

EDUCATION LAW 2-d RIDER

New York State Education Law 2-d was enacted in 2014 to address concerns relative to securing certain personally identifiable information. In order to comply with the requirements of Education Law 2-d, educational agencies and certain third-party contractors who contract with educational agencies must take certain additional steps to secure such data. These steps include enacting and complying with a Parents' "Bill of Rights" relative to protected data, ensuring that each third-party contractor has a detailed data privacy plan in place to ensure the security of such data, and that each third-party contractor sign a copy of the educational agency's Parents' Bill of Rights, thereby signifying that the third-party contractor will comply with such Parents' Bill of Rights. This Agreement is subject to the requirements of Education Law 2-d and Vendor is a covered third-party contractor.

In order to comply with the mandates of Education Law 2-d, and notwithstanding any provision of the Agreement between Byron-Bergen Central School District (the School) and Vendor to the contrary, Vendor agrees as follows:

Vendor will treat "Protected Data" (as defined below) as confidential and shall protect the nature of the Protected Data by using the same degree of care, but not less than a reasonable degree of care, as the Vendor uses to protect its own confidential data, so as to prevent the unauthorized dissemination or publication of Protected Data to third parties. Vendor shall not disclose Protected Data other than to those of its employees or agents who have a need to know such Protected Data under this Agreement. Vendor shall not use Protected Data for any other purposes than those explicitly provided for in this Agreement. All Protected Data shall remain the property of the disclosing party. As more fully discussed below, Vendor shall have in place sufficient internal controls to ensure that the Schools' and/or Participants' Protected Data is safeguarded in accordance with all applicable laws and regulations, including, but not limited to, CIPA, FERPA and HIPAA, if applicable.

"Protected Data" includes any information rendered confidential by State or federal law, including, but not limited to student data, student demographics, scheduling, attendance, grades, health and discipline tracking, and all other data reasonably considered to be sensitive or confidential data by the School and/or a Participant. Protected Data also includes any information protected under Education Law 2-d including, but not limited to:

"Personally identifiable information" from student records of the School and/or its Participants as that term is defined in §99.3 of the Family Educational Rights and Privacy Act (FERPA),

-AND-

Personally identifiable information from the records of the School and/or its Participants relating to the annual professional performance reviews of classroom teachers or principals that is confidential and not subject to release under the provisions of Education Law 3012-c.

Vendor and/or any subcontractor, affiliate, or entity that may receive, collect, store, record or display any Protected Data shall comply with New York State Education Law §2-d. As applicable, Vendor agrees to comply with School policy(ies) on data security and privacy. Vendor shall promptly reimburse the School and/or its Participants for the full cost of notifying a parent, eligible student, teacher, or principal of an unauthorized release of Protected Data by Vendor, its subcontractors, and/or assignees. Such reimbursement and any indemnification shall be limited to the amount paid to Vendor pursuant to the express underlying agreement between the parties which is the subject of this Rider. This Rider only applies to such information collected pursuant to express contracts between the parties. In the event this Agreement expires, is not renewed or is terminated and upon notice to Vendor specifying the data which was shared with Vendor pursuant to the express underlying contract between the parties, Vendor shall return all of the Schools' and/or it's Participants' data, including any and all Protected Data, in its possession by secure transmission. Vendor may retain data which has been deidentified. Vendor may retain data for legal purposes. The parties agree that the Terms of Service of Blooket.com shall govern the underlying relationship between the parties. This agreement shall only apply to the purchase of services of Vendor.

Data Security and Privacy Plan

Vendor and/or any subcontractor, affiliate, or entity that may receive, collect, store, record or display any of the School and/or its Participant's Protected Data, shall maintain a Data Security and Privacy Plan that includes the following elements:
