

Master License and Service Agreement

This Master License and Service Agreement ("Agreement" or "MLSA") is made and entered into by and between **Liminex, Inc. dba GoGuardian, acting on behalf of itself and its affiliates, including Pear Deck, Inc. and Snapwiz Inc. dba Edulastic** ("Vendor" or "GoGuardian"), having its principal offices at 2030 East Maple Avenue, El Segundo, California 94025, and the **Board of Cooperative Educational Services for the First Supervisory District, Erie County** ("Customer"), having its principal offices at 355 Harlem Road, West Seneca, NY 14224. Vendor and Customer are sometimes referred to herein, individually, as a "Party," and collectively, as the "Parties." "Vendor Parties" or "GoGuardian Parties" means GoGuardian, its affiliates, licensors, and suppliers, and their respective officers, directors, employees, shareholders, agents and representatives. This Agreement incorporates by this reference GoGuardian's Terms of Service and End User License Agreement available at <http://www.goguardian.com/eula.html> (as may be amended from time to time in accordance with the terms contained therein) (the "GoGuardian Terms"). In the event of a conflict between any provision in this MLSA and any provision in the GoGuardian Terms incorporated herein, the provision in this MLSA will govern, unless the provision in this MLSA expressly references the conflicting provision in the GoGuardian Terms and this MLSA expressly acknowledges that such conflicting provision shall apply.

Boards of Cooperative Educational Services ("BOCES"), including Customer, are municipal corporations organized and existing under Section 1950 of the New York Education Law, and are authorized to provide cooperative educational services to school districts in New York State pursuant to cooperative educational service agreements ("CoSers") approved by the New York State Education Department.

Regional Information Centers ("RICs"), organized and administratively aligned under a BOCES, provide shared technology and other educational support services on a regional basis to its BOCES' component school districts, and to other BOCES and school districts located within the RIC's respective region.

Cooperative educational services provided by a BOCES (by the BOCES itself, or if applicable, its respective RIC) include shared computer services, software, and technical training and support that are provided to school districts that enter into applicable CoSers.

Customer is authorized to issue requests for proposals, award and enter into contracts for the purchase of instructional software applications that can be made available to school districts as part of applicable approved CoSers, on behalf of itself and other BOCES across New York State that participate in a statewide Instructional Technology Contract Consortium ("NYSITCC"). Through Customer's procurement process, GoGuardian has been identified and accepted by Customer as a provider of GoGuardian Teacher, Pear Deck (Free and Paid), and Edulastic (Free and Paid), as more fully described herein (the "Product(s)").

As Customer and several other BOCES throughout New York State have expressed an interest in offering the Product(s) to school districts as part of the applicable approved CoSers,

Customer wishes to make the Product(s) available through the NYSITCC. "Participating BOCES" means any BOCES in New York, including Customer, participating in the NYSITCC that has a valid Cooperative Service Agreement permitting it to purchase Products under this Agreement and that executes a Purchase Order with Vendor under the terms of this Agreement for the use of Products by the BOCES or one or more of its school district Licensees. Each BOCES is an entity comprised of school districts in the state of New York. Only a school district served by one of the aforementioned BOCES may participate in this Agreement (a "school district Licensee") and only after its BOCES Board of Education has approved the resolution granting it that right and its BOCES executes a Purchase Order with Vendor on its behalf. Licenses of Products purchased by an individual BOCES will not be eligible for the pricing and terms under this Agreement unless and until it becomes a Participating BOCES as provided herein. Accordingly, the Parties have entered into this Agreement to set forth the terms upon which the Product(s) will be made available by Customer to itself and to other BOCES and school districts through the NYSITCC.

1. TERM and TERMINATION

1.1 Term of Agreement. The Effective Date of this Agreement shall be July 1, 2023. The initial term of this Agreement shall commence on the Effective Date and continue until 11:59 pm June 30, 2026 ("the Initial Term"), unless earlier terminated as otherwise set forth herein. The Initial Term may be extended for successive renewal terms of three (3) years (each a "Renewal Term") only by mutual execution by the Parties of either a written Amendment to this Agreement, or, a new Agreement.

1.2 Termination of Agreement. Either Party may terminate this Agreement for any reason prior to the expiration of its Initial Term (or the expiration of any Renewal Term) upon ninety (90) days' written notice to the other.

