NOW THEREFORE, for good and valuable consideration, the parties agree as follows:

ARTICLE I: PURPOSE AND SCOPE

1. **Nature of Services Provided.** The Operator has agreed to provide digital educational services as outlined in Exhibit A and the Agreement.
2. **Purpose of DPA.** For Operator to provide services to the LEA it may become necessary for the LEA to share certain LEA Data. This DPA describes the Parties’ responsibilities to protect Data.
3. **Data to Be Provided.** In order for the Operator to perform the Services described in the Service Agreement, LEA shall provide the categories of data described in the Schedule of Data, attached as Exhibit B.
4. **DPA Definitions.** The definitions of terms used in this DPA are found in Exhibit C. In the event of a conflict, definitions used in this DPA shall prevail over terms used in the Service Agreement.

The duty to dispose of Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a "Request for Return or Deletion of Data" FORM, a sample of this form is attached on Exhibit "D"). Upon receipt of a request from the LEA, the Operator will immediately provide the LEA with any specified portion of the Data within five (5) business days of receipt of said request.

5. **Targeted Advertising Prohibition.** Operator is prohibited from using or selling Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Operator; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Data for the development of commercial products or services, other than as necessary to provide the Service to LEA. This section does not prohibit Operator from generating legitimate personalized learning recommendations.
6. **Access to Data.** Operator shall make Data in the possession of the Operator available to the LEA within five (5) business days of a request by the LEA.

ARTICLE V: DATA PROVISIONS

1. **Data Security.** The Operator agrees to abide by and maintain adequate data security measures, consistent with industry standards and technology best practices, to protect Data from unauthorized disclosure or acquisition by an unauthorized person. The general security duties of Operator are set forth below. Operator shall further detail its security programs and measures in Exhibit F. These measures shall include, but are not limited to:
 - a. **Passwords and Employee Access.** Operator shall secure usernames, passwords, and any other means of gaining access to the Services or to Data, at a level consistent with an industry standard agreed upon by LEA (e.g. suggested by Article 4.3 of NIST 800-63-3). Operator shall only provide access to Data to employees or subprocessors that are performing the Services. Employees with access to Data shall have signed confidentiality agreements regarding said Data. All employees with access to Data shall pass criminal background checks.
 - b. **Security Protocols.** Both parties agree to maintain security protocols that meet industry best practices in the transfer or transmission of any data, including ensuring that data may only be viewed or accessed by parties legally allowed to do so. Operator shall maintain all data obtained or generated pursuant to the Service Agreement in a secure computer environment.
 - c. **Employee Training.** The Operator shall provide periodic security training to those of its employees who operate or have access to the system.
 - d. **Security Technology.** When the Services are accessed using a supported web browser, Secure Socket Layer ("SSL") or equivalent technology shall be employed to protect data from unauthorized access. The service security measures shall include server authentication and data encryption. Operator shall host data pursuant to the Service Agreement in an environment using a firewall that is periodically updated according to industry standards.
 - e. **Security Contact.** Operator shall provide the name and contact information of Operator's Security Contact on Exhibit F. The LEA may direct security concerns or questions to the Security Contact.
 - f. **Periodic Risk Assessment.** Operator shall conduct periodic risk assessments and remediate any identified security and privacy vulnerabilities in a timely manner. Upon request, Operator will provide the LEA an executive summary of the risk assessment or equivalent report and confirmation of remediation.

- g. Backups.** Operator agrees to maintain backup copies, backed up at least daily, of Data in case of Operator's system failure or any other unforeseen event resulting in loss of any portion of Data.
 - h. Audits.** Within 30 days of receiving a request from the LEA, and not to exceed one request per year, the LEA may audit the measures outlined in the DPA. The Operator will cooperate fully with the LEA and any local, state, or federal agency with oversight authority/jurisdiction in connection with any audit or investigation of the Operator and/or delivery of Services to students and/or LEA, and shall provide full access to the Operator's facilities, staff, agents and LEA's Data and all records pertaining to the Operator, LEA and delivery of Services to the Operator. Failure to cooperate shall be deemed a material breach of the DPA. The LEA may request an additional audit if a material concern is identified.
 - i. Incident Response.** Operator shall have a written incident response plan that reflects best practices and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of any portion of Data, including PII, and agrees to provide LEA, upon request, an executive summary of the written incident response plan.
- 2. Data Breach.** When Operator reasonably suspects and/or becomes aware of an unauthorized disclosure or security breach concerning any Data covered by this Agreement, Operator shall notify the District within 24 hours. The Operator shall take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If the incident involves criminal intent, then the Operator will follow direction from the Law Enforcement Agencies involved in the case.
- a.** The security breach notification to the LEA shall be written in plain language, and address the following

 - 1. A list of the types of personal information that were or are reasonably believed to have been the subject of a breach.
 - 2. A description of the circumstances surrounding the disclosure or breach, including the actual or estimated, time and date of the breach, and Whether the notification was delayed as a result of a law enforcement investigation.
 - b.** Operator agrees to adhere to all requirements in applicable state and federal law with respect to a Data breach or disclosure, including any required responsibilities and procedures for notification or mitigation
 - c.** In the event of a breach or unauthorized disclosure, the Operator shall cooperate fully with the LEA, including, but not limited to providing appropriate notification to individuals impacted by the breach or disclosure. Operator will reimburse the LEA in full for all costs incurred by the LEA in investigation and remediation of any Security Breach caused in whole or in part by Operator or Operator's subprocessors, including but not limited to costs of providing notification and providing one year's credit monitoring to affected individuals if PII exposed during the breach could be used to commit financial identity theft.
 - d.** The LEA may immediately terminate the Service Agreement if the LEA determines the Operator has breached a material term of this DPA.
 - e.** The Operator's obligations under Section 7 shall survive termination of this DPA and Service Agreement until all Data has been returned and/or Securely Destroyed.

ARTICLE VI- GENERAL OFFER OF PRIVACYTERMS

1. **General Offer of Privacy Terms.** Operator may, by signing the attached Form of General Offer of Privacy Terms (General Offer, attached as Exhibit E), be bound by the terms of this DPA to any other LEA who signs the acceptance in said Exhibit.

**ARTICLE VII:
MISCELLANEOUS**

1. **Term.** The Operator shall be bound by this DPA for the duration of the Service Agreement or so long as the Operator maintains any Data. Notwithstanding the foregoing, Operator agrees to be bound by the terms and obligations of this DPA for no less than three (3) years.
2. **Termination.** In the event that either party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated.
3. **Effect of Termination Survival.** If the Service Agreement is terminated, the Operator shall dispose of all of LEA's Data pursuant to Article IV, section 5.
4. **Priority of Agreements.** This DPA shall govern the treatment of Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes cited in this DPA. In the event there is conflict between the terms of the DPA and the Service Agreement, or with any other bid/RFP, license agreement, terms of service, privacy policy, or other writing, the terms of this DPA shall apply and take precedence. Except as described in this paragraph, all other provisions of the Service Agreement shall remain in effect.

The failure to exercise any right under this DPA shall not operate as a waiver of such right. All rights and remedies provided for in this DPA are cumulative. Nothing in this DPA shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of the LEA, its trustees, officers, employees, and agents as a result of the execution of this DPA or performance of the functions or obligations described herein.
11. **Assignment.** The Parties may not assign their rights, duties, or obligations under this DPA, either in whole or in part, without the prior written consent of the other Party except that either party may assign any of its rights and obligations under this DPA without consent in connection with any merger (including without limitation by operation of law), consolidation, reorganization, or sale of all or substantially all of its related assets or similar transaction.
