Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. 8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

1. **Compliance with Illinois Privacy Laws.** In performing its obligations under the Agreement, the Provider shall comply with all Illinois laws and regulations pertaining to student data privacy, confidentiality, and maintenance, including but not limited to the Illinois School Student Records Act ("ISSRA"), 105 ILCS 10/, Mental Health and Developmental Disabilities Confidentiality Act ("MHDDCA"), 740 ILCS 110/, Student Online Personal Protection Act ("SOPPA"), 105 ILCS 85/, Identity Protection Act ("IPA"), 5 ILCS 179/, and Personal Information Protection Act ("PIPA"), 815 ILCS 530/, and Local Records Act ("LRA"), 50 ILCS 205/.

2. **Definition of "Student Data."** In addition to the definition set forth in **Exhibit C**, Student Data includes any and all information concerning a student by which a student may be individually identified under applicable Illinois law and regulations, including but not limited to (a) "covered information," as defined in Section 5 of SOPPA (105 ILCS 85/5), (b) "school student records" as that term is defined in Section 2 of ISSRA (105 ILCS 10/2(d)) (c) "records" as that term is defined under Section 110/2 of the MHDDCA (740 ILCS 110/2), and (d) "personal information" as defined in Section 530/5 of PIPA.

3. **School Official Designation.** Pursuant to Article I, Paragraph 1 of the DPA Standard Clauses, and in accordance with FERPA, ISSRA and SOPPA, in performing its obligations under the DPA, the Provider is acting as a school official with legitimate educational interest; is performing an institutional service or function for which the LEA would otherwise use its own employees; is under the direct control of the LEA with respect to the use and maintenance of Student Data; and is using Student Data only for an authorized purpose and in furtherance of such legitimate educational interest.

4. **Limitations on Re-Disclosure.** The Provider shall not re-disclose Student Data to any other party or affiliate without the express written permission of the LEA or pursuant to court order, unless such disclosure is otherwise permitted under SOPPA, ISSRA, FERPA, and MHDDCA. Provider will not sell or rent Student Data. In the event another party, including law enforcement or a government entity, contacts the Provider with a request or subpoena for Student Data in the possession of the Provider, the Provider shall redirect the other party to seek the data directly from the LEA. In the event the Provider is compelled to produce Student Data to another party in compliance with a court order, Provider shall notify the LEA at least five (5) school days in advance of the court ordered disclosure and, upon request, provide the LEA with a copy of the court order requiring such disclosure.

5. **Notices.** Any notice delivered pursuant to the DPA shall be deemed effective, as applicable, upon receipt as evidenced by the date of transmission indicated on the transmission material, if by e-mail; or four (4) days after mailing, if by first-class mail, postage prepaid.

6. **Parent Right to Access and Challenge Student Data.** The LEA shall establish reasonable procedures pursuant to which a parent, as that term is defined in 105 ILCS 10/2(g), may inspect and/or

copy Student Data and/or challenge the accuracy, relevance or propriety of Student Data, pursuant to Sections 5 and 7 of ISSRA (105 ILCS 10/5; 105 ILCS 10/7) and Section 33 of SOPPA (105 ILCS 85/33). The Provider shall respond to any request by the LEA for Student Data in the possession of the Provider when Provider cooperation is required to afford a parent an opportunity to inspect and/or copy the Student Data, no later than 5 business days from the date of the request. In the event that a parent contacts the Provider directly to inspect and/or copy Student Data, the Provider shall refer the parent to the LEA, which shall follow the necessary and proper procedures regarding the requested Student Data.

7. Corrections to Factual Inaccuracies. In the event that the LEA determines that the Provider is maintaining Student Data that contains a factual inaccuracy, and Provider cooperation is required in order to make a correction, the LEA shall notify the Provider of the factual inaccuracy and the correction to be made. No later than 90 calendar days after receiving the notice of the factual inaccuracy, the Provider shall correct the factual inaccuracy and shall provide written confirmation of the correction to the LEA.

8. Security Standards. The Provider shall implement and maintain commercially reasonable security procedures and practices that otherwise meet or exceed industry standards designed to protect Student Data from unauthorized access, destruction, use, modification, or disclosure, including but not limited to the unauthorized acquisition of computerized data that compromises the security, confidentiality, or integrity of the Student Data (a "Security Breach"). For purposes of the DPA and this Exhibit G, "Security Breach" does not include the good faith acquisition of Student Data by an employee or agent of the Provider or LEA for a legitimate educational or administrative purpose of the Provider or LEA, so long as the Student Data is used solely for purposes permitted by SOPPA and other applicable law, and so long as the Student Data is restricted from further unauthorized disclosure.

9. Security Breach Notification. In addition to the information enumerated in Article V, Section 4(1) of the DPA Standard Clauses, any Security Breach notification provided by the Provider to the LEA shall include:

- a. A list of the students whose Student Data was involved in or is reasonably believed to have been involved in the breach, if known; and
- b. The name and contact information for an employee of the Provider whom parents may contact to inquire about the breach.

