SUPPLEMENTAL INFORMATION ABOUT A CONTRACT BETWEEN
CAPITAL COMPUTER ASSOCIATES AND

Sullivan BOCES

CLIENT has entered into a Contract with Capital Computer Associates which governs the availability to Participating Educational Agencies of the following Product(s):

WinCap

Pursuant to this Contract, Participating Educational Agencies (*i.e.*, those educational agencies that are authorized to use the above Product(s) by purchasing certain shared technology services and software through a Cooperative Educational Services Agreement with CLIENT) may provide to Vendor, and Vendor will receive, personally identifiable information about students, or teachers and principals, that is protected by Section 2-d of the New York State Education Law ("Protected Data"). Vendor has also entered into a separate Data Sharing and Confidentiality Agreement ("DSC Agreement") with BOCES setting forth Vendor's obligations to protect the confidentiality, privacy and security of Protected Data it receives pursuant to the Contract.

Exclusive Purpose for which Protected Data will be Used: The exclusive purpose for which Vendor is being provided access to the Protected Data is to provide Participating Educational Agencies with the functionality of the Product(s) listed above. Vendor agrees that it will not use the Protected Data for any other purposes not explicitly authorized above or in the DSC Agreement. Protected Data received by Vendor, or any of Vendor's subcontractors, assignees, or other authorized agents, will not be sold, or released or used for any commercial or marketing purposes.

Oversight of Subcontractors: In the event that Vendor engages subcontractors, assignees, or other authorized persons or entities i, it will require those to whom it discloses Protected Data to execute legally binding agreements acknowledging their obligation under Section 2-d of the New York State Education Law to comply with the same data security and privacy standards required of Vendor under the Contract and applicable state and federal law. Vendor will ensure that such subcontractors, assignees, or other authorized agents abide by the provisions of these agreements.

Duration of Contract and Protected Data Upon Expiration:

- The Contract commences on July 1, 2023 and renews annually.
- Upon expiration of the Contract without renewal, or upon termination of the Contract prior to expiration, Vendor will securely delete or otherwise destroy any and all Protected Data remaining in the possession of Vendor or its assignees or subcontractors or other authorized persons or entities to whom it has disclosed Protected Data. If requested by CLIENT and/or any Participating Educational Agency, Vendor will assist a Participating Educational Agency in exporting all Protected Data previously received back to the Participating Educational Agency for its own use, prior to deletion, in such formats as may be requested by the Participating Educational Agency.
- In the event the Contract is assigned to a successor Vendor (to the extent authorized by the Contract), the Vendor will cooperate with CLIENT as necessary to transition Protected Data to the successor Vendor prior to deletion.
- Neither Vendor nor any of its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data will retain any Protected Data, copies, summaries or extracts of the Protected Data, or any de-identified Protected Data, on any storage medium whatsoever. Upon

request, Vendor and/or its subcontractors or other authorized persons or entities to whom it has disclosed Protected Data, as applicable, will provide CLIENT with a certification from an appropriate officer that these requirements have been satisfied in full.

Challenging Accuracy of Protected Data: Parents or eligible students can challenge the accuracy of any Protected Data provided by a Participating Educational Agency to Vendor, by contacting the student's district of residence regarding procedures for requesting amendment of education records under the Family Educational Rights and Privacy Act (FERPA). Teachers or principals may be able to challenge the accuracy of any APPR data provided to Vendor by following the appeal process in their employing school district's applicable APPR Plan.

Data Storage and Security Protections: Any Protected Data Vendor receives will be stored on systems maintained by Vendor, or by a subcontractor under the direct control of Vendor, in a secure data center facility located within the United States. The measures that Vendor will take to protect Protected Data include adoption of technologies, safeguards and practices that align with the NIST Cybersecurity Framework and industry best practices including, but not necessarily limited to, disk encryption, file encryption, firewalls, and password protection.

Encryption of Protected Data: Vendor (or, if applicable, its subcontractors) will protect Protected Data in its custody from unauthorized disclosure while in motion or at rest, using a technology or methodology specified by the secretary of the U.S. Department of HHS in guidance issued under Section 13402(H)(2) of P.L. 111-5.
