Data Privacy Agreement for Providers / Contractors / Service Provider

This Agreement supplements the underlying Contract to which it is attached to ensure that the underlying Contract conforms to the requirements of New York State Education Law Section §2-d and related Regulations of the Commissioner of Education. To the extent that any term of the Contract conflicts with the terms of this Agreement, the terms of this Agreement shall apply and be given effect.

As used in this Agreement, protected Data includes all Personally Identifiable Information (PII) as defined in New York Education Law Section §2-d, and other non-public data, including, but not limited to, staff data, student data, metadata, and user content. Examples of protected Data include, but are not limited to, names, e-mail addresses, ID numbers, date of birth, and demographic information.

1. Data Privacy

Service Provider agrees that the security, confidentiality, and integrity of protected Data shall be maintained in accordance with state and federal laws that protect the confidentiality of personally identifiable information, and also in accordance with the District's Parents Bill of Rights for Data Security and Privacy, provided below.

2. Data De-Identification

Service Provider may use de-identified Data for product development, research, or similar purposes. De-identified Data must have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, and location information. Furthermore, Service Provider agrees not to attempt to re-identify any de-identified Data, and not to transfer de-identified Data to any party unless that party agrees not to attempt re-identification.

3. Marketing and Advertising

Service Provider will not use any Data to advertise or market to students, their parents, faculty or staff. The exclusive purpose for which Service Provider is being provided access to protected Data is for providing FCSD with the functionality of the Products or Services accessed by the school district. Protected Data received by Service Provider, or by any assignee of Service Provider, from FCSD shall not be sold or used for marketing purposes.

4. Data Sharing

Service Provider agrees that it will disclose protected Data received from FCSD only to those officers, employees, and agents who need access to provide the contracted services. Service Provider further agrees to ensure that subcontractors or other entities to whom the Service Provider discloses protected Data will abide by all applicable Data protection and security requirements, including, but not limited to, those outlined in applicable state and federal laws and regulations.

5. Data Privacy Training

Service Provider ensures that any of its officers or employees, and any officers or employees of any assignee or subcontractor who have access to personally identifiable information, will receive training on the federal and state laws governing confidentiality of such Data prior to receiving access to that Data.

6. Access and Correction

Service Provider agrees to support access to and correction of Data by the District or, consistent with the Family Educational Rights and Privacy Act (FERPA).

7. Data Use and Collection

Service Provider will only collect and use Data necessary to provide FCSD with the functionality of the Products or Services accessed by the school district. Service Provider will disclose, what types of student personal information is collected and for what purpose.

8. Rights and Licenses to Data

Service Provider has a limited, non-exclusive license solely for the purpose of performing its obligations as outlined in the Terms of Agreement. This Agreement does not give Service Provider any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.

9. Data Transfer or Destruction

Service Provider will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Service Provider may have transferred Data, are transferred to the District upon request from the District.

10. Data Protection

- a. Service Provider will take measures aligned with industry best practices, state and federal regulations such as Ed Law Section 2-d and related Commissioner's Regulations, and the NIST Cybersecurity Framework and reasonably designed to protect the privacy and security of protected data while it is stored and in transit. Such measures include, but are not necessarily limited to, encryption technology, firewalls, and password protection.
- b. Service Provider will maintain reasonable administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of protected data in its custody.
- c. Service Provider will conduct periodic risk assessments, remediating any identified security vulnerabilities in a timely manner.
- d. Service Provider will maintain a written incident response plan, to include prompt notification of the District in the event of a security or privacy incident, as well as best practices for responding to a breach of protected data.
- e. Service Provider agrees to share its incident response plan upon request.
- f. In the event of a breach or unauthorized release of protected data by the Service Provider or subcontractor, the Service Provider will notify the District of the breach in the most expedient way possible and without unreasonable delay, but not more than 7 calendar days from awareness of the incident. The Service Provider and the third party contractor may be subject to penalties as outlined in Education Law §2-d.
- g. Service Provider will ensure by contractual agreements or other legally binding measures that any subcontractor, assignee, or agent (including any Hosting Service Provider) to whom Service Provider discloses protected data will comply with the same data security and privacy standards required of Service Provider under this agreement and applicable state and federal laws.

APPENDIX

Supplemental Information Regarding Third-Party Contractors

In the course of complying with its obligations under the law and providing educational services to District residents, the Fairport Central School District has entered into agreements with certain third-party contractors. Pursuant to these agreements, third-party contractors may have access to "student data" and/or "teacher or principal data," as those terms are defined by law and regulation.

(Asked above) For each contract or other written agreement that the District enters into with a third-party contractor where the third-party contractor receives student data or teacher or principal data from the District, the following supplemental information will be included with this Bill of Rights:

1. The exclusive purposes for which the student data or teacher or principal data will be used by the third-party contractor, as defined in the contract;
2. How the third-party contractor will ensure that the subcontractors, or other authorized persons or entities to whom the third-party contractor will disclose the student data or teacher or principal data, if any, will abide by all applicable data protection and security requirements, including but not limited to those outlined in applicable laws and regulations (e.g., FERPA; Education Law Section 2-d);
3. The duration of the contract, including the contract's expiration date, and a description of what will happen to the student data or teacher or principal data upon expiration of the contract or other written agreement (e.g., whether, when, and in what format it will be returned to the District, and/or whether, when, and how the data will be destroyed);
4. If and how a parent, student, eligible student, teacher, or principal may challenge the accuracy of the student data or teacher or principal data that is collected;
5. Where the student data or teacher or principal data will be stored, described in a manner as to protect data security, and the security protections taken to ensure the data will be protected and data privacy and security risks mitigated; and
6. Address how the data will be protected using encryption while in motion and at rest.

This Bill of Rights is subject to change based on regulations of the Commissioner of Education and the NYSED Chief Privacy Officer. Changes/Additions are also anticipated as NYSED releases further guidance documents.
