Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability**. Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. 7. **Successors Bound**: This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

EXHIBIT "A"
DESCRIPTION OF SERVICES

SpeechWire Tournament Services ("SpeechWire") provides a web-based forensics tournament service that people across the United States can use to register entries, schedule, tabulate, and post results and other information from debate, speech (individual events), and congress tournaments, as well as gain information about these tournaments, all subject to the terms of use ("Terms of Use") posted publicly on the SpeechWire.com website (at time of this writing at <https://www.speechwire.com/termsfuse>) and other applicable agreements.

In the normal course of providing SpeechWire services to managers of speech, debate and congress tournaments, SpeechWire Tournament Services collects, uses and may disclose and/or re-disclose the following information about students for purposes including but not limited to the following:

First and last name: LEA users input the first and last names of their students into their SpeechWire student account for the purposes of tracking participation in their school's team and also for the purpose of notifying tournament managers which students will participate in their tournaments. Tournament managers will have access to this information and may disseminate it to their designated tournament tabulation staff members at their discretion to facilitate the safe and effective operation of their tournaments. In the normal course of tournament operations, tournament managers and their tabulation staff members may cause student first and last names to be released to other participating coaches and/or students or publicly, including but not limited to: postings of which students are to compete in specific rooms/virtual spaces so as to permit the operation of the tournament; feedback from adjudicators/judges/evaluators delivered to coaches and/or students following a tournament; and public results postings on the SpeechWire website by student name and/or releases at the end of tournaments, much in the same way that students may be identified by name in results and statistics following an extracurricular baseball or football game. Student names are published on the SpeechWire website as part of these tournament results postings in the normal course of services provided to tournaments.

Email address: LEA users input, once they have received any required consent from parents/guardians as per any local, state, or federal laws, regulations, and/or ordinances, email addresses for students so as to permit LEA users and/or their students to create student accounts on SpeechWire. Student accounts permit secure participation in virtual speech, debate and congress tournaments, allow students access to specific feedback and results provided for their review by adjudicators, judges, and/or evaluators at tournaments, and permit students to effectively receive important communications from the tournament manager and/or information about where they are to go to compete in their rounds as part of a tournament.

Phone number: Students may receive text message/SMS notifications at their phone number if they choose so as to effectively receive important communications sent by the tournament manager using the SpeechWire website and/or information about where they are to go to compete in their rounds as part of a tournament.

Graduation year: Some tournaments and/or state and/or national associations or groups running a tournament using SpeechWire services may use student graduation year and/or year in school as part of their records regarding tournament participation, and may make this information public as part of their standard operations in running their tournaments. This information may be collected by or provided to SpeechWire as part of these operations.

Student disability information: At the request of a tournament manager and/or state and/or national association or group running a tournament using SpeechWire services, information relevant to the fair and equitable assessment of student performance and/or participation and/or safe participation in a tournament may be voluntarily provided by LEA users once they have received any required consent from parents/guardians as per any local, state, or federal laws, regulations, and/or ordinances as part of registration for a tournament and may be used by the tournament manager and/or disclosed to adjudicators/judges/evaluators as appropriate and necessary for fair and equitable assessment of student performances and/or participation at the tournament manager's discretion. Provision of this information is optional and at the discretion of the LEA user.

Student app username/password: An email address or username may be used by students to access their student account, and an encrypted password will be stored to enable secure verification of their identity to permit said access.

Student work: Student work may be stored on SpeechWire's system for assessment by adjudicators/judges/evaluators in a tournament - for instance, an original speech script or works cited page.

3. **School Official Designation.** Pursuant to Article I, Paragraph 1 of the DPA Standard Clauses, and in accordance with FERPA, ISSRA and SOPPA, in performing its obligations under the DPA, the Provider is acting as a school official with legitimate educational interest; is performing an institutional service or function for which the LEA would otherwise use its own employees; is under the direct control of the LEA with respect to the use and maintenance of Student Data; and is using Student Data only for an authorized purpose and in furtherance of such legitimate educational interest.

Provider will not sell or rent Student Data. In the event another party, including law enforcement or a government entity, contacts the Provider with a request or subpoena for Student Data in the possession of the Provider, the Provider shall redirect the other party to seek the data directly from the LEA. In the event the Provider is compelled to produce Student Data to another party in compliance with a court order, Provider shall notify the LEA at least five (5) school days in advance of the court ordered disclosure and, upon request, provide the LEA with a copy of the court order requiring such disclosure.

