**EXHIBIT "G"****Supplemental SDPC State Terms for Texas**  
Version 1.0

This **Exhibit "G"**, Supplemental SDPC State Terms for Texas ("Supplemental State Terms"), effective simultaneously with the attached Student Data Privacy Agreement ("DPA") by and between [Eagle Mountain-Sagin] (the "Local Education Agency" or "LEA") and [K12 Insight, LLC] (the "Provider"), is incorporated in the attached DPA and amends the DPA (and all supplemental terms and conditions and policies applicable to the DPA) as follows:

1. **Covered Data.** All instances of "Student Data" should be replaced with "LEA Data". The protections provided within this DPA extend to all data provided to or collected by the Provider.
2. **Compliance with Texas Privacy Laws and Regulations.** In performing their respective obligations under the Agreement, the LEA and the Provider shall comply with all Texas laws and regulations pertaining to LEA data privacy and confidentiality, including but not limited to the Texas Education Code Chapter 32, and Texas Government Code Chapter 560.
3. **Modification to Article III, Section 2 of the DPA.** Article III, Section 2 of the DPA (Annual Notification of Rights.) is amended as follows:

~~**Annual Notification of Rights.** If the LEA has a policy of disclosing Education Records and/or Student Data under FERPA (34 CFR § 99.31(a)(1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its annual notification of rights.~~

**Consider Provider as School Official.** The Parties agree that Provider is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records received from the LEA pursuant to the DPA. For purposes of the Service Agreement and this DPA, Provider: (1) provides a service or function for which the LEA would otherwise use employees; (2) is under the direct control of the LEA with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from the education records received from the LEA.

4. **Modification to Article V, Section 4 of the DPA.** Article V, Section 4 of the DPA (Data Breach.) is amended with the following additions: (6) For purposes of defining an unauthorized disclosure or security breach, this definition specifically includes meanings assigned by Texas law, including applicable provisions in the Texas Education Code and Texas Business and Commerce Code. (7) The LEA may immediately terminate the Service Agreement if the LEA determines the Provider has breached a material term of this DPA. (8) The Provider's obligations shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

5. **Modification to Article VII, Section 4 of the DPA.** Article VI, Section 4 of the DPA (Annual Notification of Rights.) is amended as follows:

**Entire Agreement.** This DPA ~~and the Service Agreement~~ constitutes the entire agreement of the Parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the Parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

6. **Reimbursement of Expenses Associated with Security Breach.** In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, including but not limited to costs and expenses associated with:
- a. Providing notification to the employees or parents of those students whose LEA Data was compromised and regulatory agencies or other entities as required by law or contract;
  - b. Providing credit monitoring to those employees or students whose LEA Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the employee's or student's credit or financial security;
  - c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA as a result of the security breach; and
  - d. Providing any other notifications or fulfilling any other requirements adopted by the Texas State Board of Education, Texas Education Agency, or under other State or federal laws.
7. **No Exhibit E without unaltered DPA including Texas Addendum.** Any alterations are only allowed in **Exhibit "H"**. Any terms under **Exhibit "H"** do not apply to **Exhibit "E"** and render **Exhibit "E"** null and void.

**EXHIBIT "H"****Additional Terms or Modifications**

Version

LEA and Provider agree to the following additional terms and modifications:

1. Notwithstanding anything to the contrary in the DPA: (i) LEA understands that the service does not include any feature or ability to create or maintain a separate student account; and (ii) Provider will not be liable or responsible for providing any such feature or ability.

2. Article V, Paragraph 2 is deleted in its entirety and replaced with the following: No more than once a year, or following unauthorized access, upon receipt of a written request from the LEA with at least ten (10) business days' notice and upon the execution of an appropriate confidentiality agreement, the Provider will provide copies of its certifications and its annual third-party audits (i.e. ISO, SOC) for its procedures and systems, to the LEA. The Provider will cooperate reasonably with any local, state, or federal agency with oversight authority or jurisdiction in connection with any audit or investigation of the Provider and/or delivery of Services to students and/or LEA, and shall provide reasonable access to the Provider's facilities, staff, agents and LEA's Student Data and all records pertaining to the Provider, LEA and delivery of Services to the LEA. Failure to reasonably cooperate shall be deemed a material breach of the DPA.

3. The use of Provider's services is subject to the Provider's Terms of Service available at <https://www.k12insight.com/terms-of-service/> and Privacy Policy available at <https://www.k12insight.com/privacy-policy/>.

4. Notwithstanding anything to the contrary in this DPA (including the Exhibits thereto) and to the maximum extent permitted by applicable law, (a) Provider's liability for damages under this DPA (including the Exhibits thereto) are limited to direct monetary damages, and in no event will the amount of such damages exceed the aggregate fees paid by LEA within the past year of service, and (b) in no event will Provider be liable for providing substitute services or any indirect, consequential, incidental, or special damages, including but not limited to damages resulting from, lost profits, lost revenue, lost data, inability to use the Services, whether in an action in contract or tort, even if Provider has been advised of the possibility of such damages and notwithstanding any failure of essential purpose. LEA acknowledges that Provider has set its prices and entered into this agreement in reliance on the above limitation of liability and the same forms an essential basis for the bargain between the Parties. The exclusions and limitations of liability specified above will not apply to the extent prohibited by applicable law.
