

**SOPPA Addendum to the Agreement
(Armstrong Township High School)**

1. **Purpose.** This Addendum (the "SOPPA Addendum") to the Agreement under which Google Workspace for Education Services (pka, G Suite for Education Services) are provided to Customer (the "Agreement") serves to confirm that Google LLC ("Google") complies with the requirements of the Student Online Personal Protection Act ("SOPPA").

To the extent that any terms contained within the Agreement, or any terms contained within documents referred in the Agreement as forming part of the Agreement, conflict with the terms of this Addendum, the terms of this Addendum will apply. Any capitalized terms not defined in this Addendum will have the meaning given to them in the Agreement.

2. **Student Online Personal Protection Act ("SOPPA").**

2.1 Family Education Rights and Privacy Act ("FERPA"). Notwithstanding anything to the contrary in the Agreement, and subject to the last sentence of this Section, the parties acknowledge that (a) Customer Data may include information from education records that are subject to the FERPA; and (b) to the extent that Customer Data includes such information, Google agrees to be considered a "School Official" (as that term is used in FERPA) and will comply with FERPA, as applicable to its provision of the Services as a School Official. This Section 2.1 (Family Education Rights and Privacy Act) applies only to Google Workspace for Education Services currently certified against ISO 27018 as described at <https://cloud.google.com/security/compliance>.

2.3 Additional Illinois Terms. The parties agree to the terms set forth in this Section 2.2:

- (a) Categories of Customer Data. The categories of Customer Data are listed in Appendix 1 of the Data Processing Amendment. "Data Processing Amendment" means the then-current terms describing data protection and processing obligations with respect to Customer Data, as described at https://gsuite.google.com/terms/dpa_terms.html.
- (b) Description of Services. A description of Google Workspace for Education Service provided by Google is set forth in the Services Summary located at https://workspace.google.com/terms/user_features.html.
- (c) Additional FERPA Statement. Pursuant to FERPA, Google will: (a) act as a school official with a legitimate educational interest; (b) perform an institutional service or function under the direct control of Customer with respect to the processing of covered information for which Customer would otherwise use employees; (c) use the covered information only for a purpose authorized by Customer under applicable law; and (d) not re-disclose it to third parties or Affiliates except as authorized under the Agreement or with permission from Customer or

pursuant to court order, unless otherwise permitted under applicable law. "Covered information" as used in this paragraph has the meaning set forth in 105 Ill. Comp. Stat. 85/5 as amended.

- (d) Data Incident. If a Data Incident is attributed to Google, Google will be liable for its own costs and expenses for its actions taken pursuant to Section 7.2 (Data Incidents) of the Data Processing Amendment. Customer will be liable for its costs and expenses incurred in investigating and remediating the Data Incident.
- (e) Data Deletion. Google will delete Customer Data in accordance with Section 6 (Data Deletion) of the Data Processing Amendment.
- (f) Publication. Customer will make available for public inspection on Customer's website or, if Customer does not have a website, then at Customer's administrative office, this section 2 along with the Data Processing Amendment, and the definition of "Services" set forth herein. "Services" means the then-current Core Services and Other Services described at https://workspace.google.com/terms/user_features.html.

3. Google Workspace for Education Privacy Notice. Google Workspace for Education Privacy Notice is meant to help Google Workspace for Education users and parents understand what data, and for what purposes such data is collected by Google during the provision of Google Workplace for Education Services. The Google Workspace for Education Privacy Notice includes information about Google privacy practices that are specific to Google Workspace for Education and summarizes the most relevant portions of the Google Privacy Policy, which provides additional examples and explanations that may be useful to Customers. Collected data includes information about Customers' payments and transactions, settings and configurations, product usage, and direct communications with Google, but excludes Customer or Customer End User personal information provided by Google through the services. "Google Workspace for Education Privacy Notice" means the notice at the following URL: https://workspace.google.com/terms/education_privacy.html, or such other URL as Google may provide.

4. Miscellaneous. All other terms and conditions of the Agreement shall remain unchanged and in full force and effect.
