I. PARTIES:

The parties to this Agreement are the **Columbus** School District (hereinafter "District") and University of Oregon (hereinafter "Contractor").

II. PURPOSE:

District and Contractor previously entered into the DIBELS Data System Agreement ("DDS Agreement"). District retains Contractor to provide the DIBELS Data System on behalf of the District pursuant to the DDS Agreement. Contractor shall be free from control and direction over the performance of the services, both under this Agreement and in fact. Except as limited herein, Contractor shall have and exercise full professional discretion as to the details of performance.

III. TERM OF AGREEMENT, NO GUARANTEE OF WORK, NON-EXCLUSIVITY:

This Agreement shall begin on the date of signature and shall run for 5 years and shall expire on June 30, 2024, unless terminated earlier by mutual agreement of the parties or by termination of the DDS Agreement. This Agreement shall not be construed as any guarantee of work or assignments to Contractor. Contractor shall be contacted on an "as-needed" basis by District, with no obligation by District to use Contractor for any specified number of projects. Contractor shall have no expectation of renewal of this Agreement and shall not be entitled to continue to contract with or perform services for the District beyond the expiration of this Agreement. This Agreement is non-exclusive, meaning that both Contractor and District may contract with any other party for the procurement or provision of investigative services without interference.

The term "protected information" includes but is not limited to:

Any direction or instruction by the School District or any of its authorized representatives in respect of the work shall relate to the results the School District desires to obtain from the work, and shall in no way affect Contractor's independent status.

Contractor shall not use the image or likeness of the School District's buildings or the School District's official logo or emblem and any other trademark, service mark, or copyrighted or otherwise protected information of the School District, without the School District's prior written consent. Contractor shall not have any authority to advertise or claim that the School District endorses Contractor's services, without the School District's prior written consent.

VI. MONTANA PUPIL ONLINE PERSONAL INFORMATION PROTECTION ACT

In accordance with the Montana Pupil Online Personal Information Protection Act, pupil records continue to be the property of and under the control of the School District. School District also retains ownership of any reports generated from pupil records. Contractor is prohibited from using any information in pupil records for any purpose other than those required or specifically permitted by

this Agreement or DDS Agreement. Contactor is specifically prohibited from using personally identifiable information in pupil records to engage in targeted advertising.

By executing this Agreement, Contractor certifies that pupil records will only be retained or available upon completion of the terms of the Agreement as permitted by the DDS Agreement. School District may request confirmation that PII received by Contractor from School District was deleted when it is no longer needed for the purpose for which it was obtained as stated in the DDS Agreement.

Parents, guardians and eligible pupils have the right to inspect the personal information held by the Contractor. Parents, guardians, or pupils should submit to the school principal written request identifying the information they wish to inspect. The principal will make arrangements for access and notify the requesting party of the time and place the information may be inspected. The rights contained in this section are denied to any person against whom an order of protection has been entered concerning a student.

Parents/guardians or eligible pupils may ask the School District to amend a personal information held by the Contractor they believe is inaccurate, misleading, irrelevant, or improper. They should write the school principal clearly identifying the part of the record they want changed and specify the reason.

If the District decides not to amend the record as requested by the parent(s)/guardian(s) or eligible student, the District will notify the parent(s)/guardian(s) or eligible pupil of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.

Parents/guardians or eligible pupils may ask the School District to transfer possession of personal information held by the Contractor to the pupil. Parents, guardians, or pupils should submit to the school principal written request identifying the information they wish to transfer.

Upon request, Contractor will provide the name and contact information of Provider's current employees responsible to ensure the security and confidentiality of pupil records. By signing this agreement, Contractor certifies

that employees with access to pupil information have completed training in pupil information security and confidentiality. Compliance with this requirement does not, in itself, absolve the third party of liability in the event of an unauthorized disclosure of pupil records.

Contractor will as soon as reasonably possible provide written notification to the School District of any unauthorized disclosure of pupil information.

VII. CONFIDENTIALITY SAFEGUARDS:

Contractor will collect and use the School District's Data only for the purpose of fulfilling its duties and providing services under this Agreement the purposes as stated in the DDS Agreement, and for improving services under this Agreement.

