

GSuite for Education and other Google Products

Google has yet to sign a model Data Privacy Agreement (DPA) although, they have continued to update their GSuite for Education Terms and Privacy statements to align to both Federal and state requirements. Currently the GSuite for Education on line agreement terms are aligned to and meet the MA Model DPA requirements.

These terms can be found here;

[G Suite for Education \(Online\) Agreement](#)

[G Suite for Education Privacy Notice](#)

[Data Processing Amendment to G Suite and/or Complementary Product Agreement](#)
