The LEA may employ a **“Directive for Disposition of Data”** form, a copy of which is attached hereto as **Exhibit “D”**, or, with reasonable notice to the Provider, other form of its choosing. No further written request or notice is required on the part of either party prior to the disposition of Student Data described in **“Exhibit D”**. **After Student Data has been deleted from Provider’s active systems, it may continue to exist in backups and logs for a period of time until these are overwritten in the normal course of business and in accordance with Provider’s data retention and destruction policies.** Backups which are isolated and encrypted during which time the Provider agrees to protect the Student Data in backups under the same terms of this DPA. If any backup is restored after disposal of Student Data, the Provider agrees to delete the previously deleted Student Data.

11. To amend Article IV, Section 7 to add: ‘Notwithstanding the foregoing, Provider is prohibited from using Student Data or APPR data for any Commercial or Marketing Purpose as defined herein. And add after (iii) account holder, “which term shall not include students.”
12. To replace Article V, Section 1 (Data Storage) to state: Student Data and APPR Data shall be stored within the United States and Canada only. Upon written request of the LEA, Provider will, no more than one (1) time annually, provide a list of the locations where Student Data is stored.

Such examination will be conducted without undue disruption to Provider. The Provider will cooperate reasonably at no out-of-pocket expense to Provider with the LEA or its designee(s) and any local, state, or federal agency with oversight authority or jurisdiction in connection with any audit or investigation of the Provider and/or delivery of Services to students and/or LEA, and shall provide reasonable Access to the LEA’s Student Data and all records pertaining to the LEA and delivery of Services to the LEA provided under this DPA to such local, state, or federal agency.

15. To replace Article V. Section 4 (Data Breach) to state: In the event of a Breach as defined in 8 NYCRR Part 121.1 Provider shall provide notification to LEA within three (3) business days of confirmation of the incident, unless notification within this time limit would disrupt investigation of the incident by law enforcement. In such an event, notification shall be made within a reasonable time after the incident. Provider shall follow the following process:

(1) The security breach notification described above shall include, at a minimum, the following information to the extent known by the Provider and as it becomes available:

(2) Provider agrees to adhere to all federal and state requirements with respect to a data breach related to the Student Data, including, when appropriate or required, the legally required responsibilities and procedures for notification and mitigation of any such data breach.

(3) Provider further acknowledges and agrees to have a written incident response plan that reflects best practices and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of Student Data or any portion thereof, including personally identifiable information and agrees to provide LEA, upon written request, with a summary of said written incident response plan.

(4) LEA shall provide notice and facts surrounding the breach to the affected students, parents or guardians. Where a Breach of Student Data and/or APPR Data occurs that is attributable to Provider and/or its Subprocessors, Provider shall pay for or promptly reimburse LEA for the full cost of notification to Parents, Eligible Students, teachers, and/or principals.

(5) In the event of a breach originating from LEA's use of the Service, Provider shall reasonably cooperate with LEA to the extent necessary to expeditiously secure Student Data.

(6) Provider and its subprocessors will reasonably cooperate with the LEA, the NYSED Chief Privacy Officer and law enforcement where necessary, in any investigations into a Breach.
