and

HEARTLAND PAYMENT SYSTEMS, LLC

April 7, 2020

ARTICLE I: PURPOSE AND SCOPE

The purpose of this Agreement is to establish the terms and conditions governing
the use and sharing of personally identifiable information ("PII") related to
students, teachers, and employees of the Narragansett School System ("School""). The
School and Heartland Payment Systems, LLC ("Heartland") agree to the terms
and conditions outlined herein for the use and sharing of PII in accordance with
the Family Educational Rights and Privacy Act ("FERPA").
This Rhode Island Student Data Privacy Agreement ("DPA") is entered into by and between the school district, Narragansett School System (hereinafter referred to as "LEA") and HEARTLAND PAYMENT SYSTEMS, LLC (hereinafter referred to as "Provider") on April 7, 2020, 2020. The Parties agree to the terms as stated herein.

RECITALS

WHEREAS, the Provider has agreed or will agree to provide the Local Education Agency ("LEA") with certain digital educational services ("Services") as described in Article I and Exhibit "A"; and

WHEREAS, the Provider, by signing this Agreement, agrees to allow the LEA to offer school districts in Rhode Island the opportunity to accept and enjoy the benefits of the DPA for the Services described, without the need to negotiate terms in a separate DPA; and

WHEREAS, in order to provide the Services described in Article I and Appendix A, the Provider may receive or create and the LEA may provide documents or data that are covered by several federal statutes, among them, the Federal Educational Rights and Privacy Act ("FERPA") at 20 U.S.C. 1232g and 34 CFR Part 99, Children's Online Privacy Protection Act ("COPPA"), 15 U.S.C. 6501-6502; Protection of Pupil Rights Amendment ("PPRA") 20 U.S.C. 1232h; the Individuals with Disabilities Education Act ("IDEA"), 20 U.S.C. §§ 1400 et. seq.; and

WHEREAS, the documents and data transferred from Rhode Island LEAs and created by the Provider's Services are also subject to several Rhode Island student privacy laws, including R.I.G.L. 16-71-1, et. seq., R.I.G.L. 16-104-1, and R.I.G.L., 11-49.3 et. seq.; and

WHEREAS, the Parties wish to enter into this DPA to ensure that the Services provided conform to the requirements of the privacy laws referred to above and to establish implementing procedures and duties.

NOW THEREFORE, for good and valuable consideration, the parties agree as follows:

ARTICLE I: PURPOSE AND SCOPE

1. **Purpose of DPA.** The purpose of this DPA is to describe the duties and responsibilities to protect Student Data (as defined in Exhibit "C") transmitted to Provider from the LEA pursuant to Exhibit "A", including compliance with all applicable state privacy statutes, including the FERPA, PPRA, COPPA, IDEA, R.I.G.L. 16-71-1, et. seq., R.I.G.L. 16-104-1, and R.I.G.L., 11-49.3 et. seq.. In performing these services, to the extent Personally Identifiable Information (as defined in Exhibit "C") from Pupil Records (as defined in Exhibit "C") are transmitted to Provider from LEA, the Provider shall be considered a School Official with a legitimate educational interest, and performing services otherwise provided by the LEA. Provider shall be under the direct control and supervision of the LEA. Control duties are set forth below.

2. **Nature of Services Provided.** The Provider has agreed to provide the following digital educational services described in Exhibit “A”.

3. **Student Data to Be Provided.** In order to perform the Services described in this Article and Exhibit “A”, LEA shall provide the categories of data described in the Schedule of Data, attached hereto as Exhibit “B”.

4. **DPA Definitions.** The definition of terms used in this DPA is found in Exhibit “C”. In the event of a conflict, definitions used in this DPA shall prevail over terms used in all other writings, including, but not limited to, a service agreement, privacy policies or any terms of service.

