

EXHIBIT E: GENERAL OFFERS OF TERMS

Page 1 of 2: OFFER OF TERMS

Provider and the Subscribing LEA (named below) agree by signing this General Offer of Privacy Terms ("General Offer") that they are bound by the same terms as the DPA between Provider and Tooele County School District ("Originating LEA") dated 08/19/2025.

Provider and Subscribing LEA agree that the information below will be replaced throughout the DPA with the information specific to the Subscribing LEA filled in below for the Subscribing LEA. This General Offer shall extend only to the terms set forth in this DPA and shall not necessarily bind Provider or Subscribing LEA to any other terms entered into between Provider and Originating LEA. Any commercial terms, such as price, term, or schedule of Services, relating to Subscribing LEA's use of the Provider's Services shall be determined solely between Provider and Subscribing LEA.

If Provider makes changes to Exhibit "A" or Exhibit "B" in accordance with sections 1.2 and 1.3 respectively, Provider must complete the Addendum template provided by the A4L Community and notify the Originating LEA and all Subscribing LEAs in accordance with the notification provisions of this DPA, of the Addendum's existence and contents. With regard to a Subscribing LEA, an Addendum is automatically incorporated into this DPA when Subscribing LEA is notified by Provider. If an Addendum modifies Exhibit "B", the LEA will have thirty (30) days from receipt to object. If no written objection is received it will become incorporated into the DPA between the parties.

The Provider may withdraw the General Offer (for future use or for LEAs that have not already accepted it) in the event of: (1) a material change in the applicable privacy statutes; or (2) a material change in the Services and products listed in the Service Agreement. Notification of a withdrawal shall be submitted to ndpa_requests@A4L.org.

Subscribing LEAs shall send the signed Exhibit "E" to Provider at the following email address:

The below signatory confirms they are authorized to bind their institution to this DPA as in its entirety.

Originating LEA: Tooele County School District

Provider Name: Raptor Technologies, LLC

VisitorSafe formerly Visitor Management (VM)

VisitorSafe is Raptor's advanced visitor management solution designed to enhance school safety and streamline the visitor experience. The system uses sophisticated identity verification technology to screen all visitors in real time against national sex offender registries and custom school or district watchlists, ensuring that only authorized and safe individuals are allowed on campus. VisitorSafe supports both self-service and operator-assisted check-in modes and can be deployed flexibly on a variety of devices, including Macs, PCs, iPads, and Android tablets, at any entry point or event location.

The platform simplifies the check-in process for all types of visitors—such as parents, contractors, volunteers, and event attendees—by offering features like pre-registration with QR codes and digital passports for frequent visitors, enabling quick and secure access. Integration with the Raptor Safe mobile app allows for real-time notifications and communication, while automated registration and detailed activity logs support compliance, reporting, and continuous safety improvements. VisitorSafe is designed to adapt to each school's operational needs, providing a secure, efficient, and welcoming environment for the entire school community.

VolunteerSafe formerly Visitor Management (VoM)

VolunteerSafe is Raptor's modern volunteer management solution for schools and districts, designed to streamline every aspect of volunteer registration, onboarding, background checks, and activity tracking. The system automates the application process, allowing volunteers to apply online and securely save and resume their progress. Integrated background screening ensures compliance with safety policies, and expiration reminders help maintain up-to-date records. Administrators can customize requirements, documents, and affiliations, and manage approved volunteer lists centrally. VolunteerSafe supports both web and mobile experiences, including integration with the Raptor Safe app for seamless access and improved authentication. The platform enables event management, hour tracking, and real-time notifications, making it easy for coordinators to recruit, schedule, and monitor volunteers across all buildings. By combining robust safety controls with flexible configuration and reporting, VolunteerSafe helps schools foster community engagement while maintaining a safe and compliant environment for students and staff.
