Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction**. THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. 8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

121.1 Provider shall provide notification to LEA within seventy-two (72) hours of confirmation of an unauthorized release, disclosure, or acquisition of the LEA's Student Data or APPR Data, unless notification within this time limit would disrupt investigation of the incident by law enforcement. In such an event, notification shall be made within a reasonable time after the incident. Provider shall follow the following process:

(1) The security breach notification described above shall include, at a minimum, the following information to the extent known by the Provider and as it becomes available:

- iv. Whether the notification was delayed as a result of a law enforcement investigation, if that information is possible to determine at the time the notice is provided; and
- v. A general description of the breach incident, if that information is possible to determine at the time the notice is provided; and
- vi. The number of records affected, if known; and
- vii. A description of the investigation undertaken so far; and
- viii. The name of a point of contact for Provider.

(2) Provider agrees to adhere to all federal and state requirements with respect to a data breach related to the Student Data, including, when appropriate or required, the required responsibilities and procedures for notification and mitigation of any such data breach.

(4) LEA shall provide notice and facts surrounding the breach to the affected students, parents or guardians. Where a Breach of Student Data and/or APPR Data occurs, to the extent that such breach is attributable to Provider and/or its Subprocessors, Provider shall pay for or promptly reimburse LEA for the full cost of notification to Parents, Eligible Students, teachers, and/or principals.

(5) In the event of a breach originating from LEA's use of the Service, Provider shall cooperate with LEA to the extent necessary to expeditiously secure Student Data.

Any costs incidental to the required cooperation or participation of the Provider will be the sole responsibility of the Provider to the extent such Breach is attributable to Provider or its subprocessors.

For clarity and without limitation, Provider will not be responsible for costs associated with voluntary notification that is not legally required. With respect to any breach that is not due to acts or omissions of Provider, its subcontractors or assignees, Provider will reasonably cooperate in performing the activities described above, at LEA's reasonable request and expense.

(3) Provider further acknowledges and agrees to have a written incident response plan that reflects best practices and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of Student Data or any portion thereof, including personally identifiable information and agrees to provide LEA, upon request, with a summary of said written incident response plan.

(4) LEA shall provide notice and facts surrounding the breach to the affected students, parents or guardians. Where a Breach of Student Data and/or APPR Data occurs, to the extent that such breach is attributable to Provider and/or its Subprocessors, Provider shall pay for or promptly reimburse LEA for the full cost of notification to Parents, Eligible Students, teachers, and/or principals.

(5) In the event of a breach originating from LEA's use of the Service, Provider shall cooperate with LEA to the extent necessary to expeditiously secure Student Data.

For clarity and without limitation, Provider will not be responsible for costs associated with voluntary notification that is not legally required.
