

Background and Instructions

History of Agreement- This agreement was based on an agreement originally drafted by the Texas Student Privacy Alliance (TXSPA). A version showing the modifications made by the district to the original agreement is available by contacting the district.

The Alliance is a collaborative group of Texas school districts that share common concerns around student and data privacy. The Texas K-12 CTO Council is the organization that sponsors the TXSPA and the TXSPA is the Texas affiliate of the national Student Data Privacy Consortium (SDPC). The SDPC works with other state alliances by helping establish common data privacy agreements unique to the jurisdiction of each state. This Texas agreement was drafted specifically for K-12 education institutions and included broad stakeholder input from Texas school districts, statewide associations such as TASB, TASA, and TASBO, and the Texas Education Agency. The purpose of this agreement is to set standards of both practice and expectations around data privacy such that all parties involved have a common understanding of expectations. This agreement also provides a mechanism (Exhibit E- General Offer of Terms) that would allow an Operator to extend the ability of other Texas school districts to be covered under the terms of the agreement should an Operator sign Exhibit E. This mechanism is intended to create efficiencies for both Operators and LEAs and generally enhance privacy practices and expectations for K-12 institutions and for companies providing services to K-12 institutions.

Once the Operator accepts the terms of the agreement, the Operator should wet sign the agreement and return it to the LEA. Once the LEA signs the agreement, the LEA should provide a signed copy of the agreement to the Operator.

WHEREAS, in order to provide the Services described in the Service Agreement, the Operator may receive or create and the LEA may provide documents or data that are covered by federal statutes, among them, the Federal Educational Rights and Privacy Act (“FERPA”) at 20 U.S.C. 1232g (34 CFR Part 99), Children’s Online Privacy Protection Act (“COPPA”), 15 U.S.C. 6501-6506, and Protection of Pupil Rights Amendment (“PPRA”) 20 U.S.C. 1232h; and

WHEREAS, the documents and data transferred from LEAs and created by the Operator’s Services are also subject to state student privacy laws, including Texas Education Code Chapter 32; and

WHEREAS, the Operator may, by signing the "General Offer of Privacy Terms", agree to allow other LEAs in Texas the opportunity to accept and enjoy the benefits of this DPA for the Services described within, without the need to negotiate terms in a separate DPA.

NOW THEREFORE, for good and valuable consideration, the parties agree as follows:

ARTICLE I: PURPOSE AND SCOPE

1. **Nature of Services Provided.** The Operator has agreed to provide digital educational services as outlined in Exhibit A and the Agreement.
2. **Purpose of DPA.** For Operator to provide services to the LEA it may become necessary for the LEA to share certain LEA Data. This DPA describes the Parties’ responsibilities to protect Data.
3. **Data to Be Provided.** In order for the Operator to perform the Services described in the Service Agreement, LEA shall provide the categories of data described in the Schedule of Data, attached as Exhibit B.
4. **DPA Definitions.** The definitions of terms used in this DPA are found in Exhibit C. In the event of a conflict, definitions used in this DPA shall prevail over terms used in the Service Agreement.

The Operator further acknowledges and agrees that all copies of such Data transmitted to the Operator, including any modifications or additions or any portion thereof from any source, are subject to the provisions of this DPA in the same manner as the original Data. The Parties agree that as between them, all rights, including all intellectual property rights in and to Data contemplated per the Service Agreement shall remain the exclusive property of the LEA.

Operator shall respond in a reasonably timely manner (and no later than 28 days from the date of the request) to the LEA's request for Data in a pupil's records held by the Operator to view or correct as necessary. In the event that a parent of a pupil or other individual contacts the Operator to review any of the Data accessed pursuant to the Services, the Operator shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.
3. **Data Portability.** Operator shall, at the request of the LEA, make Data available including Pupil Generated Content in a readily accessible format.

Furthermore, if legally permissible, Operator shall promptly notify the LEA of a subpoena compelling disclosure to a Third Party and provide a copy of the subpoena with sufficient time for the LEA to raise objections to the subpoena. The Operator will not use, disclose, compile, transfer, or sell the Data and/or any portion thereof to any third party or other entity or allow any other third party or other entity to use, disclose, compile, transfer or sell the Data and/or any portion thereof. Operator understands and agrees that information, documentation and other material in connection with the DPA and Service Agreement may be subject to public disclosure.
5. **No Unauthorized Use.** Operator shall use Data only for the purpose of fulfilling its duties and obligations under the Service Agreement and will not share Data with or disclose it to any Third Party without the prior written consent of the LEA, except as required by law or to fulfill its duties and obligations under the Service Agreement.
6. **Subprocessors.** All Subprocessors used by the Operator to perform functions pursuant to the Service Agreement shall be identified in Exhibit F. Operator shall either (1) enter into written agreements with all Subprocessors performing functions pursuant to the Service Agreement, such that the Subprocessors agree to protect Data in a manner the same as or better than as provided pursuant to the terms of this DPA, or (2) indemnify and hold harmless the LEA, its officers, agents, and employees from any and all claims, losses, suits, or liability including attorneys' fees for damages or costs resulting from the acts or omissions of its Subprocessors. Operator shall periodically conduct or review compliance monitoring and assessments of Subprocessors to determine their compliance with this DPA.

For purposes of the Service Agreement and this DPA, Operator: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from education records

Operator agrees to require and maintain an appropriate confidentiality agreement from each employee or agent with access to Data pursuant to the Service Agreement.
3. **De-identified Information.** De-identified Information may be used by the Operator only for the purposes of development, product improvement, to demonstrate or market product effectiveness, or research as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Operator agrees not to attempt to re-identify De-identified Information and not to transfer De-identified Information to any party unless (a) that party agrees in writing not to attempt re-identification, and (b) prior written notice has been given to LEA who has provided prior written consent for such transfer. Operator shall not copy, reproduce or transmit any De-identified Information or other Data obtained under the Service Agreement except as necessary to fulfill the Service Agreement.
4. **Access To, Return, and Disposition of Data.** Upon written request of LEA, Operator shall dispose of or delete all Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained, and transfer said data to LEA or LEA’s designee within sixty (60) days of the date of termination and according to a schedule and procedure as the Parties may reasonably agree. Operator acknowledges LEA’s obligations regarding retention of governmental data, and shall not destroy Data except as permitted by LEA. Nothing in the Service Agreement shall authorize Operator to maintain Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Disposition shall include (1) the shredding of any hard copies of any Data; (2) Data Destruction; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable. If requested, Operator shall provide written notification to LEA when the Data has been disposed of.

The duty to dispose of Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Data” FORM (a sample of this form is attached on Exhibit “D”). Upon receipt of a request from the LEA, the Operator will immediately provide the LEA with any specified portion of the Data within thirty (30) calendar days of receipt of said request.
