

Javelina Software, LLC
3900 Calawasse Rd.
Edgewater, MD 21037
USA

Greetings,

While Javelina Software's products do run on the customer's network and thus potentially have access to Personal Identifying Information (PII), none of our products share that information back with Javelina Software for processing or storage. In short, Javelina Software, does not collect, process, or store our customer's PII.

Please contact me if you have any questions.

Best regards,

Rebecca Ritchie

CEO
