Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.

2. **Definition of "Student Data."** In addition to the definition set forth in **Exhibit C**, Student Data includes any and all information concerning a student by which a student may be individually identified under applicable Illinois law and regulations, including but not limited to (a) "covered information," as defined in Section 5 of SOPPA (105 ILCS 85/5), (b) "school student records" as that term is defined in Section 2 of ISSRA (105 ILCS 10/2(d)) (c) "records" as that term is defined under Section 110/2 of the MHDDCA (740 ILCS 110/2), and (d) "personal information" as defined in Section 530/5 of PIPA.

3. **School Official Designation.** Pursuant to Article I, Paragraph 1 of the DPA Standard Clauses, and in accordance with FERPA, ISSRA and SOPPA, in performing its obligations under the DPA, the Provider is acting as a school official with legitimate educational interest; is performing an institutional service or function for which the LEA would otherwise use its own employees; is under the direct control of the LEA with respect to the use and maintenance of Student Data; and is using Student Data only for an authorized purpose and in furtherance of such legitimate educational interest.

4. **Limitations on Re-Disclosure.** The Provider shall not re-disclose Student Data to any other party or affiliate without the express written permission of the LEA or pursuant to court order, unless such disclosure is otherwise permitted under SOPPA, ISSRA, FERPA, and MHDDCA. Provider will not sell or rent Student Data. In the event another party, including law enforcement or a government entity, contacts the Provider with a request or subpoena for Student Data in the possession of the Provider, the Provider shall redirect the other party to seek the data directly from the LEA. In the event the Provider is compelled to produce Student Data to another party in compliance with a court order, Provider shall notify the LEA at least five (5) school days in advance of the court ordered disclosure and, upon request, provide the LEA with a copy of the court order requiring such disclosure.

copy Student Data and/or challenge the accuracy, relevance or propriety of Student Data, pursuant to Sections 5 and 7 of ISSRA (105 ILCS 10/5; 105 ILCS 10/7) and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider when Provider cooperation is required to afford a parent an opportunity to inspect and/or copy the Student Data, no later than 5 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

For purposes of the DPA and this Exhibit G, "Security Breach" does not include the good faith acquisition of Student Data by an employee or agent of the Provider or LEA for a legitimate educational or administrative purpose of the Provider or LEA, so long as the Student Data is used solely for purposes permitted by SOPPA and other applicable law, and so long as the Student Data is restricted from further unauthorized disclosure.

**9. Security Breach Notification.** In addition to the information enumerated in Article V, Section 4(1) of the DPA Standard Clauses, any Security Breach notification provided by the Provider to the LEA shall include:

If any of the Student Data is no longer needed for purposes of the Service Agreement and this DPA, the Provider will provide written notice to the LEA as to what Student Data is no longer needed. The Provider will delete or transfer Student Data in readable form to the LEA, as directed by the LEA (which may be effectuated through Exhibit D of the DPA), within 30 calendar days if the LEA requests deletion or transfer of the Student Data and shall provide written confirmation to the LEA of such deletion or transfer. If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

Any provision of Student Data to the LEA from the Provider shall be transmitted in a format readable by the LEA.

**13. Subcontractors.** By no later than (5) business days after the date of execution of the DPA, the Provider shall provide the LEA with a list of any subcontractors to whom Student Data may be disclosed or a link to a page on the Provider's website that clearly lists any and all subcontractors to whom Student Data may be disclosed. This list shall, at a minimum, be updated and provided to the LEA by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1).

**14. DPA Term.**

- a. **Original DPA.** Paragraph 4 on page 2 of the DPA setting a three-year term for the DPA shall be deleted, and the following shall be inserted in lieu thereof: "This DPA shall be effective upon the date of signature by Provider and LEA, and shall remain in effect as between Provider and LEA 1) for so long as the Services are being provided to the LEA or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first. 15. **Termination.** Paragraph 1 of Article VII shall be deleted, and the following shall be inserted in lieu thereof: "In the event either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or been terminated. One party may terminate this DPA upon a material breach of this DPA by the other party. Upon termination of the DPA, the Service Agreement shall terminate."
16. **Privacy Policy.** The Provider must publicly disclose material information about its collection, use, and disclosure of Student Data, including, but not limited to, publishing a terms of service agreement, privacy policy, or similar document.
17. **Minimum Data Necessary Shared.** The Provider attests that the Student Data request by the Provider from the LEA in order for the LEA to access the Provider's products and/or services is limited to the Student Data that is adequate, relevant, and limited to what is necessary in relation to the K-12 school purposes for which it is processed.
18. **Student and Parent Access.** Access by students or parents/guardians to the Provider's programs or services governed by the DPA or to any Student Data stored by Provider shall not be conditioned upon agreement by the parents/guardians to waive any of the student data confidentiality restrictions or a lessening of any of the confidentiality or privacy requirements contained in this DPA.
19. **Data Storage.** Provider shall store all Student Data shared under the DPA within the United States.
20. **Exhibits A and B.** The Services described in Exhibit A and the Schedule of Data in Exhibit B to the DPA satisfy the requirements in SOPPA to include a statement of the product or service being provided to the school by the Provider and a listing of the categories or types of covered information to be provided to the Provider, respectively.