1.3 Termination by Customer. Customer shall have the right to terminate this Agreement at any time prior to the expiration of its Initial Term (or the expiration of any Renewal Term) in the event of Vendor's failure to cure any default or breach of this Agreement within (30) days written notice from Customer. If Customer terminates the Agreement under this provision, Customer, any other Authorized RIC/BOCES, shall (a) return all materials related to the Product(s) and (b) arrange with Vendor to remove the Product(s) from the computers located at the sites; and (c) then, upon Vendor's request, certify in writing to Vendor that the foregoing obligations were completed.

2. SCOPE OF SERVICES

Acting as an independent contractor, Vendor will provide the Product(s) and Services to each Licensee designated in a Purchase Order that is executed by a Participating BOCES and Vendor as more fully described and at the prices stated in **Exhibit A**, attached to this Agreement and incorporated by reference; each Licensee's access to and use of the Products shall be subject to GoGuardian Terms except to the extent to which any such terms are in conflict with the terms contained herein, in which case the terms of this Agreement shall control with respect to such Licensee. Any services related to the Product(s) to be provided by Vendor, including but not limited to consulting, educational, hosting, system administration, training or maintenance and

support services ("Services"), shall be as more fully described within this Agreement and at the prices stated in **Exhibit A**, attached to this Agreement and incorporated by reference.

3. GRANT OF LICENSE

3.1. The Product(s) are provided under license. Vendor grants to Customer, as a Participating BOCES in the NYSITCC on behalf of the Western New York Regional InformationCenter ("WNYRIC"), and to each other Participating BOCES that is a participant in the NYSITCC (and, where applicable, on behalf of its RIC), a non-assignable, revocable, non-transferable and non-exclusive license to utilize the Product(s) pursuant to the terms and conditions set forth herein. Vendor further grants to each individual school district Licensee that is designated in a Purchase Order as Licensee and contracts for the Product(s) with a BOCES through the NYSITCC by purchasing CoSer 6360 Instructional Technology Service and provides professional development by purchasing CoSer 6368 Model Schools, a non-assignable, revocable, non-transferable and non-exclusive license to utilize the Product(s) pursuant to the terms and conditions set forth herein. For purposes of the licenses granted by Vendor pursuant to this Agreement, Customer, each other Participating BOCES, and each individual school district designated in a Purchase Order as Licensee may also be referred to individually as a "Licensee" and collectively as "Licensees." Licensees shall not assign, sublicense or otherwise encumber or transfer the Product(s) without the prior written consent of the Vendor. Nothing herein shall act to transfer any interest in the Product(s) to any Licensee, and title to and ownership of the Product(s) shall at all times remain with the Vendor.

3.2 Vendor may terminate the license granted to a Licensee under this Agreement if the Licensee fails to comply with any terms and conditions of this Agreement that are specifically applicable to that entity as a Licensee. Within five (5) days of receipt of such termination, the Licensee shall return all materials related to the Product(s) and, to the extent applicable, arrange with Vendor to remove the Product(s) from the computers located at the Licensee's sites or under the direct control of Licensee.

3.3 Vendor warrants that it has full power and authority to grant the rights herein described. Vendor's obligation and liability under this Section 3 shall be to obtain any authorization necessary to make effective the grant of license to Licensees to use the Product(s), in such a manner or method as determined by Vendor, at Vendor's own cost and expense.

4. USE of PRODUCTS, PROTECTION of APPLICATION and CONFIDENTIAL INFORMATION

4.1 Product(s) shall be utilized only at such Licensee sites as shall be designated by the Participating BOCES (or utilized in a cloud environment as designated by Licensees) and shall be used solely for the benefit of that Licensee. Licensees shall not permit or provide for transfer or reproduction of the Product(s), or any portion thereof, to be placed on a computer not at the Licensee's designated sites or under the direct control of the Licensee, by physical or

electronic means, unless specifically authorized by Vendor and/or as otherwise provided in this Agreement.

4.2 The Product(s) are protected by copyright law. Vendor hereby confirms that Vendor is the owner of the copyright in the Product(s) described in **Exhibit A**, as well as an authorized source or reseller for the Product(s) in the state of New York. Licensees shall not make or allow others to make copies or reproduction of the Product(s), or any portion thereof in any form without the prior written consent of Vendor and/or as otherwise provided in this Agreement. The unauthorized copying, distribution or disclosure of the Product(s) is prohibited and shall be considered a material breach of this Agreement, and as applied to the Licensee, the GoGuardian Terms.

