EXHIBIT "G"**Supplemental SDPC State Terms for [State]**Version 1

Providers/Operators are to comply with the Florida Student Online Personal Information Protection Act, Florida Statute 1006.1494. This Act (effective 7/1/2023 and initiated from SB 662 in 2023) establishes new and different terms than those outlined in the National Student Data Privacy Agreement contained herein. Providers/Operators are subject to all of the Act's privacy terms, including, but not limited to the following:

- 1) An operator may not knowingly do any of the following:
 - a) Engage in targeted advertising on the operator's site, service, or application, or targeted advertising on any other site, service, or application if the targeting of the advertising is based on any information, including covered information and persistent unique identifiers, which the operator has acquired because of the use of that operator's site, service or application for K-12 school purposes.
 - b) Use covered information, including persistent unique identifiers, created, or gathered by the operator's site service, or application to amass a profile of a student, except in furtherance of k-12 school purposes.
 - c) Share, sell, or rent a student's information, including covered information

- 2) An operator shall do all the following:
 - a) Collect no more covered information that is reasonably necessary to operate an Internet website, online service, online application, or mobile application....
 - b) Implement and maintain reasonable security procedures and practices appropriate to the nature of the covered information which are designed to protect it from unauthorized access destruction, use, modification, or disclosure.
 - c) Unless a parent or guardian expressly consents to the operator retaining a student's covered information, delete the covered information at the conclusion of the course, or corresponding program and no later than 90 days after a student is no longer enrolled in a school within the district, upon notice by the school district.
