GENERAL OFFER OF PRIVACY TERMS

1. Offer of Terms

Provider offers the same privacy protections found in this DPA between it and Oak Grove School District and which is dated 03/02/2017 to any other LEA ("Subscribing LEA") who accepts this General Offer through its signature below. This General Offer shall extend only to privacy protections and Provider's signature shall not necessarily bind Provider to other terms, such as price, term, or schedule of services, or to any other provision not addressed in this DPA. The Provider and the other LEA may also agree to change the data provided by LEA to the Provider to suit the unique needs of the LEA. The Provider may withdraw the General Offer in the event of: (1) a material change in the applicable privacy statutes; (2) a material change in the services and products subject listed in the Originating Service Agreement; or three (3) years after the date of Provider's signature to this Form. Provider shall notify the California Student Privacy Alliance in the event of any withdrawal so that this information may be transmitted to the Alliance's users.

Starfall Education Foundation does not collect or store personally identifiable information from children. We do not require children to provide personal information to use and access our services. When Starfall is accessed we receive generic information about the visitor's IP address, browser, operating system, or mobile device. These server logs are kept on our servers, which are secured on a private internal network behind a firewall, accessible remotely only by Starfall systems engineers, and stored in a secure off-site hosting facility. Again, this information contains nothing personally identifiable about our users.

Regards,

A handwritten signature in black ink that reads "Gregory Boubel".