4.3 Except as expressly stated herein, no Licensee may alter, modify, or adapt the Product(s), including but not limited to translating, reverse engineering, decompiling, disassembling, or creating derivative works, and may not take any other steps intended to produce a source language state of the Product(s) or any part thereof, without the prior written consent of Vendor.

4.4 As between Vendor, on the one hand, and Customer and the other Participating BOCES, and their respective school district Licensees, on the other hand, Customer and other Participating BOCES, or their respective school district Licensees, shall be the sole owner and custodian of Protected Data transmitted to, received, or manipulated by the Product(s), except as otherwise specifically set forth in this Agreement. Notwithstanding the foregoing, the Parties acknowledge and agree that Protected Data does not include Deidentified Data. Deidentified Data" means aggregated and anonymized data which may be derived from information that is transmitted to Vendor through the Product(s), including student records; provided that the Deidentified Data cannot be unaggregated or have the anonymization reversed. Notwithstanding anything to the contrary contained herein, Vendor agrees not to attempt to re-identify any Deidentified Data and Vendor will not to transfer Deidentified Data to any party unless that party agrees not to attempt reidentification.

4.5 Confidential Information. Each Party will use the same degree of care to protect the other Party's Confidential Information as it uses to protect its own confidential information of like nature, but in no circumstances less than reasonable care. "Confidential Information" for purposes of this subparagraph means any information that is marked or otherwise indicated as confidential or proprietary, in the case of written materials, or, in the case of information that is disclosed orally or written materials that are not marked, by notifying the other Party of the proprietary and confidential nature of the information, such notification to be done orally, by email or written correspondence, or via other means of communication as might be appropriate. Notwithstanding the foregoing, (a) Confidential Information of Vendor shall include the Software (including their respective design, architecture, interfaces, databases, data bases structures, non-literal elements, capabilities and functionality, source code and object code) as well as research and development efforts, marketing and distribution efforts licensing, cross-licensing, marketing and distribution practices), trade secrets, the terms of this Agreement (except those portions of the Agreement that Customer may be required to disclose by law or legal process), financial information, and (b) the Confidential Information of Customer shall include Protected Data regarding its and other Licensees' end users provided in connection with the Product(s). Confidential Information does not include information which (a) was known to the receiving Party

or in the public domain before disclosure; (b) becomes part of the public domain after disclosure by a publication or other means except by a breach of this Agreement by the receiving Party; (c) was received from a third party under no duty or obligation of confidentiality to the disclosing Party; or (d) was independently developed by the receiving Party without reference to Confidential Information. Disclosures of Confidential Information that are required to be disclosed by law or legal process shall not be considered a breach of this Agreement as long as the recipient notifies the disclosing Party, provides it with an opportunity to object and uses reasonable efforts (at the expense of the disclosing Party) to cooperate with the disclosing Party in limiting disclosure to the extent allowed by law.

4.6 Vendor Obligations Under NYS Education Law 2-d. For Student Data, or Teacher and Principal Data, as such terms are defined in New York Education Law Section 2-d, Vendor shall comply with all terms, conditions and obligations as set forth in the Data Sharing and Confidentiality Agreement incorporated into this Agreement by reference as **Exhibit D**. In the event that Vendor receives, stores or maintains Student Data, or Teacher and Principal Data provided to it by a Licensee, whether as a cloud provider or otherwise, the Vendor assumes all risks and obligations in the event of a breach of security of such data to the extent such breach is attributable to Vendor. Vendor shall not subcontract or assign its obligation to store or maintain Student Data, or Teacher and Principal Data provided to it pursuant to this Agreement to a third-party cloud provider unless granted specific prior written permission from Customer. Customer hereby consents to Vendor's subcontractors provided in **Exhibit E** and as updated from time to time by Vendor and agreed to by Customer through a separate writing. All subcontractors under Exhibit E have agreed to be subject to terms that are at least as restrictive as Data Sharing and Confidentiality Agreement contained in Exhibit D.

5. REPRESENTATIONS, WARRANTIES AND DISCLAIMERS

5.1 Mutual. Each Party represents and warrants that it has the power and authority to enter into this Agreement and that the Party's execution, delivery, and performance of this Agreement (a) have been authorized by all necessary action of the governing body of the Party; (b) do not violate the terms of any law, regulation, or court order to which such Party is subject or the terms of any agreement to which the Party or any of its assets may be subject; and (c) are not subject to the consent or approval of any third party, except as otherwise provided herein.

