 Integrated Chinese Vol. 2, 4<sup>th</sup> edition (ISBN: 9781622911394/9781622911417)  
 Integrated Chinese Vol. 3, 4<sup>th</sup> edition (ISBN: 9781622911592/9781622911561)

The above referenced product is protected by both U.S. copyright law and international treaty provisions. Cheng & Tsui Company grants this NON-EXCLUSIVE site license only to the purchaser of this product. This license remains valid for the duration of all courses for which the corresponding texts are adopted as required materials. This license is void once the corresponding materials are no longer used in any course at the specified district.

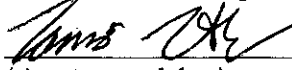

This license grants the district the permission upload this material to the school or district server(s) or web site(s). The material must be password protected and/or encrypted in such a manner as to ensure that only registered students and school personnel have access to it, and that the material cannot be duplicated by any party accessing it. A copyright compliance statement must be placed on each web page.

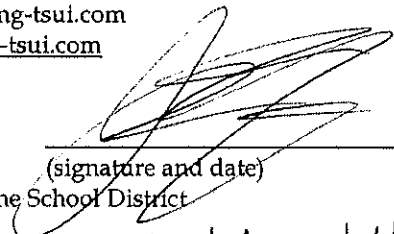

The site and all announcements of this course material on the site shall always reference the full title, authorship, and copyright notice of the publication and acknowledge that permission was granted by Cheng & Tsui Company, publisher of the series, with full contact information as follows; along with a link to our web site as underlined below:

This information has been made available by a licensing agreement from the Cheng & Tsui Company, Inc., Boston, MA. Copying or distribution of any of the materials without the expressed written consent of the Publisher is prohibited. All inquiries should be directed to:
