Zoom may immediately terminate access if it reasonably believes Customer is in breach of Section 2.4. Any such suspension, disconnection, or termination shall be without liability to Zoom, and Customer will remain responsible for all recurring Charges incurred during the period of suspension or disconnection.

The indemnified party may, at its own expense, assist in the defense if it so chooses, but the indemnifying party shall control the defense and all negotiations relative to the settlement of any such claim. Any settlement intended to bind the indemnified party shall not be final without the indemnified party's written consent, which consent shall not be unreasonably withheld or delayed.

The arbitrator must: (a) follow all applicable substantive Law; (b) follow applicable statutes of limitations; (c) honor valid claims of privilege; (d) issue a written decision including the reasons for the award. The arbitrator may award damages, declaratory or injunctive relief, and costs (including reasonable attorneys' fees). Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction. **Under AAA Rules, the arbitrator rules on his or her own jurisdiction, including the arbitrability of any claim; however, a court has exclusive authority to enforce the prohibition on arbitration on a class-wide basis or in a representative capacity.**
- 18.5 **Arbitration Fees.** If Customer is unable to afford the arbitration costs, Zoom will advance those costs to Customer, subject to the arbitrator's determination if costs should be reimbursed to Zoom if Zoom prevails. If any provision of this Section 18 is found to be illegal or unenforceable, then that provision will be severed; however, the remaining provisions shall still apply and shall be interpreted to as nearly as possible achieve the original intent of this Section, inclusive of the severed provision.

Zoom provides BYOC customers with software that enables On Net Access and access to a range of Zoom call management features and functions. BYOC enables customers to (i) have PSTN capability in regions where Zoom does not offer PSTN Access; (ii) maintain relationships with currently deployed carriers; and/or (iii) configure deployments for flexibility and redundancy. Customer must ensure that its carrier provides all regulated telecommunications services and is responsible for telecommunications regulatory compliance.

4. Billing and Invoicing. Zoom will bill Customer on behalf of Zoom Voice based on the Charges set forth on the Order Form. No adjustment will be made, or credit or refund given, for usage that is less than the Zoom Phone Commitment.

a. **On Net Access.** On Net capability will be provisioned by default for all Zoom Meeting Services. Phone Hosts may access and use On Net services at no charge for so long as the underlying license to the Zoom Meeting Service remains active.

Reasonable Use Policy. Zoom reserves the right to review Customer use to determine if it is consistent with this Zoom Voice Communications, Inc. Reasonable Use Policy. In the event Zoom Voice determines that You may be engaging in unreasonable use, Zoom Voice will determine the appropriate remedy and will take action to remedy any unreasonable use, including, at its sole discretion, discussing the use with You, moving You to an appropriate Zoom Phone Calling Plan, terminating certain Hosts, and/or otherwise modifying, suspending or terminating Your Zoom Phone services.

6. **Termination of Zoom Meeting Services.** Access to Zoom Phone Services requires a corresponding license to Zoom Meeting Services. In the event that the Zoom Meeting Service license is terminated, the equivalent access to Zoom Phone Services will also be terminated. At such time, Customer will be billed for any incurred usage charges, and will not be credited for any pre-paid amounts toward the Zoom Phone Commitment.

 - c. distributing warning stickers or other appropriate labels warning End Users that emergency service may be limited or not available and instructing Phone Hosts to place such stickers on or near the Devices and other equipment used in conjunction with Zoom Phone Services.

Zoom Voice reserves the right at any time to update the Zoom Voice Communications, Inc. The summary of Devices and equipment to date that Zoom Voice has determined are supported by the Zoom Phone platform may be provided on request. Customer should consult with Zoom Voice prior to deploying any other Devices and equipment.

1. **HaaS Program.** Zoom's Hardware-as-a-Service Program ("HaaS Program") enables customers to sub-lease certain leased devices in conjunction with and for the same subscription term as an associated underlying license for Zoom Meeting Services or Zoom Phone Services. Additional HaaS Program terms are found [here](#).
 2. **Zoom For Home.** The Zoom for Home ("ZfH") program enables customers to access devices, through a Zoom Meeting Services license, that support remote work, and allows customers to deploy a dedicated personal

collaboration device for video meetings, phone calls, and interactive whiteboarding (a “ZfH Device”). Devices offered under the ZfH program are determined in the sole discretion of Zoom. ZfH is available for use with all Zoom Meeting Services licenses, including Basic, except that use of a ZfH Device in a shared space in a commercial office environment requires a Zoom Rooms license. Zoom reserves the right to suspend or terminate a Customer’s access to the Services in connection with any violation of this provision. ZfH Devices and use of the ZfH program may be subject to additional terms and conditions specified on an Order Form. Zoom acts as a payment collection agent for the ZfH Device manufacturer or distributor (“ZfH Distributor”), and is not a seller, distributor or reseller of any hardware component or device. The ZfH Distributor is solely responsible for all obligations, including availability, fulfillment, delivery and warranties regarding the device, except as specified below.