5.2 Intellectual Property. Vendor warrants that use of the Product(s) does not infringe any United States patent, copyright, or trade secret. Vendor will indemnify Customer and any other applicable Licensee designated in a Purchase Order executed hereunder and hold it or them harmless from and against any and all claims, actions, damages, liabilities and expenses in connection with any allegation that the use of the Product(s) provided hereunder infringed upon any United States patent or pending application for letters patent or constituted an infringement of any trademark or copyright. Customer or the other Licensee, as applicable, will promptly notify Vendor in writing of such suit, claim, action, proceeding or allegation(s). Vendor shall have sole control of the defense. Customer or the other Licensee, as applicable, shall provide reasonable information and assistance to the Vendor at the Vendor's expense.

5.2.1 Vendor shall have the right to make such defense by counsel of its choosing and Customer or the other Licensee, as applicable, shall cooperate with said counsel and Vendor therein.

5.2.2 If the Product(s) are held to infringe, or in Vendor's opinion is likely to be held to infringe, any United States Patent or pending applications for Letters Patent, or any Trademark or Copyright, Vendor shall, in addition to its obligations as set forth in paragraphs 5.2 and 5.2.1 above, at its expense, (a) secure the right for Customer or the other Licensee, as applicable, to continue use of the Product(s) or (b) replace or modify the Product(s) to make it non-infringing. If commercially reasonable efforts to perform the foregoing are unsuccessful, Customer or the other Licensee, as applicable, may terminate this Agreement without penalty and shall be entitled to a pro-rata refund of fees paid by Customer or the Licensee to Vendor pursuant to this Agreement, calculated as of the date Customer or the Licensee, as applicable, was prohibited from using the Product(s). The indemnification obligations and other remedies described in Section 5.2 shall constitute Vendor's sole liability and Licensee's sole remedy for any breach of the non-infringement warranty in Section 5.2.

5.2.3 Vendor shall have no obligation with respect to any such claim of infringement based upon modifications of machines or programming made by Customer or any other Licensee without Vendor's approval, or upon their combination, operation, or use with apparatus, data, or programs not furnished by Vendor by Customer or any other Licensee, without Vendor's approval.

5.3 Warranties. For a period of twelve (12) months from the date of this Agreement, Vendor represents and warrants that (a) the Product(s) will perform substantially in accordance with the specifications set forth in the then-current Documentation, if any, for such Product(s), and that (b) the Services will be performed in a professional and workmanlike manner. In the event of a non-conformance of the Product(s) or Services during this warranty period, reported to Vendor by Customer or any other Licensee, Vendor shall make commercially reasonable efforts to correct such non-conformance. In the event that Vendor is unable to correct such non-conformance, Vendor will provide Customer or the other Licensee, as applicable, with replacement or repair of defective Product(s), re-performance of Services, or a pro-rata refund of fees paid pursuant to this Agreement, calculated as of the date of commencement of any period of non-conformance. The foregoing shall be Vendor's sole liability and Licensee's sole remedy for any breach of this Limited Warranty.

5.4 The remedies available to Customer or any other Licensee for damage or loss to the Product(s) shall be the repair or replacement of the Product(s) or a pro-rata refund of fees paid pursuant to this Agreement, calculated as of the date of commencement of the damage or loss. Vendor shall have no liability or responsibility for damage or loss to the Product(s) caused by any alteration or modification by a Licensee not authorized by Vendor, or for damage or loss arising out of the malfunction of Licensee's equipment or other software not supplied by Vendor.

