Artsonia LLC

This Student Data Privacy Agreement (“DPA”) is incorporated by reference into the Service Agreement (as defined below) entered into by and between the customer set forth below (hereinafter referred to as “LEA”) and Artsonia LLC (hereinafter referred to as “Provider”) effective as of the date the DPA is accepted by LEA (“Effective Date”) (each of Provider and LEA, a “Party” and together “Parties”). The Parties agree to the terms as stated herein.

RECITALS

WHEREAS, the Provider has agreed or will agree to provide the Local Education Agency (“LEA”) with certain digital educational services as described in Section 1 pursuant to the Provider’s Terms of Service located at www.artsonia.com entered into the same date as this DPA (the “Service Agreement”); and

WHEREAS, in order to provide the Services described in Section 1, the Provider may receive or create and the LEA may provide documents or data that are covered by several federal statutes, among them, the Federal Educational Rights and Privacy Act (“FERPA”) at 20 U.S.C. 1232g and 34 CFR Part 99, Children’s Online Privacy Protection Act (“COPPA”), 15 U.S.C. 6501-6502; Protection of Student Rights Amendment (“PPRA”) 20 U.S.C. 1232h; the Individuals with Disabilities Education Act (“IDEA”), 20 U.S.C. §§ 1400 *et. seq.*; and

WHEREAS, the Parties wish to enter into this DPA to ensure that the Services and Service Agreement provided conform to the requirements of the privacy laws referred to above and to establish implementing procedures and duties.

NOW THEREFORE, for good and valuable consideration, the Parties agree as follows:

1. PURPOSE AND SCOPE

- 1.1. **Purpose of DPA.** The purpose of this DPA is to describe the duties and responsibilities to protect Student Data (as defined in Exhibit C) transmitted to Provider from the LEA and its users pursuant to the Service Agreement including compliance with all applicable federal and state privacy statutes, including the FERPA, PPRA, COPPA, and IDEA. This DPA, together with the Service Agreement, is the “Agreement”.
- 1.2. **Nature of Services Provided.** Pursuant to and as fully described in the Service Agreement, Provider has agreed to provide the digital educational services as set forth in Exhibit A hereto and any other products and services that Provider may provide now or in the future (the “Services”).
- 1.3. **Student Data to Be Provided.** In order to perform the Services described in this Section and the Service Agreement, LEA shall provide the categories of data indicated in the Schedule of Data, attached hereto as Exhibit B.
- 1.4. **DPA Definitions.** The definition of terms used in this DPA is found in Exhibit C. In the event of a conflict, definitions used in this DPA shall prevail over terms used in all other writings, including, but not limited to, the Service Agreement, privacy policies or any terms of service.

2. DATA OWNERSHIP AND AUTHORIZED ACCESS

- 2.1. **Student Data Property of LEA.** All Student Data or any other Education Records transmitted to the Provider pursuant to this Agreement is and will continue to be the property of and under the control of the LEA, or to the party who provided such data (such as the student or parent). The Provider further acknowledges and agrees that all copies of such Student Data or any other Education Records transmitted to the Provider, including any modifications or additions or any portion thereof from any source, are also subject to the provisions of this Agreement in the same manner as the original Student Data or Education Records. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data or any other Education Records contemplated per this Agreement shall remain the exclusive property of the LEA or the party who provided such data (such as the student or parent).
- 2.2. **Exemptions under FERPA.** LEA may not generally disclose Personally Identifiable Information from an eligible student's Education Record to a third-party without written consent of the parent and/or eligible student or without meeting one of the exemptions set forth in FERPA ("FERPA Exemption(s)"), including the exemption for Directory Information ("Directory Information Exemption") or School Official exemption ("School Official Exemption"). For the purposes of FERPA, to the extent Personally Identifiable Information from Education Records are transmitted to Provider from LEA or from students using accounts at the direction of the LEA, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of Education Records. Additionally, certain information, provided to Provider by LEA about a student, such as student name and grade level, may be considered Directory Information (as defined below) under FERPA and thus not an Education Record.
- 2.3. **Parent Access.** LEA shall establish reasonable procedures by which a parent, legal guardian, or eligible student may review personally identifiable information contained in the related student's Education Records and correct erroneous information, consistent with the functionality of Services. Provider shall cooperate and respond within ten (10) days to the LEA's request for Personally Identifiable Information contained in the related student's Education Records held by the Provider to view or correct as necessary. In the event that a parent/legal guardian of a student or other individual contacts the Provider to review any of the Education Records or Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.
- 2.4. **Third Party Request.** Should a third party, excluding a Service Provider, including, but not limited to law enforcement, former employees of the LEA, current employees of the LEA, and government entities, contact Provider with a request for Student Data held by the Provider pursuant to the Services, the Provider shall redirect the third party to request the data directly from the LEA, unless and to the extent that Provider reasonably believes it must grant such access to the third party because the data disclosure is necessary: (i) pursuant to a court order or legal process, (ii) to comply with statutes or regulations, (iii) to enforce the Agreement, or (iv) if Provider believes in good faith that such disclosure is necessary to protect the rights, property or personal safety of Provider's users, employees or others. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party, unless legally prohibited.
- 2.5. **No Unauthorized Use.** Provider shall not use Personally Identifiable Information contained in Student Data or in an Education Record for any purpose other than as explicitly specified in this Agreement.
- 2.6. **Service Providers.** Provider shall enter into written agreements with all Service Providers performing

functions pursuant to this Agreement, whereby the Service Providers agree to protect Student Data in manner consistent with the terms of this DPA. The list of Provider's current Service Providers can be accessed through the Provider's Privacy Policy (which may be updated from time to time).

LEA represents, warrants, and covenants to Provider that it shall not provide information to Provider from any student or parent/legal guardian that has opted out of the disclosure of Directory Information. Provider depends on LEA to ensure that LEA is complying with the FERPA provisions regarding the disclosure of any Student Data that will be shared with Provider.

- 3.2. **Reasonable Precautions.** LEA shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the Services and/or hosted data shared pursuant to the Agreement.
- 3.3. **Unauthorized Access Notification.** LEA shall notify Provider promptly of any known or suspected unauthorized use or access of the Services, LEA's account, or Student Data. LEA will assist Provider in any efforts by Provider to investigate and respond to any unauthorized use or access.

4. DUTIES OF PROVIDER

- 4.1. **Privacy Compliance.** The Provider shall comply with all applicable state and Federal laws and regulations pertaining to data privacy and security, applicable to the Provider providing the Service to LEA. Provider will ensure that it's Services help LEA comply with FERPA and PPRA.
- 4.2. **Authorized Use.** Student Data shared pursuant to this Agreement, including persistent unique identifiers, shall be used for no purpose other than the Services and for the uses set forth in the Agreement and/or as otherwise legally permissible, including, without limitation, for adaptive learning or customized student learning. The foregoing limitation does not apply to any De-Identified Data (as defined in Exhibit C).
- 4.3. **Employee Obligation.** Provider shall require all employees and agents who have access to Student

Data to comply with all applicable provisions of this DPA with respect to the Student Data shared under this DPA. Provider agrees to require and maintain an appropriate confidentiality agreement from each employee or agent with access to Student Data pursuant to the DPA.

- 4.4. **No Disclosure.** Provider shall not disclose, transfer, share or rent any Student Data obtained under the Agreement in a manner that directly identifies an individual student to any other entity other than LEA except: (i) as authorized by the Agreement; (ii) as directed by LEA. (iii) to authorized users of the Services, including parents or legal guardians; (iv) as permitted by law; (v) in response to a judicial order as set forth in Section 2.4; (vi) to protect the safety or integrity of users or others, or the security of the Services; or (vii) to Service Providers, in connection with operating or improving the Service. Provider will not Sell (as defined in Exhibit C) Student Data.
- 4.5. **De-Identified Data.** De-Identified Data may be used by the Provider for any lawful purpose, including, but not limited to, development, research, and improvement of educational sites, services, or applications, and to demonstrate the market effectiveness of the Services. Provider's use of such De-Identified Data shall survive termination of this DPA or any request by LEA to return or destroy Student Data. Provider agrees not to attempt to re-identify De-identified Data and not to transfer De-identified Data to any party unless that party agrees in writing not to attempt re-identification.
- 4.6. **Disposition of Data.** Provider shall, at LEA's request, dispose of or delete all Personally Identifiable Information contained in Student Data within a reasonable time period following a written request. Additionally, if a written request is received from LEA to transfer Personally Identifiable Information contained in Student Data to LEA, Provider shall transfer said Personally Identifiable Information contained in Student Data to LEA or LEA's designee within sixty (60) days of the date of such written request by LEA, or as required by law, and according to a schedule and procedure as the Parties may reasonably agree. If no written request is received, Provider shall dispose of or delete all Personally Identifiable Information contained in Student Data at the earliest of (a) when it is no longer needed for the purpose for which it was obtained or (b) as required by applicable law. Nothing in the DPA authorizes Provider to maintain Personally Identifiable Information contained in Student Data obtained under the Agreement beyond the time period reasonably needed to complete the disposition, unless a student, parent or legal guardian of a student chooses to establish and maintain a separate account with Provider for the purpose of storing Student Generated Content. Disposition shall include (1) the shredding of any hard copies of any Personally Identifiable Information contained in Student Data; (2) erasing any Personally Identifiable Information contained in Student Data; or (3) otherwise modifying the Personally Identifiable Information contained in Student Data to make it unreadable or indecipherable or De-Identified. Provider shall provide written notification to LEA when the Personally Identifiable Information contained in Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been De-Identified. The LEA may employ a "Request for Return or Deletion of Student Data" FORM, a copy of which is attached hereto as Exhibit D.
- 4.7. **Advertising Prohibition.** Provider is prohibited from using Personally Identifiable Information contained in Student Data (a) to serve Targeted Advertising to students or families/guardians unless with the consent of parent/guardian or LEA; (b) to develop a profile of a student for any commercial purpose other than providing the Service to LEA or as authorized by the parent/guardian or LEA; or (c) for the development of commercial products or services, other than as necessary to provide the Service to Client, as authorized by the parent or legal guardian, or as permitted by applicable law. Personally Identifiable Information contained in Student Data should never be used or disclosed for Third-Party Advertising (as defined in Exhibit C). This section shall not be construed to (i) prohibit Provider from marketing or advertising directly to parents or other users so long as the marketing or advertising did not result from the use of Personally Identifiable Information contained in Student Data obtained by Provider from providing the Services (unless such use is consented to by parents or legal guardians);

(ii) apply to the marketing of school memorabilia such as photographs, yearbooks, or class rings; (iii) prohibit Provider from using aggregate or De-Identified Data to inform, influence or enable marketing, advertising, or other commercial efforts by Provider; (iv) limit the ability of Provider to use Student Data for adaptive learning or customized student learning purposes; (v) prohibit Provider from using Student Data to recommend educational products or services to parents/guardians, students or LEA's so long as the recommendations are not based in whole or in part by payment or other consideration from a third party, (vi) prohibit Provider from using Student Data with parent/guardian consent to direct advertising to students to identify higher education or scholarship providers that are seeking students who meet specific criteria

DESCRIPTION OF SERVICES

Artsonia is the world's largest online student art museum, offering a free, educational resource to schools, teachers, and parents. Art teachers can publish student artwork to the school's online gallery, creating a digital portfolio for each individual student.

Parents and family members are notified when new artwork is available and are invited to browse the school gallery. This enables teachers to explain what the student has learned and what methods were used in the art creation process.

After the student artwork is published online, parents and family members may purchase keepsakes from our gift shop with the child's artwork imprinted on the item. 20% of all purchases are donated back to the school's art program.

Participating teachers have the opportunity to post and view lesson plans on Artsonia, providing a wonderful resource for art educators looking for ideas and inspiration. Artsonia helps teachers keep school art programs on the cutting edge of quality, cross-curriculum art instruction.
