4. No Disclosure. De-identified information may be used by the Provider for the purposes of development, research, and improvement of educational sites, Services, or applications, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless (a) that party agrees in writing not to attempt re-identification, and (b) prior written notice has been given to LEA, which has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.

5. Disposal of Data. Upon request, Provider shall dispose of or delete all Student Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained. Disposal shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable and/or indecipherable by human or digital means. Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposal. Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. Upon receipt of a request from the LEA, the Provider will provide the LEA with any specified portion of the Student Data within ten (10) calendar days of receipt of said request.

a. Partial Disposal During Term of Service Agreement. Throughout the term of the Service Agreement, LEA may request partial disposal of Student Data obtained under the Service Agreement that is no longer needed. Partial disposal of data shall be subject to LEA's request to transfer data to a Student Generated Content account pursuant to Article II, section 3, above. The LEA may also request that specific Student Data be returned to the LEA.

b. Complete Disposal Upon Termination of Service Agreement. Upon termination of the Service Agreement Provider shall dispose of or delete all Student Data obtained under the Service Agreement. Prior to disposal of the data, Provider shall notify LEA of its option to transfer data to a Student Generated Content account pursuant to Article II, section 3, above, or to other

accounts as may be designated by the LEA. In no event shall Provider dispose of data pursuant to this provision unless and until Provider has received affirmative written confirmation from LEA that data will not be transferred to a separate account.

c. Pre-termination Data Disposal Meeting. In addition to the foregoing requirements, the LEA may request in writing that Provider participate in a meeting to discuss disposal of the Student Data prior to termination of the Service Agreement.

6. Advertising Prohibition. Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or Services, other than as necessary to provide the Service to LEA. Provider shall maintain all data obtained or generated pursuant to the Service Agreement in a secure digital environment and not copy, reproduce, or transmit data obtained pursuant to the Service Agreement, except as necessary to fulfill the purpose of data requests by LEA.

d. Employee Training. The Provider shall provide periodic security training to those of its employees who operate or who are authorized to access the Provider's computer systems and/or the Student Data. Further, Provider shall provide LEA with contact information of an employee who LEA may contact if there are any security concerns or questions.

e. Mobile Use of Student Data. Provider shall ensure that any and all mobile devices of any type (including, but not limited to, laptops, tablets, and phones), which are used for access to, storage or analysis of Student Data by Provider's employees, contractors and/or Subprocessors shall be protected by industry standard encryption to prevent unauthorized access by third parties. Provider shall also implement a Bring Your Own Device ("BYOD") policy for its own employees, which requires them to use physical and technical safeguards against third party access to the device, and a copy of that BYOD policy shall be provided to LEA as part of Exhibit F to this DPA. Provider shall ensure that all contractors and/or Subprocessors implement BYOD policies, which provide for substantially the same level of security for mobile devices as are provided by Provider's BYOD policy.

f. Security Technology. When the Student Data is accessed using a supported web browser, Provider shall employ industry standard measures to protect data from unauthorized access. The service security measures shall include server authentication and data encryption. Provider shall host data pursuant to the Service Agreement in an environment using a firewall that is updated according to

industry standards.

g. Security Coordinator. If different from the designated representative identified in Article VII, section 5, Provider shall provide the name and contact information of Provider's Security Coordinator for the Student Data received pursuant to the Service Agreement.

h. Subprocessors Bound. Provider shall enter into written agreements whereby Subprocessors agree to secure and protect Student Data in a manner consistent with the terms of this Article V. Provider shall periodically (no less than semi-annually) conduct or review compliance monitoring and assessments of Subprocessors to determine their compliance with this Article.

l. Periodic Risk Assessment. Provider further acknowledges and agrees to conduct digital and physical periodic (no less than semi-annual) risk assessments and remediate any identified security and privacy vulnerabilities in a timely manner. In the event that the term of the Service Agreement is anticipated to be longer than two (2) years, Provider shall provide written confirmation to the LEA that a third party has conducted a risk assessment analysis of Provider's computer systems at some point during the term of the Service Agreement.

j. Compliance Audit. LEA shall have the right but shall be under no obligation to conduct audit(s), from time to time, of Provider's records concerning its compliance obligations as set forth in this Article V. Provider shall make such records and other documents available to LEA upon request.

2. Data Breach. In the event that Student Data is accessed or obtained by an unauthorized individual, Provider shall provide notification to LEA immediately following discovery of the incident. Provider shall follow the following process:

g. In the event of a breach originating from LEA's use of the Service, Provider shall cooperate with LEA to the extent necessary to expeditiously secure Student Data.

ARTICLE VI – INDEMNITY

1. Indemnity. Provider shall defend, indemnify and hold harmless the LEA, its officers, directors, employees, agents and assigns (the "Indemnitees") from and against any and all losses, damages, liabilities, deficiencies, actions, judgments, interest, awards, penalties, fines, costs or expenses of whatever kind, including reasonable attorneys' fees, the cost of enforcing any right to indemnification hereunder and the cost of pursuing any insurance carrier, arising out of or resulting from any third-party claim against the Indemnitees arising out of or resulting from Provider's failure to comply with any of its obligations under this DPA. Provider's duty to defend and indemnify the LEA includes any and all claims and causes of action whether based in tort, contract, statute, or equity. Provider agrees that it shall be obligated to accept any tender of defense by the LEA pursuant to this DPA and provide a full defense to the LEA so long as any potential exists for Provider to have an obligation to indemnify the LEA for any part of any potential judgment against the LEA.

Provider's defense and indemnity obligations herein are intended to provide for the broadest indemnity rights available under Washington law and shall survive the termination of this DPA. To the extent Provider's defense and indemnity obligations as set forth in this DPA conflict with the terms of the Service Agreement, the defense and indemnity provisions set forth herein shall control.

ARTICLE VII- GENERAL OFFER OF PRIVACY TERMS

Provider may, by signing the attached Form of General Offer of Privacy Terms (General Offer, attached hereto as Exhibit "E"), be bound by the terms of this DPA to any other LEA who signs the acceptance on in said Exhibit. The Form is limited by the terms and conditions described therein.

ARTICLE VIII: MISCELLANEOUS

2. Termination. In the event that either party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated. LEA shall have the right to terminate the DPA and Service Agreement in the event of a material breach by Provider, its employees, or agents of the terms of this DPA.

No indemnification provisions granted by the LEA in the Service Agreement shall be effective as to a breach of the terms of this DPA by the Provider. Except as described in this paragraph herein, all other provisions of the Service Agreement shall remain in effect.