5.5. Disclaimers.

5.5.1 THE EXPRESS WARRANTY PROVIDED BY VENDOR IN SECTION 5.3 IS THE SOLE WARRANTY PROVIDED BY VENDOR WITH RESPECT TO THE PRODUCTS. VENDOR PROVIDES THE PRODUCTS USING A COMMERCIALLY REASONABLE LEVEL OF SKILL AND CARE, BUT VENDOR DOES NOT MAKE GUARANTEES ABOUT THE OPERATION, USE OR RESULTS ACHIEVED THROUGH THE USE OF THE PRODUCT(S). TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, THE PRODUCTS AND SERVICES ARE PROVIDED BY VENDOR (AND ANY VENDOR PARTIES) ON AN "AS IS" AND "AS AVAILABLE" BASIS WITH ALL FAULTS, WITHOUT ANY ADDITIONAL WARRANTY OF ANY KIND, AND LICENSEE'S USE IS AT ITS SOLE RISK. THE ENTIRE RISK OF SATISFACTORY QUALITY AND PERFORMANCE RESIDES WITH EACH LICENSEE AND ITS PARTICIPATING BOCES. VENDOR AND VENDOR PARTIES MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND HEREBY SPECIFICALLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OR CONDITIONS OF MERCHANTABILITY, TITLE, QUIET ENJOYMENT, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, OR NON-INFRINGEMENT. THE VENDOR PARTIES MAKE NO WARRANTY THAT ANY PRODUCT(S) WILL MEET A LICENSEE'S REQUIREMENTS, WILL BE AVAILABLE ON AN UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE BASIS, OR WILL BE ACCURATE, RELIABLE, FREE OF VIRUSES OR OTHER HARMFUL CODE, COMPLETE, LEGAL, OR SAFE. CUSTOMER AND EACH PARTICIPATING BOCES AND LICENSEE UNDERSTAND AND AGREE THAT VENDOR AND THE OTHER VENDOR PARTIES ARE UNDER NO OBLIGATION OTHER THAN TO PROVIDE THE PRODUCT(S) TO LICENSEES IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

5.5.2 EACH OF CUSTOMER, AND ANY PARTICIPATING BOCES THAT ENTERS INTO A PURCHASE ORDER HEREUNDER AND ANY SCHOOL DISTRICT LICENSEE DESIGNATED AS A LICENSEE IN A PURCHASE ORDER HEREBY RELEASES EACH OF THE VENDOR PARTIES AND THEIR RESPECTIVE SUCCESSORS IN RIGHTS FROM ANY CLAIMS, DAMAGES, AND DEMANDS OF EVERY KIND ARISING OUT OF OR IN ANY WAY RELATED TO ANY CLAIMS MADE BY EACH SUCH PARTICIPATING BOCES OR LICENSEE. 5.6.1 That all BOCES that are participants in the NYSITCC that become Participating BOCES, including Customer, have agreed to be bound by the terms of this Agreement and perform their specific obligations as participating BOCES herein.

5.6.2 That all BOCES that are participants in the NYSITCC that become Participating BOCES, including Customer, will take reasonable measures to ensure that all of the sites used by BOCES and school district Licensees within their jurisdiction will meet the systems and network minimum requirements set forth on **Exhibit C**, attached to this Agreement and made a part hereof.

5.6.4 That all BOCES that are participants in the NYSITCC, including Customer, will provide Vendor with the name of a contact person (hereinafter referred to as the "BOCES Contact") who will have the authority to act on behalf of the BOCES and school district Licensees within their jurisdiction with regards to any questions or issues that may arise during the installation or implementation of the Product(s). Unless directed by that BOCES Contact, the Vendor will have no other contact within the BOCES regardless of previous working relationships. The Vendor will provide written communication to the BOCES Contact if it plans to demo/visit a BOCES or school district Licensee within that BOCES' jurisdiction. This communication will occur a minimum of two (2) days prior to the demo/visit.

6. INDEMNIFICATION

Customer shall indemnify and hold harmless Vendor and its officers, directors, employees and agents from and against any and all third party claims, liabilities, costs, and expenses, including attorney fees and expenses, arising from or relating to any breach by Customer of this Agreement. Vendor shall indemnify and hold harmless Customer and its officers, directors, employees and agents from and against any and all third party claims, liabilities, costs, and expenses, including attorney fees and expenses actually incurred by Customer, arising from or relating to any breach by Vendor of this Agreement.

7. FEES AND PAYMENT

7.1. Ordering. An eligible Participating BOCES, on behalf of itself and its school district Licensees, may procure Products or Services from Vendor under the terms and conditions of this Agreement, provided each such Participating BOCES executes a Purchase Order. The Purchase Order will not contain any terms and conditions that conflict with this MLSA.

7.2 License Fees. In consideration of the licenses granted to all Licensees as described herein, and the Services to be performed by Vendor, Customer agrees that each Participating BOCES (including Customer) shall pay Vendor the applicable fees set forth in **Exhibit A** on behalf of each Licensee within its jurisdiction that participates in the applicable CoSers during any fiscal year within the Initial Term of this Agreement or any Renewal Term.

