies, or with any other bid/RFP, licence agreement, or writing, the terms of this DPA shall apply and take precedence. In the event of a conflict between Exhibit H, the SDPC Standard Clauses, and/or the Supplemental State Terms, Exhibit H will control, followed by the Supplemental State Terms. Except as described in this paragraph herein, all other provisions of the Service Agreement shall remain in effect.

** Necessary to provide clarity on the various agreements.

10. Definitions.

"Student Data": Student Data includes any data, whether gathered by Provider or provided by LEA or its users, students, or students' parents/guardians, for a school purpose that is descriptive of the student including, but not limited to, information in the student's educational record or email, first and last name, birthdate, home or other physical address, telephone number, email address, or other information allowing physical or online contact, discipline records, videos, test results, special education data, juvenile dependency records, grades, evaluations, criminal records, medical records, health records, social security numbers, biometric information, disabilities, socioeconomic information, individual purchasing behavior or preferences, food purchases, political affiliations, religious information, text messages, documents, student identifiers, search activity, photos, voice recordings, geolocation information, parents' names, or any other information or identification number that would provide information about a specific student. Student Data includes Meta Data. Student Data further includes "Personally Identifiable Information (PII)," as defined in 34 C.F.R. § 99.3 and as defined under any applicable state law. Student Data shall constitute Education Records for the purposes of this DPA, and for the purposes of federal, state, and local laws and regulations. Student Data as specified in Exhibit "B" is confirmed to be collected or processed by the Provider pursuant to the Services. Student Data shall not constitute (i) that information that has been anonymized or De-identified, or anonymous usage data regarding a student's use of Provider's services, or (ii) any data collected from an Outside School account, including, without limitation, through Provider's Outside School Programming

** Necessary to provide clarity regarding Outside School Programming and Accounts.

11. Definitions. Add the term "Sell" and "Program Communications" as defined below.

"Sell" consistent with the Student Privacy Pledge does not include or apply to a purchase, merger or other type of acquisition of a company by another entity, provided that the company or successor entity continues to treat the Personally Identifiable Information contained in Student Data in a manner consistent with this DPA with respect to the previously acquired Personally Identifiable Information contained in Student Data. Sell also does not include sharing, transferring or disclosing Student Data with a Subprocessor that is necessary to perform a business purpose (such as detecting security incidents, debugging and repairing, analytics, storage or other processing activities) provided that the Subprocessor does not Sell the Student Data except as necessary to perform the business purpose. Provider is also not "selling" personal information (i) if a user directs Provider to intentionally disclose Student Data or uses Provider to intentionally interact with a third party, provided that such third party also does not Sell the Student Data; or (ii) if a parent or other user (with parent consent) purchases Student Data (e.g., enhanced classroom reports or photos).

** The term "Sell" (first letter caps) is used in the Model Clauses, but not defined. The language is to clarify how the Service functions.

"Program Communications" shall mean in-app or emailed communications relating to Provider's educational services, including prompts, messages and content relating to the use of the Service, for example; onboarding and orientation communications, prompts for students to complete, or teachers to assign exercises or provide feedback as part of the learning exercise, periodic activity reports, suggestions for additional learning activities in the Service, service updates (for example new features or content, including using for late learning opportunities), and information about special or additional programs (e.g. summer programming) offered through the Services or Provider's website or application.

** The term "Program Communications" is necessary to distinguish appropriate or approved notifications to users versus those which fall outside of this definition in "Targeted Advertising".
