(4) LEA shall provide notice and facts surrounding the breach to the affected students, parents or guardians.

(5) In the event of a breach originating from LEA’s use of the Service, Provider shall cooperate with LEA to the extent necessary to expeditiously secure Student Data.

ARTICLE VI: GENERAL OFFER OF TERMS

Provider may, by signing the attached form of “General Offer of Privacy Terms” (General Offer, attached hereto as Exhibit “E”), be bound by the terms of Exhibit “E” to any other LEA who signs the acceptance on said Exhibit. The form is limited by the terms and conditions described therein.

ARTICLE VII: MISCELLANEOUS

1. Termination. In the event that either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated. 3. Priority of Agreements. This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability**. Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.

6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.

7. **Successors Bound**. This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.

8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

IXL Information Security Policies and Procedures

Introduction
IXL’s information security is a top priority to the company. IXL employs reasonable organizational and technical means to prevent unauthorized access, use, alteration, or disclosure of customer data stored on systems under IXL’s control.

1. **Access to customer data.** IXL limits its personnel’s access to customer data as follows:
   - Requires unique user credentials and two-factor authentication to access network environments containing user data;
   - External connections to all production systems are limited to encrypted and secure protocols, and governed by firewall rules that grant the minimal amount of access required to perform required functions; and
   - Limits access to customer data to employees with a business need for access.

2. **Data encryption.** IXL provides encryption for customer data as follows:
   - Network connections to IXL’s production environment utilize Transport Layer Security (TLS) or Secure Shell (SSH);
   - All data stored in IXL’s production environment is encrypted at rest using AES-256 bit encryption; and
   - All data stored on IXL-owned laptops is encrypted at rest.

3. **Data Security Measures**
   - IXL employs automated log collection and audit trails for production systems.
   - Connections originating from untrusted networks segments will be governed by firewall rules and other security safeguards that grant the minimal access required to access the intended service provided by the company.
   - System passwords and access keys are stored in a privileged location accessible only to IXL security administrators, and all credentials are changed from factory default settings.
   - Production systems receive regular maintenance to apply security patches; and
   - Physical access to systems requires security RFID badges and biometric authentication, and is limited to IT staff performing physical maintenance.

4. **Independent security assessments.** IXL utilizes the following third-party services to evaluate and certify IXL’s security methodology:
   - Undergoes monthly third-party network vulnerability scanning and assessment tests;
   - Maintains PCI-DSS Compliance Level 2; and
   - Randomly selects employees for security assessment practical examination on an ongoing basis.
5. **Incident response.** In the event of a data breach, a thorough post mortem will be conducted to identify the cause and scope of the breach, systems will be patched in a timely manner if necessary, and changes to security methodology will be implemented if warranted. IXL will also comply with any contractual and legal obligations regarding notification of data breaches.

6. **Personnel Management.** IXL requires its employees to conform to information security standards as follows:
   - Performs employment verification, including proof of identity validation and criminal background checks for all new hire;
   - Conducts on-going training with IXL employees on network security practices and company data handling procedures; and
   - Revokes employee access to IXL networks and services upon departure from the company.

7. **Modifications to policy.** From time to time, IXL may modify this policy and its security procedures, but will not materially reduce the overall level of information security. IXL will provide any updates to policy upon request.

Supplemental SDPC State Terms for Texas
Version 1.0

This Exhibit "G", Supplemental SDPC State Terms for Texas ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between [Ferris ISD] (the "Local Education Agency" or "LEA") and [_____] (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Covered Data.** All instances of "Student Data" should be replaced with "LEA Data". The protections provided within this DPA extend to all data provided to or collected by the Provider.

2. **Compliance with Texas Privacy Laws and Regulations.** In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all Texas laws and regulations pertaining to LEA data privacy and confidentiality, including but not limited to the Texas Education Code Chapter 32, and Texas Government Code Chapter 560.

3. **Modification to Article III, Section 2 of the DPA.** Article III, Section 2 of the DPA (Annual Notification of Rights.) is amended as follows:

   **Annual Notification of Rights.** If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its annual notification of rights.

   **Consider Provider as School Official.** The Parties agree that Provider is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records received from the LEA pursuant to the DPA. For purposes of the Service Agreement and this DPA, Provider: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from the education records received from the LEA.

4. **Modification to Article V, Section 4 of the DPA.** Article V, Section 4 of the DPA (Data Breach) is amended with the following additions: (6) For purposes of defining an unauthorized disclosure or security breach, this definition specifically includes meanings assigned by Texas law, including applicable provisions in the Texas Education Code and Texas Business and Commerce Code.

   (7) The LEA may immediately terminate the Service Agreement if the LEA determines the Provider has breached a material term of this DPA. (8) The Provider’s obligations shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.
5. **Modification to Article VII, Section 4 of the DPA.** Article VI, Section 4 of the DPA (Annual Notification of Rights.) is amended as follows:

   **Entire Agreement.** This DPA and the Service Agreement constitutes the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

6. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:

   a. Providing notification to the employees or parents of those students whose LEA Data was compromised and regulatory agencies or other entities as required by law or contract;

   b. Providing credit monitoring to those employees or students whose LEA Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the employee’s or student’s credit or financial security;

   c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and

   d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.

7. **No Exhibit E without unaltered DPA including Texas Addendum.** Any alterations are only allowed in Exhibit “H”. Any terms under Exhibit “H” do not apply to Exhibit “E” and render Exhibit “E” null and void.
