## Addendum 1: Student Data Agreement

This addendum is being issued to append the Data Sharing Agreement (the "Agreement") between CareerSafe, LLC ("Provider") and Irvine USD (the "District").

This is in response to Article IV section 6 "Disposition of Data", Article VII section 2 "Effect of Termination Survival". The only time information is shared is through our Occupational Safety and Health Administration (OSHA) agreement as an OSHA-authorized online outreach training provider. The only information shared with OSHA is the student's name, date of course completion, amount of time spent on the course, final exam score, and number of attempts on the final exam.

Provider shall maintain student records solely for the purpose of meeting regulations of OSHA as relates to documentation of credential requirements. During the five-year mandated data maintenance period, Provider agrees to maintain security of students' personally identifiable information in accordance with this agreement. Upon the expiration of OSHA mandated five-year data maintenance period, Provider agrees to erase, destroy, and render unreadable, all data in its entirety in the manner that prevents its physical reconstruction through the use of commonly available file restoration utilities.

The Data Sharing Agreement (the "Agreement") will be made effective upon execution of this addendum by both parties.