6. **Parent Right to Access and Challenge Student Data.** The LEA shall establish reasonable procedures pursuant to which a parent, as that term is defined in 105 ILCS 10/2(g), may inspect and/or

The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider when Provider cooperation is required to afford a parent an opportunity to inspect and/or copy the Student Data, no later than 5 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

8. **Security Standards.** The Provider shall implement and maintain commercially reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect Student Data from unauthorized access, destruction, use, modification, or disclosure, including but not limited to the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of the Student Data (a "Security Breach"). For purposes of the DPA and this Exhibit G, "Security Breach" does not include the good faith acquisition of Student Data by an employee or agent of the Provider or LEA for a legitimate educational or administrative purpose of the Provider or LEA, so long as the Student Data is used solely for purposes permitted by SOPPA and other applicable law, and so long as the Student Data is restricted from further unauthorized disclosure.

9. **Security Breach Notification.** In addition to the information enumerated in Article V, Section 4(1) of the DPA Standard Clauses, any Security Breach notification provided by the Provider to the LEA shall include:

- a. A list of the students whose Student Data was involved in or is reasonably believed to have been involved in the breach, if known; and

If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

Any provision of Student Data to the LEA from the Provider shall be transmitted in a format readable by the LEA.

By no later than (5) business days after the date of execution of the DPA, the Provider shall provide the LEA with a list of any subcontractors to whom Student Data may be disclosed or a link to a page on the Provider's website that clearly lists any and all subcontractors to whom Student Data may be disclosed. This list shall, at a minimum, be updated and provided to the LEA by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1).

14. DPA Term.

- a. **Original DPA.** Paragraph 4 on page 2 of the DPA setting a three-year term for the DPA shall be deleted, and the following shall be inserted in lieu thereof: "This DPA shall be effective upon the date of signature by Provider and LEA, and shall remain in effect as between Provider and LEA 1) for so long as the Services are being provided to the LEA or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first. 15. **Termination.** Paragraph 1 of Article VII shall be deleted, and the following shall be inserted in lieu thereof: "In the event either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or been terminated. One party may terminate this DPA upon a material breach of this DPA by the other party. Upon termination of the DPA, the Service Agreement shall terminate."

17. **Minimum Data Necessary Shared.** The Provider attests that the Student Data request by the Provider from the LEA in order for the LEA to access the Provider's products and/or services is limited to the Student Data that is adequate, relevant, and limited to what is necessary in relation to the K-12 school purposes for which it is processed.
18. **Student and Parent Access.** Access by students or parents/guardians to the Provider's programs or services governed by the DPA or to any Student Data stored by Provider shall not be conditioned upon agreement by the parents/guardians to waive any of the student data confidentiality restrictions or a lessening of any of the confidentiality or privacy requirements contained in this DPA.
19. **Data Storage.** Provider shall store all Student Data shared under the DPA within the United States.
20. **Exhibits A and B.** The Services described in Exhibit A and the Schedule of Data in Exhibit B to the DPA satisfy the requirements in SOPPA to include a statement of the product or service being provided to the school by the Provider and a listing of the categories or types of covered information to be provided to the Provider, respectively.

EXHIBIT "H"
Additional Terms or Modifications
Version 1.1

LEA and Provider agree to the following additional terms and modifications:

This is a free text field that the parties can use to add or modify terms in or to the DPA. If there are no additional or modified terms, this field should read "None."

Article I, Section 2 of the Standard Clauses is amended to read as follows:

"Student Data to be Provided: In order to perform the Services described above, the Student Data processed by Provider on behalf of LEA shall be identified in the Schedule of Data, attached hereto as Exhibit "B", to be used as described in methods and for purposes including but not limited to those described in Exhibit "A".

Article II, Section 5 of the Standard Clauses is amended to read as follows:

"5. Subprocessors. Provider will utilize Subprocessors which maintain data protection and security policies consistent with Provider's obligations under this DPA and shall periodically assess its Subprocessors to the best of Provider's capability to determine subprocessors' compliance with this DPA. Provider will maintain a list of subprocessors on its website, and Provider will send the current location of this list upon request. At time of this writing, this list can be found at <https://www.speechwire.com/subprocessors>"

The following sentence is added to the end of Article IV, Section 1 of the Standard Clauses:

"Specifically with respect to any local, state or federal ordinance or law which requires consent or authorization from a parent or guardian for the collection or use of Student Data or Educational Records, LEA is responsible for fulfilling any applicable consent requirement."

