Background and Instructions

History of Agreement- This agreement has been drafted by the Texas Student Privacy Alliance (TXSPA). The Alliance is a collaborative group of Texas school districts that share common concerns around student and data privacy. The Texas K-12 CTO Council is the organization that sponsors the TXSPA and the TXSPA is the Texas affiliate of the national Student Data Privacy Consortium (SDPC). The SDPC works with other state alliances by helping establish common data privacy agreements unique to the jurisdiction of each state. This Texas agreement was drafted specifically for K-12 education institutions and included broad stakeholder input from Texas school districts, statewide associations such as TASB, TASA, and TASBO, and the Texas Education Agency. The purpose of this agreement is to set standards of both practice and expectations around data privacy such that all parties involved have a common understanding of expectations. This agreement also provides a mechanism (Exhibit E- General Offer of Terms) that would allow an Operator to extend the ability of other Texas school districts to be covered under the terms of the agreement should an Operator sign Exhibit E. This mechanism is intended to create efficiencies for both Operators and LEAs and generally enhance privacy practices and expectations for K-12 institutions and for companies providing services to K-12 institutions.

EXHIBIT "E"**GENERAL OFFER OF PRIVACY TERMS**

Instructions: This is an optional Exhibit in which the Operator may, by signing this Exhibit, be bound by the terms of this DPA to any other Subscribing LEAs who sign the acceptance in said Exhibit. The originating LEA SHOULD NOT sign this Exhibit, but should make Exhibit E, if signed by an Operator, readily available to other Texas K-12 institutions through the TXSPA web portal. Should a Subscribing LEA, after signing a separate Service Agreement with Operator, want to accept the General Offer of Terms, the Subscribing LEA should counter-sign the Exhibit E and notify the Operator that the General Offer of Terms have been accepted by a Subscribing LEA.

This General Offer shall extend only to privacy protections and Operator's signature shall not necessarily bind Operator to other terms, such as price, term, or schedule of services, or to any other provision not addressed in this DPA. The Operator and the Subscribing LEA may also agree to change the data provided by Grand Prairie ISD to the Operator to suit the unique needs of the Subscribing LEA. The Operator may withdraw the General Offer in the event of:
