All Student Data transmitted to the Provider pursuant to the Service Agreement is and will continue to be the property of and under the control of the School Unit. The Provider further acknowledges and agrees that all copies of such Student Data transmitted to the Provider, including any modifications or additions or any portion thereof from any source, are subject to the provisions of this DPA in the same manner as the original Student Data. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the School Unit, who will follow the necessary and proper procedures regarding the requested information.

3. Separate Account. If Pupil Generated Content is stored or maintained by the Provider as part of the Services, Provider shall, at the request of the School Unit, transfer Student Generated

Content to a separate student account upon termination of the Service Agreement; provided, however, that such transfer shall only apply to Pupil Generated Content that is severable from the Services.

- 4. Third Party Request.** Should a Third Party, including law enforcement and government entities, contact Provider with a request for data held by the Provider pursuant to the Services, the Provider shall redirect the Third Party to request the data directly from the School Unit. Provider shall notify the School Unit in advance of a compelled disclosure to a Third Party unless prohibited by law from doing so. Except to provide the Services or as otherwise expressly authorized under this DPA or Section 5 of the Service Agreement, the Provider will not use, disclose, compile, transfer, and/or sell the Student Data and/or any portion thereof to any Third Party or other entity or allow any other Third Party or other entity to use, disclose, compile, transfer or sell the Student Data and/or any portion thereof. Annual Notification of Rights.** If the School Unit has a policy of disclosing education records under 34 CFR § 99.31 (a) (1), School Unit shall include a specification of criteria for determining who constitutes a “school official” and what constitutes a “legitimate educational interest” in its annual notification of rights, and determine whether Provider qualifies as a “school official.”
- 3. Reasonable Precautions.** School Unit shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the Services and hosted data.
- 4. Unauthorized Access Notification.** School Unit shall notify Provider promptly of any known or

suspected unauthorized access. School Unit will assist Provider in any efforts by Provider to investigate and respond to any unauthorized access.

No Disclosure.** De-identified information may be used by the Provider for the purposes of development, research, and improvement of educational sites, services, or applications, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless such de-identified data is aggregated or generic data and the Third Party agrees in writing not to attempt to re-identify it, or unless: (a) that party agrees in writing not to attempt re-identification, and (b) prior written notice has been given to School Unit, who has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any Student Data, PII, or other financial or confidential information obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.

- 5. Disposition of Data.** Upon receipt of written request from School Unit, Provider shall transfer to School Unit any Student Data retained by Provider, in an industry-standard format. Upon receipt of written request from School Unit following termination of the Service

Agreement or at any time during the term of the Service Agreement upon receipt of written request, Provider will dispose of or delete all Student Data obtained under the Service Agreement (provided that it is no longer needed for the purpose for which it was obtained). Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Disposition shall include: (1) shredding any and all hard copies of any Student Data; and (2) erasing or otherwise modifying the records to make them unreadable and indecipherable. Upon receipt of written request from School Unit, Provider shall provide written notification to School Unit when the Student Data has been disposed of or deleted. The duty to dispose of or delete Student Data shall not extend to data that has been de-identified or placed in a separate student account, pursuant to the other terms of the DPA. The School Unit may employ a “Directive for Disposition of Data” Form, a copy of which is attached hereto as Exhibit “D”. Upon receipt of a written request from the School Unit, the Provider will provide the School Unit with any specified portion of the Student Data retained by Provider within ten (10) calendar days of receipt of said request.

Without limiting any other provision in this DPA, Provider is specifically prohibited from using, disclosing, or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service(s) to School Unit; or (d) for the development of commercial products or services, other than as necessary to provide the Service(s) to School Unit and/or to develop or improve Services and provided that no Student Data is disclosed or sold by Provider when doing so. Notwithstanding the foregoing, Provider shall not use Student Data for any marketing or advertising purposes unless such use is expressly permitted by applicable law, except as described below in the remainder of this subsection 6. Notwithstanding anything to the contrary herein, Provider may also allow parents access to its “Parent Portal” through which parents receive emails that contain advertisements and/or links for parents to purchase a family version of the Service. Provider may only email parents if the School Unit provides Provider with parent email addresses and authorizes such communications (or if the Parent otherwise requests or consents to communication from Provider).

The Provider agrees to abide by and maintain commercially reasonable data security measures, consistent with industry standards and technology best practices, to protect Student Data from unauthorized disclosure or acquisition by an unauthorized person.