Article IV, Section 6 of the Standard Clauses is hereby stricken and replaced with the following:

"The Provider maintains Student Data in 3 separate locations:

- 1 - On the production system available to end users on the internet
- 2 - In backup files stored offline
- 3 - On internal systems used to support development, testing, customer service, and operations.

Upon termination of this DPA and upon receipt of written request of the LEA, Provider will, within 60 days, delete Student Data contained within the school's SpeechWire school record on the production system (#1) which is no longer needed and will provide the LEA with confirmation of such deletion upon written request.

Backup files (#2) as well as tournament records not part of the school's SpeechWire school record but that are part of the production system (#1) pertaining to previously held events contain data for multiple LEAs and may be retained for many years to support operations and maintain accurate historical records. It is infeasible for the Provider to remove a single LEA's data from the backup chain or from all past tournament records. As such, Student Data may be present in the backup files and/or past tournament records until such time as they may be destroyed at Vendor's discretion.

Upon termination of the DPA or Service Agreement, Provider may, at its discretion, maintain or dispose of Student Data."

Article V, Section 1 of the Standard Clauses is hereby stricken. Provider will not provide a list of locations where Student Data is stored.

Article V, Section 2 of the Standard Clauses is hereby stricken. Provider will not provide audits to LEAs.

In the first sentence of Article V, Section 4 of the Standard Clauses, the words "within seventy-two (72) hours of confirmation of the incident" are replaced with "within a reasonable time after confirmation of the incident".

The sentence in Article VII, Section 2 of the Standard Clauses is hereby stricken and replaced by the following: "If the Service Agreement is terminated, the Provider may dispose of the LEA's Student Data at its convenience. If the LEA would like the data destroyed immediately, they must provide notification pursuant to Article IV, Section 6."

The first sentence of Exhibit "G", Section 4 is deleted and replaced by this sentence:

"The Provider shall not re-disclose Student Data to any other party or affiliate without the express written permission of the LEA or pursuant to court order, unless such disclosure is otherwise permitted under SOPPA, ISSRA, FERPA, and MHDDCA; Provider may re-disclose Student Data in the normal course of providing the services it was engaged by an LEA user to provide including but not limited to services described in Exhibit "A" of this DPA and the SpeechWire Tournament Services Terms of Service and/or Privacy and Security Policy as publicly posted at www.speechwire.com. At time of this writing, this Privacy and Security Policy can be found at <https://www.speechwire.com/privacy>"

The final sentence of Exhibit "G", Section 6 is deleted and replaced by this sentence:

Exhibit "G", Section 10 is hereby stricken and replaced by the following:

"In the unlikely event of a Security Breach into Provider's services that is primarily attributable to the Provider, the Provider, at its own expense, will undertake an investigation of the incident, make best efforts to remedy any security flaws that allowed unauthorized access, notify affected parties as required by law, support LEAs by providing them with lists of affected users and other data, interact with law enforcement as required, and provide a summary report at the conclusion of the investigation. The Provider will not take any other actions in response to the breach beyond those identified herein, and will not be responsible for any other costs other than associated with the actions identified in this paragraph. The Provider, at its discretion, may choose to purchase insurance to cover these costs, and will not seek reimbursement from the LEA for such insurance.

The LEA will be responsible for all other responses it chooses to take in response to the breach. This may include choosing a credit monitoring service for affected students. The LEA may incur expenses as a result of the breach, which it is fully responsible for paying. The LEA may choose to purchase insurance to cover the costs, but will not seek reimbursement from the Provider."

The first two sentences of Exhibit "G", Section 11 are deleted and replaced by these sentences:

"The Provider shall review, on an annual basis, whether the Student Data it has received pursuant to the DPA continues to be needed for the purpose(s) of the Service Agreement and this DPA. If any of the Student Data contained within the school's SpeechWire record is deemed no longer needed for purposes of the Service Agreement and this DPA, the Provider may dispose of and/or provide a mechanism for the LEA to transfer Student Data as set forth in Article IV, Section 6."

The final sentence of Exhibit "G", Section 13 is deleted and replaced by these sentences:

"This list shall be updated and provided to the LEA or the page on the Provider's website shall be updated, at a minimum, by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1). At the time of this writing, Provider lists its subprocessors on its website at <https://www.speechwire.com/p-subprocessors.php>"

The Parties acknowledge and agree that in addition to Exhibit "A" herein, Provider's Terms of Service and Privacy and Security Policy (which can be found using a link at www.speechwire.com as they may be amended from time to time) further demonstrate how Provider will operate and how Provider may use, disclose and/or re-disclose Student Data in the normal course of providing its services.