7.3 Pricing. The fees set forth in **Exhibit A** shall be applicable during the period July 1, 2023 through June 30, 2024 (the first fiscal year within the Initial Term of this Agreement). Vendor will provide to Customer proposed new pricing for each succeeding fiscal year within the Initial Term of this Agreement (or each succeeding fiscal year within any Renewal Term) by November 1 of each fiscal year, by notification to Michelle Okal-Frink, Erie 1 BOCES through the Vendor Hub Site - <https://sites.google.com/e1b.org/erie1bocesvendorhub/home> or by certified letter addressed to 355 Harlem Road, West Seneca, NY 14224. Michelle Okal-Frink will work with the Vendor to evaluate and accept pricing to be applicable during each succeeding fiscal year; however, in no event shall pricing increase by more than 2% annually. The Parties shall revise **Exhibit A** as needed to reflect any new prices as mutually agreed. If no notification is received by November 1 of any fiscal year, the fees established for the then current fiscal year will remain in effect for the subsequent fiscal year. After acceptance of the annual price list, vendors will send out renewal quotes to the individual BOCES by Nov 15th of that contract year. Quotes will be prorated for new business or renewals to align with the agreement annual terms ending June 30th as agreed to in the RFP response. If there is an overage with a school district the overage must be provided to BOCES prior to May 1st of the school year. The district will be able to cover those overages through a PO before June 1st. BOCES and school districts are not responsible for overages that come after May 1st and cannot pay any overages not identified by May 1st in the current or any future fiscal years.

7.4 Quotes. Quotes applicable to any BOCES or school district Licensees based on the fees set forth in **Exhibit A** shall be provided to each BOCES Contact (including Customer's) or his/her designee. The Vendor will not provide BOCES quotes directly to any school district Licensees. Each quote will be made out to the BOCES requesting the quote, reference the NYSITCC contract number, identify the beginning and end date, have the name of the district included and identify the name and email of the rep sending the quote. Each participating BOCES (including Customer) will issue a purchase order to Vendor on behalf of each Licensee within its jurisdiction that wishes to participate in the applicable CoSers. All quotes after July 1 will be prorated to end June 30 of that fiscal year. The Vendor will not provide a BOCES quote to any BOCES outside of the consortium.

7.5 Invoices. When invoicing Customer, Vendor shall send Erie 1 BOCES invoices addressed to 355 Harlem Road, West Seneca, NY 14224 (Attention: Business Office) or email to ap@e1b.org; any other BOCES invoices shall be sent by Vendor to the other participating BOCES initiating the request. Vendor shall contact the BOCES contact at each other participating BOCES to receive the proper invoicing address. Payment shall be made by each participating BOCES (including Customer) within forty-five (45) days of either completion of the activation of the Product(s) at the site of a Licensee, or the implementation meeting for service. Invoices must match the BOCES PO in order for payment to be released. This includes the contract number, purchase order number and the cost on the invoice must match the cost on the purchase order.

7.6 Withdrawal. Vendor acknowledges that due to the nature of BOCES services, individual Licensees may from time to time, during the Initial Term of this Agreement or any Renewal Term, withdraw from or choose not to renew their participation in the applicable BOCES service for a subsequent fiscal year. Each Participating BOCES (including Customer) shall provide written notification to Vendor of any such withdrawal or non-renewal by any Licensee within its jurisdiction no later than thirty (30) days prior to its effective date (typically July 1st), without penalty. Any Licensee may provide withdrawal or license change notification prior to the payment of the renewal purchase order. These changes would result in the change of the initial purchase order and therefore the invoicing based upon that PO. Other changes may be made, with agreement of the Vendor, until the second week of the school year is completed. This may result in a credit or refund. Upon receipt of notification, Vendor shall securely delete or otherwise destroy any and all Protected Data received from that Licensee remaining in the possession of Vendor or any of its subcontractors or other authorized persons or entities to whom it has disclosed the Protected Data; if requested by the Licensee, Vendor will assist in exporting all Protected Data previously received back to the Licensee prior to deletion. Vendor will provide Customer and the Licensee with written certification from an appropriate officer that these requirements have been satisfied in full. For purposes of this subsection 7.5, "Protected Data" shall have the same meaning as set forth in the Data Sharing and Confidentiality Agreement incorporated into this Agreement by reference as **Exhibit D**. Notwithstanding the non-renewal or withdrawal of any Licensee, the terms of this Agreement shall continue in full force and effect with respect to Customer and any other remaining BOCES or school district Licensees.

