EXHIBIT "G"**Supplemental SDPC State Terms for Texas**

Version 1.0

This **Exhibit "G"**, Supplemental SDPC State Terms for Texas ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between [NORTH EAST ISD] (the "Local Education Agency" or "LEA") and [UT Austin - Engineer] (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Covered Data.** All instances of "Student Data" should be replaced with "LEA Data". The protections provided within this DPA extend to all data provided to or collected by the Provider.
2. **Compliance with Texas Privacy Laws and Regulations.** In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all Texas laws and regulations pertaining to LEA data privacy and confidentiality, including but not limited to the Texas Education Code Chapter 32, and Texas Government Code Chapter 560.
3. **Modification to Article III, Section 2 of the DPA.** Article III, Section 2 of the DPA (Annual Notification of Rights.) is amended as follows:

~~**Annual Notification of Rights.** If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its annual notification of rights.~~

Consider Provider as School Official. The Parties agree that Provider is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records received from the LEA pursuant to the DPA. For purposes of the Service Agreement and this DPA, Provider: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from the education records received from the LEA.

4. **Modification to Article V, Section 4 of the DPA.** Article V, Section 4 of the DPA (Data Breach.) is amended with the following additions: (6) For purposes of defining an unauthorized disclosure or security breach, this definition specifically includes meanings assigned by Texas law, including applicable provisions in the Texas Education Code and Texas Business and Commerce Code. (7) The LEA may immediately terminate the Service Agreement if the LEA determines the Provider has breached a material term of this DPA. (8) The Provider's obligations shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

5. **Modification to Article VII, Section 4 of the DPA.** Article VI, Section 4 of the DPA (Annual Notification of Rights.) is amended as follows:

Entire Agreement. This DPA ~~and the Service Agreement~~ constitutes the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

6. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:
- a. Providing notification to the employees or parents of those students whose LEA Data was compromised and regulatory agencies or other entities as required by law or contract;
 - b. Providing credit monitoring to those employees or students whose LEA Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the employee's or student's credit or financial security;
 - c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
 - d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.
7. **No Exhibit E without unaltered DPA including Texas Addendum.** Any alterations are only allowed in **Exhibit "H"**. Any terms under **Exhibit "H"** do not apply to **Exhibit "E"** and render **Exhibit "E"** null and void.

EXHIBIT "H"

Additional Terms or Modifications

ARTICLE V: DATA PROVISIONS

Data Breach

(6) In the event of a breach arising from Provider's intentional misconduct or negligence, Provider agrees to indemnify the LEA from and against any and all claims brought by a parent and/or student for damages from such a breach, to include any costs of defense to litigation.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

Notices and disclosures about using DocuSign will be sent to you electronically

Please read the information below carefully and thoroughly. If you agree to these terms and conditions of conducting DocuSign electronic transactions with The University of Texas at Austin (we, us, or company), confirm your agreement by checking the box “I agree to use electronic records and signatures” on the DocuSign signing interface. Contact rms@austin.utexas.edu if you cannot access the full Electronic Record and Signature Disclosure document to your satisfaction.

You have the right to decline to conduct this transaction electronically. If you elect to decline to conduct this transaction electronically, contact the sender of the document by replying to the email you received from dse@docusign.net and work with the sender to complete and sign your documents outside of DocuSign. Refer to the section “Withdrawing Your Consent” below for further information about declining to conduct this transaction electronically.

Unless you tell us otherwise in accordance with the procedures described herein, once you have agreed to use electronic records and signatures, we will provide required notifications and disclosures via secure link sent to the email you have provided us.

Copies of documents signed via DocuSign (see below for Transcript purchases)

You can view, download an electronic copy, or print a paper copy of any completed document that you have DocuSigned to transact business with The University of Texas at Austin by using the document link in your DocuSign notification.

The option to directly obtain copies of your completed DocuSign document from the link in the notification email is available for at least 14 days after the notification of completion date. If you need a copy of your DocuSigned document and you can no longer directly access it, you must contact the sender or university department listed as the sender from your DocuSign notification email. Documents will be available from the sender for at least as long as the period required in the University Records Retention Schedule. Charges, if any, for copies will be billed at that time.

[Note that transcript purchases using DocuSign as a method of secure delivery are not electronic signature transactions. The recipient cannot print or download a transcript directly from DocuSign, however, when they receive the DocuSign notification email, they will have an option to access and view a facsimile using the access code that was provided by the sender. This facsimile is downloadable and printable. If a paper copy is needed, the sender must select this as an option from the transcript request system. Information regarding University of Texas at Austin Transcripts including instructions for requesting printed transcripts can be found at <http://registrar.utexas.edu/students/transcripts> or by emailing the Registrar’s office at transcripts@austin.utexas.edu.]

Withdrawing your consent

If you agree to receive notices, disclosures, and documents from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices, disclosures, and documents only in email attachment or paper format. (Please note some transactions may not be conducted via email due to security requirements.) You must inform us of your decision to receive future notices, disclosures, or documents in email attachment or paper format and withdraw your consent to receive notices, disclosures, and documents electronically as described below.

To withdraw your consent with University of Texas at Austin

To inform us that you no longer want to receive future notices and disclosures in electronic format you may:

1. decline to sign a document from within the DocuSign signing interface, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
2. send an email to the document sender by replying to the DocuSign notice you received from dse@docuSign.net and in the body of such request you must state that you are withdrawing your consent to do electronic business with us via DocuSign and include your email address, full name, and telephone number. We do not need any other information from you to withdraw consent. After withdrawing your consent, you can in the future once again agree to do electronic business with us.

Consequences of withdrawing your consent

If you elect to receive required notices, disclosures, and documents only in email attachment or paper format, it will slow the speed at which we can complete certain steps in transactions with you and in delivering services to you because we will need first to send the required notices, disclosures, or documents to you in email attachment or paper format, and then wait until we receive back from you your acknowledgment of your receipt of such email attachment or paper notices or disclosures.

How to contact University of Texas at Austin:

You can reply to the sender of your document by replying to the notice from dse@docuSign.net for that specific transaction. For additional assistance with using DocuSign to conduct business with us you may contact us at rms@austin.utexas.edu.