Any ZfH Device may be returned within the first thirty (30) days following delivery for a refund. After thirty (30) days, only defective devices may be returned. Refunds will be processed by Zoom only after the ZfH Distributor has notified Zoom that the ZfH Device has been returned, inspected and accepted as a return. Refunds will be reduced by any restocking fees applicable to the transaction. Zoom or the ZfH Distributor will notify Customer if a return is rejected.
- iii. **Return Procedure.** Customer may contact Zoom or the ZfH Distributor to request a return. Zoom and the ZfH Distributor will review the return request and, if eligible, will authorize the return. Please refer to the ZfH Distributor’s website for more information on return policies and qualification and requirements for return authorization.
- iv. **Customer’s Obligation to Inspect Delivery and Notify of Nonconformity.** Customer shall inspect each delivery of the ZfH Device received from the ZfH Distributor without undue delay and notify Zoom or the ZfH Distributor if any items are damaged.
- v. **Shipping Delays.** Customer acknowledges that certain shipments may be delayed due to circumstances beyond Zoom’s or the ZfH Distributor’s reasonable control. In no event shall Zoom or the ZfH Distributor be responsible for any damages associated with shipping delays.
- vi. **Access to Customer Data.** Customer acknowledges that the ZfH Distributor will be fulfilling any order for a ZfH Device, and expressly authorizes Zoom to disclose Customer Data to the extent necessary to complete the transaction.

Access to and use of the Zoom Marketplace and Zoom for Developers (available at <https://developer.zoom.us>) sites are governed by separate terms and conditions available at <https://zoom.us/service>. Besides testing for compatibility with Zoom, Zoom does not perform any other testing and does not warrant or support the Apps. Publishers are solely responsible for all aspects of the Apps they publish, including content, functionality, availability and support. Publishers are required to provide their own terms of service, privacy policy and support information (“Publisher Terms”). Customers who access or download Apps must enter into Publisher Terms directly with the Publisher. Zoom is not responsible for the Apps, their content, functionality, availability, or support. Apps are hosted AS IS and use of the Apps is at Customer’s own risk, subject to the Publisher Terms. Apps may become unavailable or be removed by a Publisher at any time and any data stored in them may be lost or become inaccessible. Zoom is not responsible for Customer Data transferred to a Publisher, or for any transmission, collection, disclosure, security, modification, use or deletion of Customer Data by or through an App. Publishers may use Customer Data as permitted in the Publisher Terms. representations and disclaims all warranties, express or implied, regarding Apps and reserves the right to remove an App from the Marketplace at any time, in its sole discretion.

- I. **Managed Domains.** Zoom permits Customers to reserve domains associated with their enterprise and to manage any accounts that are subscribed to Zoom using that domain (“Managed Domain Customer”). Customer may only associate to the Zoom Services domain(s) that they own or are legally entitled to associate for use with the Services. In the event that a Zoom account is created or exists on the reserved domain, but is not authorized by the Managed Domain Customer (the “Non-Managed Domain Account”), the person using or creating such Non-Managed Domain Account will be notified that the domain is reserved for the Managed Domain Customer and will be requested to change the domain associated with the Non-Managed Domain Account. If the person using or creating such Non-Managed Domain Account does not change the domain within the period specified, that person will be deemed to have consented to the Non-Managed Domain Account being added to the Managed Domain Customer and to have further consented for all data associated with the Non-Managed Domain Account to be shared with the Managed Domain Customer.

Consent To Educational Data Collection

Before using Zoom with children, your organization must consent to Zoom's educational data collection practices.

Why do we need your consent?

Your consent is required before Zoom may collect, use, or disclose personal information from children who receive educational services through your organization's use of Zoom's meetings, webinars, or messaging platform ("Zoom Products"). Zoom will not collect, use, or disclose personal information from such children if you do not consent.

What kinds of information do we collect?

If you consent, Zoom may collect and use the following personal information from these children, under the conditions set forth in the attached Children's Educational Privacy Statement (<https://zoom.us/educationalprivacy>):

- **Profile and Participant Information:** Name, profile picture, contact information, and any other information you allow children to add to their profile or when registering for or joining meetings, recordings or webinars on your account.

Zoom employees do not access this meeting content unless you direct us to do so, or as required for legal, security, or safety reasons.
- **Product Usage:** Information about how children and their devices interact with Zoom Products, such as when they join and leave a meeting, whether they send messages and with whom they message, mouse movements, clicks, keystrokes, or actions (such as mute/unmute or video on/off), and other user inputs that help Zoom understand feature usage, improve product design, and suggest features.

Zoom will only use such personal information collected from children for educational purposes, including facilitating the use of Zoom Products, improving the provision of Zoom Products used by schools or educational organizations, ensuring the safety and integrity of the Zoom Products, and complying with legal processes.
