If Provider's Subprocessor requires Access to the LEA's Student PII or APPR data to help deliver Provider's

services to the LEA, Provider shall ensure that its contract with Subprocessor requires Subprocessor to comply with substantially similar security and privacy obligations as those in the LEA's Data Privacy and Security Policy. Provider shall examine the data privacy and security measures of its Subprocessors. If at any point a Subprocessor fails to materially comply with the requirements of this DPA, Provider shall: (i) notify LEA, (ii) as applicable, remove such Subprocessor's Access to Student Data and APPR Data; and (iii) as applicable, retrieve all Student Data and APPR Data received or stored by such Subprocessor and/or ensure that Student Data and APPR Data has been securely deleted or securely destroyed in accordance with this DPA. Access to or Disclosure of Student Data and APPR Data shall only be provided to Provider's employees and Subprocessors who need to know the Student Data and APPR Data to provide the services and such Access and/or Disclosure of Student Data and APPR Data shall be limited to the extent necessary to provide such services.

Provider is prohibited from retaining disclosed Student Data or continuing to Access Student Data beyond the term of the Service Agreement unless such retention is expressly authorized for a prescribed period by the Service Agreement, necessary for purposes of facilitating the transfer of disclosed Student Data to the LEA, or expressly required by law. The confidentiality and data security obligations of Provider under this DPA shall survive any termination of this contract to which this DPA is attached but shall terminate upon Provider's certifying that it and its subprocessors, as applicable: (a) no longer have the ability to Access any Student Data provided to Provider pursuant to the Service Agreement and/or (b) have destroyed all Student Data and APPR Data provided to Provider pursuant to this DPA. The Provider agrees that the timelines for disposition of data will be modified by any Assurance of Discontinuation, which will control in the case of a conflict.

Upon termination of this DPA or the Services Agreement, if no written request from the LEA is received, Provider shall dispose of all student data within thirty (30) of

said termination date. Upon LEA's written request, provided said request is made within 15 days of termination or expiration of this DPA or Services Agreement, Provider shall return student data before its destruction. Prior to the Service Agreement terminating, the Provider will provide LEA notice that data will be deleted if the Service Agreement is not renewed in accordance with this DPA.

The duty to dispose of student data shall not extend to Student Data that had been de-identified or placed in a separate student account pursuant to section II 3. The LEA may employ a "**Directive for Disposition of Data**" form, a copy of which is attached hereto as **Exhibit "D"**, or, with reasonable notice to the Provider, other form of its choosing. No further written request or notice is required on the part of either party prior to the disposition of Student Data described in "**Exhibit D**".

11. To amend Article IV, Section 7 to add: "Notwithstanding the foregoing, Provider is prohibited from using Student Data or APPR data for any Commercial or Marketing Purpose as defined herein." And add after (iii) account holder, "which term shall not include students."
12. To replace Article V, Section 1 (Data Storage) to state: Student Data and APPR Data shall be stored within the United States and Canada only. Upon request of the LEA, Provider will provide a list of the locations where Student Data is stored.
13. To replace Article V, Section 2 (Audits) to state: No more than once a year or following an unauthorized Access, upon receipt of a written request from the LEA with at least ten (10) business days' notice and upon the execution of an appropriate confidentiality agreement, the Provider will allow the LEA or its designee(s) to audit the security and privacy measures that are in place to ensure protection of Student Data or any portion thereof as it pertains to the delivery of services to the LEA . The Provider will cooperate reasonably with the LEA or its designee(s) and any local, state, or federal agency with oversight authority or jurisdiction in connection with any audit or investigation of the Provider and/or delivery of Services to students and/or LEA, and shall provide reasonable Access to the Provider's facilities, staff, agents and LEA's Student Data and all records pertaining to the Provider, LEA and delivery of Services to the LEA.

Upon request by the New York State Education Department's Chief Privacy Officer (NYSED CPO), Provider shall provide the NYSED CPO with copies of its policies and related procedures that pertain to the protection of information. In addition, the NYSED CPO may require Provider to undergo an audit of its privacy and security safeguards, measures, and controls as they pertain to alignment with the requirements of New York State laws and regulations, and alignment with the NIST Cybersecurity Framework. Any audit required by the NYSED CPO must be performed by an independent third party at Provider's expense and the audit report must be provided to the NYSED CPO. In lieu of being subject to a required audit, Provider may provide the NYSED CPO with an industry standard independent audit report of Provider's privacy and security practices that was issued no more than twelve months before the date that the NYSED CPO informed Provider that it required Provider to undergo an audit. Failure to reasonably cooperate with any of the requirements in this provision shall be deemed a material breach of the DPA.

To replace the third sentence of Article V. Section 3 (Data Security) to read: The Provider shall implement security practices that are in alignment with the NIST Cybersecurity Framework v1.1 or any update to the NIST Cybersecurity Framework that is adopted by the New York State Department of Education.

14. To replace Article V. Section 4 (Data Breach) to state: In the event of a Breach as defined in 8 NYCRR Part 121.1 Provider shall provide notification to LEA within seventy-two (72) hours of confirmation of the incident, unless notification within this time limit would disrupt investigation of the incident by law enforcement. - (3) Provider further acknowledges and agrees to have a written incident response plan that reflects best practices and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of Student Data or any portion thereof, including personally identifiable information and agrees to provide LEA, upon request, with a summary of said written incident response plan.
- (4) LEA shall provide notice and facts surrounding the breach to the affected students, parents or guardians. Where a Breach of Student Data and/or APPR Data occurs that is attributable to Provider and/or its Subprocessors, Provider shall pay for or promptly reimburse LEA for the full cost of notification to Parents, Eligible Students, teachers, and/or principals allowable under law.
- (5) In the event of a breach originating from LEA's use of the Service, Provider shall cooperate with LEA to the extent necessary to expeditiously secure Student Data.
- (6) Provider will cooperate with the LEA, the NYSED Chief Privacy Officer and law enforcement where necessary, in any investigations into a Breach and shall ensure its contracts with subprocessors contain substantially similar requirements. If Provider's subprocessors are involved in the Breach, Provider will utilize the processes in its contract with the subprocessor to assist the NYSED Chief Privacy Officer and law enforcement where necessary. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.
5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.

7. **Successors Bound**: This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority**. Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver**. No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.
