Soundtrap for Education is an online audio recording studio, where teachers and students can collaborate in a safe classroom using any device.

Soundtrap for Education allows you to create a secure learning environment designed to ensure the safety of your students.

Soundtrap for Education has various loops, sound effects and virtual instruments, live video collaboration and feedback features. You can also connect keyboards, guitars, microphones and any other type of ancillary music equipment. Your students can create music in any genre, record a class choir ensemble, or produce podcasts.