Contractor may use de-identified Data for product development, research, or other internal purposes or as authorized by the DDS Agreement. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify de-identified Data.

Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited. Any and all forms of advertisement, directed towards children, parents, guardians, or District Employees will be strictly prohibited unless allowed with express written consent of the District. Contractor shall not use information to amass a profile about a pupil, except in furtherance of K-12 school purposes. Contractor shall not sell a pupil's information to unauthorized third parties.

Contractor will not change how School District Data are used, or shared under

the terms of this Agreement in any way without advance notice to the School District. This Agreement and the DDS Agreement are the entire agreements between the School District (including all District end users) and the Contractor. All other agreements or understandings, whether electronic, click-through, verbal or in writing, with District Employees or other End Users shall be null and void.

Contractor will not share School District data, including PII, with or disclose it to any third party, except to affiliated subcontractors, agents, or third-party service providers of the Contractor, without prior specific and informed written consent of the School District or parent as the case may require, except as required or allowed by law or as authorized by the DDS Agreement. Contractor will not post School District or specific student data to any searchable or publicly viewable website. Contractor shall implement and maintain reasonable security procedures and practices appropriate to the nature of the PII and safeguard that information from unauthorized access, destruction, use, modification, or disclosure in accordance with this Agreement.

Except as otherwise expressly prohibited by law, the Contractor will as soon as reasonably possible notify the School District of any subpoenas, warrants, or other legal orders, demands or requests, including Audits, and governmental requests and demands, received by the Contractor seeking School District Data, if permitted by law. If the School District receives a similar request, the Contractor will promptly supply the School District with copies of records or information required by the School District to respond.

This includes appropriate administrative, physical, and technical safeguards to: 1) ensure the security and confidentiality of PII; 2) protect against any anticipated threats or hazards

to the security or integrity of PII; 3) protect against unauthorized access to or use of PII that could result in substantial harm to any School District employee and/or student; and 4) dispose of PII in a secure manner.

VIII. DATA BREACHES:

Contractor shall notify the School District in writing as soon as practicable after Contractor has either actual or constructive knowledge of a breach which affects the School District's Data (an "Incident") unless it is determined by law enforcement that such notification would impede or delay their investigation. Contractor shall have actual or constructive knowledge of an Incident if Contractor actually knows there has been an Incident or if Contractor has reasonable basis in facts or circumstances, whether acts or omissions, for its belief that an Incident has occurred. The notification required by this section shall be made as soon as practicable after the law enforcement agency determines that notification will not impede or compromise the investigation. Contractor shall cooperate with law enforcement in accordance with applicable law.

Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor has a written incident response plan, to include prompt notification of the District in the event of a security or privacy incident, as well as best practices for a public university responding to a breach of PII.

This Agreement may be terminated at any time prior to expiration of the contract term by mutual agreement of the parties in writing. This Agreement may be terminated unilaterally by either party for cause or noncompliance with the terms, conditions, and requirements set forth herein, provided, however, that the noncompliant party shall first be entitled to a written demand for compliance and a reasonable opportunity to cure any noncompliance therein identified. Failure to cure any identified noncompliance within 20 days of receipt of written demand shall constitute a material breach of this Agreement, and shall entitle the non-breaching party to immediately terminate this Agreement. All parties subject to a contract voided under this subdivision shall return all pupil records in their possession to the School District

This Agreement and the DDS Agreement embodies the complete agreements of the parties hereto, superseding all oral and written previous and contemporary agreements between the parties. No alteration or modification of this Agreement shall be valid unless evidenced by a writing signed by the parties to this Agreement. A waiver of any term or condition of this Agreement or breach of this agreement shall not be deemed a waiver of any other term or condition of this Agreement or any part hereof or of any later breach of this Agreement. Any waiver must be in writing each time a waiver occurs.

XIII. SAVINGS CLAUSE:

In the event any one or more of the provisions contained in this Agreement shall, for any reason, be held invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