**ARTICLE II: DATA OWNERSHIP AND AUTHORIZED ACCESS**

1. **Student Data Property of LEA.** All Student Data or any other Pupil Records transmitted to the Provider pursuant to this Agreement is and will continue to be the property of and under the control of the LEA, or the party who provided such data (such as the student or parent). The Provider further acknowledges and agrees that all copies of such Student Data or any other Pupil Records transmitted from LEA to the Provider, including any modifications or additions or any portion thereof from any source, are also subject to the provisions of this Agreement in the same manner as the original Student Data or Pupil Records. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data or any other Pupil Records contemplated per this Agreement shall remain the exclusive property of the LEA. For the purposes of FERPA and state law, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of student data notwithstanding the above. The Provider will cooperate and provide Student Data within ten (10) days at the LEA’s request. Provider may transfer pupil-generated content to a separate account, according to the procedures set forth below.

2. **Parent Access.** LEA shall establish reasonable procedures by which a parent, legal guardian, or eligible student may review personally identifiable information on the pupil’s records, correct erroneous information, and procedures for the transfer of pupil-generated content to a personal account, consistent with the functionality of services. Provider shall cooperate and respond within ten (10) days to the LEA’s request for personally identifiable information in a pupil’s records held by the Provider to view or correct as necessary. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Pupil Records of Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.

3. **Separate Account.** Provider shall, at the request of the LEA, transfer Student Generated Content to a separate student account.

4. **Third Party Request.** Should a Third Party, including, but not limited to law enforcement, former employees of the LEA, current employees of the LEA, and government entities, contact Provider with a request for data held by the Provider pursuant to the Services, the Provider shall, unless prohibited by applicable law or order, redirect the Third Party to request the data directly from the LEA and shall cooperate with the LEA to collect the required information. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party, unless legally prohibited. The Provider will not use, disclose, compile, transfer, sell the Student Data and/or any portion thereof to
any third party or other entity or allow any other third party or other entity to use, disclose, compile, transfer or sell the Student Data and/or any portion thereof, without the express written consent of the LEA or without a court order or lawfully issued subpoena. Student Data shall not constitute that information that has been anonymized or de-identified, or anonymous usage data regarding a student’s use of Provider’s services.

5. **No Unauthorized Use.** Provider shall not use Student Data or information in a Pupil Record for any purpose other than as explicitly specified in this DPA.

6. **Subcontractors.** Provider shall enter into written agreements with all Subcontractors performing functions pursuant to this DPA, whereby the Subcontractors agree to protect Student Data in manner consistent with the terms of this DPA. Provider shall provide the LEA with the name, address and other information as reasonably required by the LEA regarding each such subcontractor with which it share any data. Through the term of the agreement, Provider shall also provide prior notice to LEA if Provider has engaged a subcontractor who may have access to Student Data.

**ARTICLE III: DUTIES OF LEA**

1. **Provide Data In Compliance With Laws.** LEA shall provide data for the purposes of the DPA in compliance with the FERPA, PPRA, IDEA, R.I.G.L. 16-71-1, et. seq., R.I.G.L. 16-104-1, and R.I.G.L., 11-49.3 et. seq., and the other privacy statutes quoted in this DPA. LEA shall ensure that its annual notice under FERPA includes vendors, such as the Provider, as “School Officials.”

2. **Reasonable Precautions.** LEA shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the services and hosted data.

3. **Unauthorized Access Notification.** LEA shall notify Provider promptly of any known or suspected unauthorized access. LEA will assist Provider in any efforts by Provider to investigate and respond to any unauthorized access.

**ARTICLE IV: DUTIES OF PROVIDER**

1. **Privacy Compliance.** The Provider shall comply with all Rhode Island and Federal laws and regulations pertaining to data privacy and security, including FERPA, COPPA, PPRA, R.I.G.L. 16-71-1, et. seq., R.I.G.L. 16-104-1, and R.I.G.L., 11-49.3 et. seq.
2. **Authorized Use.** Student Data shared pursuant to this DPA, including persistent unique identifiers, shall be used for no purpose other than the Services stated in this DPA and as authorized under the statutes referred to in subsection (1), above. Provider also acknowledges and agrees that, other than in order to provide the Services, it shall not make any re-disclosure of any Student Data or any portion thereof, including without limitation, any student data, meta data, user content or other non-public information and/or personally identifiable information contained in the Student Data, without the express written consent of the LEA, unless it fits into the de-identified information exception in Article IV, Section 4, or there is a court order or lawfully issued subpoena for the information.