8. IMPLEMENTATION ASSISTANCE SERVICES AND TRAINING SUPPORT

8.1 Training. The Vendor will provide initial training, at no cost, to Customer's staff and the staff of each Participating BOCES so that they are able to turn key and train school district Licensees using RIC/BOCES accounts or Product(s) provided to the RIC/BOCES at no cost, at four (4) sites during each year of this Agreement. These accounts will be fully active within the system and not simply a training site. This training should be in person and be robust whereas the BOCES staff developers are able to provide the support and professional development to the school district Licensee in order to promote a successful implementation. The 4 initial training days (per product) should be held in person if possible. The 4 additional update training sessions (per product) may be held virtually. This is a total of 8 sessions, per product, awarded. The Vendor will provide on-site training and installation to the BOCES staff as outlined in **Exhibit B**, attached and incorporated herein by reference.

8.2 Use of Training Materials. Customer, all other Participating BOCES, and all school district Licensees may use the entire Vendor provided training materials, on an ongoing basis, at no cost. 8.3 Training Logins & Sites. The Vendor will provide Customer and all other Participating BOCES the Product(s) or application logins and demo sites, at no cost, for utilizing the Product(s) while training Licensee school districts. The Vendor will provide administrative logins to Customer and all other Participating BOCES for each Licensee school district in order for Customer and all other Participating BOCES, as owners of the equipment/licenses, to manage and maintain accounts as required by the State Department of Education. The Vendor will provide

updates and training each year for four additional sites throughout New York State for new and current trainers to be coordinated through Michelle Okal-Frink or her designee. 9.3 All requests for assistance to Vendor by Customer, any other Participating BOCES, and/or any school district Licensee to resolve problems which cause the software to become "inoperative" will be acknowledged by Vendor by phone or email within twenty-four (24) hours during Vendor's normal support hours. For less severe problems, Vendor must acknowledge the request for assistance by phone or email within forty-eight (48) hours.

9.4 Vendor also agrees to provide the following technical support services to Customer, any other participating BOCES, and any school district Licensee:

14. SEVERABILITY

Further, Vendor represents that Vendor has not paid, given, or agreed to pay or give any company or person, other than a bona fide employee working solely for Vendor or the Vendor's bona fide agent, any fee, commission, percentage, brokerage fee, gift, contribution, or any other consideration contingent upon or resulting from the award or making of any agreement with any other Participating BOCES or any school district Licensee. This Agreement shall be binding on the Parties and on their successors and assigns. Vendor is prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this Agreement, or its right, title or interest therein, or its power to execute this Agreement or any amendment thereto, or its power to perform the obligations required by this Agreement to any other person or corporation without the previous consent, in writing, of Customer; and any attempts to assign the Agreement without Customer's prior written consent are null and void. Notwithstanding the foregoing, Vendor may assign this Agreement in connection with a merger, acquisition, or sale of all or substantially all of Vendor's assets provided that the successor entity is bound to the terms of this MLSA.

EXHIBIT C

GoGuardian:

- Facilitates high teacher adoption with an extremely easy-to-use, intuitive interface.
- Scenes keep students on task by blocking all websites except those specifically allowed during that class period, which results in teachers spending more time engaging with students.
- Facilitates a teacher's ability to identify and support students that are struggling with a lesson by providing a real-time view into student activity and the tools to intervene.
- Facilitates student participation and engagement by allowing students to chat directly with their teacher without disturbing the rest of the class.
- Access class session summaries and historical records of each student's classroom browsing activity, a helpful tool for parent-teacher conferences or for post-class analysis of comprehension.
- Teachers indicate that GoGuardian Teacher, on average, helps them regain an additional 7 minutes of instruction time per classroom session.
- Additional time can be saved by automating classroom setup and roster maintenance through GoGuardian's Clever integration.
- GoGuardian Teacher provides a Teacher with the ability to observe the student's device in real-time. This not only includes currently active tabs within the student's browser but open applications on the desktop as well.
- Teachers have a number of control commands that they can perform for an individual student, group, or whole class including; closing and opening tabs, limiting the number of tabs students can have open, closing applications, and locking screens.
- When a monitoring session is initiated, an alert is pushed to the student device that notifies the student that they have successfully joined their GoGuardian classroom session. GoGuardian does not require action from students in order for the teacher to begin monitoring the classroom session.