**EXHIBIT "H"**  
**Additional Terms or Modifications**  
Version 1.0

LEA and Provider agree to the following additional terms and modifications:

This is a free text field that the parties can use to add or modify terms in or to the DPA. If there are no additional or modified terms, this field should read "None."

**Data Control.** LEA acknowledges that they must control the student data in staff accounts to comply with this agreement. To do this effectively, LEA must control the email address associated with all staff accounts, and be able to provide email addresses when making requests associated with their data. If there is any concern about data ownership, the SLP Toolkit account email will be used to verify ownership.

**Notices.** LEAs which have organization accounts with SLP Toolkit will receive communications using the contact on file. LEAs which have staff maintaining individual accounts with SLP Toolkit will receive communications via the email address associated with their account.

**Third Party Request.** In the event that a parent of a student or other individual contacts SLP Toolkit to review any Student Data, SLP Toolkit shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information. Should a third party, including law enforcement and government entities, contact SLP Toolkit with a request for data held by SLP Toolkit pursuant to the Services, SLP Toolkit shall redirect the third party to request the data directly from the LEA. SLP Toolkit shall notify the LEA if compelled to disclose student data to a third party.

**Student Content & Accounts.** SLP Toolkit does not support use for students or allow for student-generated content. Only those users under control of the LEA are permitted to access the software, and no transfer of content to, or creation of, student accounts will be permitted. Any references in this agreement to student-generated content are deleted.

**Disposition of Student Data.** The LEA has the ability to delete SLP and Student Data associated with their accounts at any time using the software or by special request, except in instances where such data is otherwise prohibited from deletion or required to be retained under state or federal law, or stored as a copy as part of a disaster recovery storage system and that is:

- a) inaccessible to the public, and
- b) unable to be used in the normal course of business by SLP Toolkit.

Disposition shall include:

- a) Electronic Student Data record destruction; or
- b) Otherwise modifying Student Data in those records to make it unreadable.

If a special request is made to delete Student Data owned by the LEA, SLP Toolkit shall provide written notification to LEA when the Student Data has been disposed of. The duty to dispose of Student Data shall not extend to data that has been aggregated and de-identified pursuant to the other terms of the Addendum.

The LEA understands and agrees that Student Data backups and audit logs are not easily parsed or accessible, and are not immediately destroyed upon request or the termination of any agreement between the parties.

**Data Breach.** SLP Toolkit will notify the LEA when there has been an unauthorized release, breach, disclosure, or acquisition of Student Data. Such notification will follow the standard procedures below. In the event that Student Data is accessed or obtained by an unauthorized individual, SLP Toolkit will notify LEA of the incident within 72 hours of breach confirmation using the following process:

- 1) The security breach notification will be delivered via electronic mail to the LEA as specified in the notices section above.
- 2) Every reasonable attempt will be made to obtain confirmation that the information is received.
- 3) The notification will be titled "Notice of Student Data Breach", and will contain the following information:
  - a) What Happened - how the breach was able to occur, and when the breach occurred
  - b) What Information Was Involved - the specific information that may have been compromised by the breach
  - c) What We Are Doing - the current and next steps in SLP Toolkit procedures that are being followed
  - d) What You Can Do - steps Organization can take to help
  - e) For More Information - contact information and resources for additional information
- 4) SLP Toolkit will assist any local education agency to issue additional notifications as required by law.
- 5) Due to the type of student data and the encrypted state of the data stored by SLP Toolkit, risk of substantial damage resulting from a student data breach is low. However, any direct costs associated with repairing damage from a student data breach where SLP Toolkit is at fault may be submitted for payment review. SLP Toolkit maintains a cyber security insurance policy to handle such events. The LEA understands that damage claims are subject to review before payment.