10. Reimbursement of Expenses Associated with Security Breach. In the event of a Security Breach that is attributable to the Provider, the Provider shall reimburse and indemnify the LEA for any and all costs and expenses that the LEA incurs in investigating and remediating the Security Breach, without regard to any limitation of liability provision otherwise agreed to between Provider and LEA, including but not limited to costs and expenses associated with:

- a. Providing notification to the parents of those students whose Student Data was compromised and regulatory agencies or other entities as required by law or contract;
- b. Providing credit monitoring to those students whose Student Data was exposed in a manner during the Security Breach that a reasonable person would believe may impact the student's credit or financial security;
- c. Legal fees, audit costs, fines, and any other fees or damages imposed against the LEA

as a result of the security breach; and

- d. Providing any other notifications or fulfilling any other requirements adopted by the Illinois State Board of Education or under other State or federal laws.

11. Transfer or Deletion of Student Data. The Provider shall review, on an annual basis, whether the Student Data it has received pursuant to the DPA continues to be needed for the purpose(s) of the Service Agreement and this DPA. If any of the Student Data is no longer needed for purposes of the Service Agreement and this DPA, the Provider will provide written notice to the LEA as to what Student Data is no longer needed. The Provider will delete or transfer Student Data in readable form to the LEA, as directed by the LEA (which may be effectuated through Exhibit D of the DPA), within 30 calendar days if the LEA requests deletion or transfer of the Student Data and shall provide written confirmation to the LEA of such deletion or transfer. Upon termination of the Service Agreement between the Provider and LEA, Provider shall conduct a final review of Student Data within 60 calendar days.

If the LEA receives a request from a parent, as that term is defined in 105 ILCS 10/2(g), that Student Data being held by the Provider be deleted, the LEA shall determine whether the requested deletion would violate State and/or federal records laws. In the event such deletion would not violate State or federal records laws, the LEA shall forward the request for deletion to the Provider. The Provider shall comply with the request and delete the Student Data within a reasonable time period after receiving the request.

Any provision of Student Data to the LEA from the Provider shall be transmitted in a format readable by the LEA.

12. Public Posting of DPA. Pursuant to SOPPA, the LEA shall publish on its website a copy of the DPA between the Provider and the LEA, including this Exhibit G.

13. Subcontractors. By no later than (5) business days after the date of execution of the DPA, the Provider shall provide the LEA with a list of any subcontractors to whom Student Data may be disclosed or a link to a page on the Provider's website that clearly lists any and all subcontractors to whom Student Data may be disclosed. This list shall, at a minimum, be updated and provided to the LEA by the beginning of each fiscal year (July 1) and at the beginning of each calendar year (January 1).

14. DPA Term.

- a. **Original DPA.** Paragraph 4 on page 2 of the DPA setting a three-year term for the DPA shall be deleted, and the following shall be inserted in lieu thereof: "This DPA shall be effective upon the date of signature by Provider and LEA, and shall remain in effect as between Provider and LEA 1) for so long as the Services are being provided to the LEA or 2) until the DPA is terminated pursuant to Section 15 of this Exhibit G, whichever comes first. The Exhibit E General Offer will expire three (3) years from the date the original DPA was signed."

15. **Termination.** Paragraph 1 of Article VII shall be deleted, and the following shall be inserted in lieu thereof: "In the event either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or been terminated. One party may terminate this DPA upon a material breach of this DPA by the other party. Upon termination of the DPA, the Service Agreement shall terminate."
16. **Privacy Policy.** The Provider must publicly disclose material information about its collection, use, and disclosure of Student Data, including, but not limited to, publishing a terms of service agreement, privacy policy, or similar document.
17. **Minimum Data Necessary Shared.** The Provider attests that the Student Data request by the Provider from the LEA in order for the LEA to access the Provider's products and/or services is limited to the Student Data that is adequate, relevant, and limited to what is necessary in relation to the K-12 school purposes for which it is processed.
18. **Student and Parent Access.** Access by students or parents/guardians to the Provider's programs or services governed by the DPA or to any Student Data stored by Provider shall not be conditioned upon agreement by the parents/guardians to waive any of the student data confidentiality restrictions or a lessening of any of the confidentiality or privacy requirements contained in this DPA.
19. **Data Storage.** Provider shall store all Student Data shared under the DPA within the United States.
20. **Exhibits A and B.** The Services described in Exhibit A and the Schedule of Data in Exhibit B to the DPA satisfy the requirements in SOPPA to include a statement of the product or service being provided to the school by the Provider and a listing of the categories or types of covered information to be provided to the Provider, respectively.

16. Exhibit G - Reimbursement of Expenses Associated with Security Breach, is deleted in its entirety and replaced with the following:

In the event of a Security Breach that is attributable to the Provider's failure to implement and maintain commercially reasonable security procedures and practices, the Provider shall pay the following direct and actual damages arising from the Security Breach: (i) notification to parents of those students whose Student Data was the subject of the Security Breach if required by applicable law; and (ii) notification to regulatory agencies or other entities if required by applicable law. The LEA shall be responsible for other costs, including its legal fees and credit monitoring (it being acknowledged that it is not

reasonably foreseeable that a Security Breach would impact a student's credit or financial security), and for other notifications or fulfilling any other requirements applicable to the LEA.

- 17. Exhibit G – Transfer or Deletion of Student Data**, the first three sentences are deleted in their entirety and replaced with the following:

The LEA shall notify Provider when the Student Data it has provided pursuant to the DPA is no longer needed for the LEA's purpose(s) under the Service Agreement and this DPA.
