Powering Your School's Identity

Apptegy started in 2014 with the goal of enabling schools to build a strong brand and communicate more effectively with their audiences. In 2015, we worked with our first three beta clients. Today, in 2020 we've partnered with schools and districts in 49 states (and counting!) to build their website, custom mobile app, and the alert and notification system.

What Makes Us Different

1 **Thrillshare's Ease of Use**

With our publishing platform, Thrillshare, **you don't need to have any programming knowledge** to update your district's website, app or notification system. Now promoting your success stories across all communication channels can be done right from your smartphone.

"

I have to tell you, this platform is GREAT. Thrillshare simplifies the process of posting things to various school online resources to the point where I can see where we will be sharing so much with

2 **The User Experience for Your Community**
