ARTICLE VII: MISCELLANEOUS

1. **Termination.** In the event that either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability**. Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound**: This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

LEA is able to delete student personally identifiable information at any time and in real time using the Administrator dashboard. Once that information is deleted, it is deleted from Provider's servers - first from our servers and then, after two weeks later, from any back-up server. If information was not deleted by the LEA before the subscription expired, Provider retains such information for a limited period of two years after expiration, unless requested by the LEA in writing. Student classroom accounts and the student identifiable information within them are automatically deleted after two years of inactivity - first from our server and then, two weeks later, from any back-up server. At that point the data cannot be restored.

Before taking any other legal action, it is recommended the LEA reach out to the Provider to file a formal complaint (to:legal@brainpop.com), to enable the parties to resolve the claim in a friendly and effective manner.

EXHIBIT B – “OTHER”

Districts/Schools:

Whether engaging with BrainPOP through a free trial or a paid subscription, schools or districts are required to appoint an administrator (“Administrator”), who is authorized by the school or the district to be responsible for the Students Records.

Each School or District Administrator has access to a dashboard that allows them to create, update, review, modify and delete individual accounts, and monitor logins within the individual accounts.

To create the **teacher accounts**, we require a **full name, email address, class name, and a password security question**. We also use the email address to send product updates and use recommendations, password recovery information, effectiveness and efficacy data, invitations to participate in surveys and research and more (messaging may not be available in all jurisdictions). An unsubscribe option is included in promotional messaging.

If a school or district uses and accesses individual accounts through any of the single sign on services that we support, we collect the information we use for the individual accounts function from the third party integrated service.

Students:

Students accounts can be created by the school, the district, or by the teachers, or the teacher can invite the students to create the accounts using a class code provided by the teacher. **We collect students’ full name, class, graduation year/grade, username, password and security question(s). Students will be able to store their activities, quizzes, movies and other projects they’ve created and correspondences with their teachers within their individual accounts. We collect student’s voice-recording if they use the recording feature in Make-a-Movie®.**

Information Collected Automatically: We automatically receive and record information on our server logs from a user’s browser. This may include the IP address, pages of BrainPOP visited, the time spent on those pages, and access times and dates. We use this information to better display our services, maintain a user’s session, identify the country the user is located in, monitor, analyze use of and administer BrainPOP, and to better tailor it to your needs. We may also use this information to serve advertising to **adult** users.