- Chat can be enabled in a classroom session to allow students to privately signal and communicate with a teacher.
- The default view has all student screens for the session displayed in a tiled interface.
- Teachers are able to issue a "Lock Screen" command for a student, group or whole class, that will disable interaction with the device until it is unlocked or the session ends.
- GoGuardian relies on a Chrome extension architecture to enable Teacher functionality. The presence of these extensions can be managed by the Google Admin Console, and when installed, provide superior communication and consistency compared to a purely web-based solution. Said extensions must be present in order for Teacher to function on any platform. Additionally, the Windows platform requires a native application to be installed in order to guarantee Teacher functionality and perform OS-level operations (such as taking a screenshot of the entire desktop or closing running applications).
- GoGuardian Teacher Student Reports: Student browsing reports contain detailed records of an individual student's browsing activity during classroom sessions. The report shows browsing data recorded during an active classroom session for the selected classroom. Data recorded outside of active sessions is not available through the Teacher product but is available in GoGuardian Admin. Data from the past 180 days is available. You may view up to 30 days at a time. Browsing history from the past hour may not appear
 - GoGuardian Teacher Student Reports include:
 - Line-by-line records of student browsing activity
 - Top Websites Visited
 - Top Google Docs
 - Top Google Search Terms
 - How to view a Student Browsing Report:
 - Click the menu icon to open the left sidebar

Special pricing for specific BOCES or RICs is not allowable under this contract.

Erie 1 BOCES and GoGuardian hereby agree:

1. From time to time during the term of the Agreement, another BOCES in New York State (an "Other BOCES") may adopt a Board of Education resolution that permits Erie 1 BOCES to represent the Other BOCES' interests and to enter into the Agreement on behalf of the Other BOCES.
2. The Other BOCES shall purchase under the Agreement by issuing an Addendum in the form of a Board resolution, appropriately amended to reflect that the Other BOCES is the purchaser. By issuing that Addendum, the Other BOCES will agree to be bound by all of the terms of the Agreement with respect to its purchase thereunder.

- Evaluate the contractual safeguards of subcontractors of Protected Data

Duration of MLSA and Protected Data Upon Expiration:

- The MLSA commences on July 1, 2023 and expires on June 30, 2026.
- Upon expiration of the MLSA without renewal, or upon termination of the MLSA prior to expiration, Vendor will securely delete or otherwise destroy any and all Protected Data remaining in the possession of Vendor or its assignees or subcontractors or other authorized persons or entities to whom it has disclosed Protected Data. If requested by Erie 1 BOCES and/or any Participating Educational Agency, Vendor will assist a Participating Educational Agency in exporting copies of all Protected Data previously received back to the Participating Educational Agency for its own use, prior to deletion, in such formats as may be requested by the Participating Educational Agency.
- In the event the Master Agreement is assigned to a successor Vendor (to the extent authorized by the Master Agreement), the Vendor will cooperate with Erie 1 BOCES as necessary to transition Protected Data to the successor Vendor prior to deletion.
- Neither Vendor nor any of its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data will retain any Protected Data, copies, summaries or extracts of the Protected Data on any storage medium whatsoever. Upon request, Vendor and/or its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data, as applicable, will provide Erie 1 BOCES with a certification from an appropriate officer that these requirements have been satisfied in full. To extent that Vendor remains in possession of any Deidentified Data, Vendor agrees to not attempt to reidentify the Deidentified Data and use Deidentified Data in compliance with applicable laws.

Challenging Accuracy of Protected Data: Parents or eligible students can challenge the accuracy of any Protected Data provided by a Participating Educational Agency to Vendor, by contacting the student's district of residence regarding procedures for requesting amendment of education records under the Family Educational Rights and Privacy Act (FERPA). Teachers or principals may be able to challenge the accuracy of APPR data provided to Vendor by following the appeal process in their employing school district's applicable APPR Plan.

Data Storage and Security Protections: Any Protected Data Vendor receives will be stored on systems maintained by Vendor, or by a subcontractor under the direct control of Vendor, in a secure data center facility located within the United States or a facility agreed to in writing between the Parties. The measures that Vendor will take to protect Protected Data include adoption of technologies, safeguards and practices that align with the NIST Cybersecurity Framework and industry best practices including, but not necessarily limited to, encryption at rest, firewalls, and password protection.

Encryption of Protected Data: Vendor (or, if applicable, its subcontractors) will protect Protected Data in its custody from unauthorized disclosure while in motion or at rest, using a technology or methodology specified by the secretary of the U.S. Department of HHS in guidance issued under Section 13402(H)(2) of P.L. 111-5.