3. **Employee Obligation.** Provider shall require all employees and agents who have access to Student Data to comply with all applicable provisions of this DPA with respect to the data shared under this DPA. Provider agrees to require and maintain an appropriate confidentiality agreement from each employee or agent with access to Student Data pursuant to the DPA.

4. **No Disclosure.** De-identified information, as defined in Exhibit “C”, may be used by the Provider for the purposes of development, research, and improvement of educational sites, services, or applications, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless (a) that party agrees in writing not to attempt re-identification, and (b) prior written notice has been given to the LEA who has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any data obtained under this DPA and/or any portion thereof, except as necessary to fulfill the DPA. Prior to publishing any document that names the LEA explicitly or indirectly and contains De-Identified Information, the Provider shall obtain the LEA’s written approval of the manner in which De-Identified Information is presented.

5. **Disposition of Data.** Provider shall dispose or delete all personally identifiable data obtained under the DPA when it is no longer needed for the purpose for which it was obtained and transfer/migrate said data to LEA or LEA’s designee within sixty (60) days of the date of termination and according to a schedule and procedure as the Parties may reasonably agree in a readable and usable format, unless Provider must retain PII for legal or regulatory reasons, or as may be required for third party audits necessary to maintain industry certifications. At the end of such legal, regulatory, or audit process, Provider will destroy any PII maintained under this section. This copy of all Student Data will be provided in a standard format with standard delimiters and a matching data dictionary, mutually agreeable and sufficient to enable efficient transfer of the Student Data to a new system. It must include all Student Data which may have been re-disclosed to or held by subcontractors or agents of the Provider. Nothing in the DPA authorizes Provider to maintain personally identifiable data obtained under any other writing beyond the time period reasonably needed to complete the disposition or comply with its legal, regulatory, or audit obligations as outlined above. Disposition shall include (1) the shredding of any hard copies of any Pupil Records; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable. Permanent destruction of this Confidential Data must be non-recoverable and meet DoD standard 5220.22-M and processes recommended by NIST Special Publication 800-88. Provider shall provide written notification to LEA when the Data has been disposed within ninety (90) days. The duty to
dispose of Student Data shall not extend to data that has been de-identified or placed in a separate
Student account, or is required by law, regulation, or audit to be retained, pursuant to the other terms of
the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” FORM, A Copy of
which is attached hereto as Exhibit “D”). Upon receipt of a request from the LEA, the Provider will
immediately provide the LEA with any specified portion of the Student Data within ten (10) calendar
days of receipt of said request. The Provider shall ensure that such transfer/migration uses facilities and
methods that are compatible with the relevant systems of the LEA or its transferee, and to the extent
technologically feasible, that the LEA will have reasonable access to Student Data during the transition.

6. **Advertising Prohibition.** Provider is prohibited from using Student Data to (a) market or
advertise to students or families/guardians; (b) inform, influence, or enable marketing or
advertising efforts by a Provider; (c) develop a profile of a student, family member/guardian or
group, for any commercial purpose other than providing the Service to Client; or (d) use the
Student Data for the development of commercial products or services, other than as necessary to
provide the Service to Client. The Provider agrees that this DPA serves as its written certification of
its compliance with R.I.G.L. 16-104-1.

**ARTICLE V: DATA PROVISIONS**

1. **Data Security.** The Provider agrees to implement and maintain a risk-based information
security program that contains reasonable security procedures. The Provider agrees to abide by
and maintain adequate data security measures, consistent with industry standards, to protect
Student Data from unauthorized disclosure or acquisition by an unauthorized person. The
general security duties of Provider are set forth below. Provider may further detail its security
programs and measures in Exhibit “F” hereto. These measures shall include, but are not limited
to:

a. **Passwords and Employee Access.** Provider shall secure usernames, passwords, and any
other means of gaining access to the Services or to Student Data and establish
authentication to protect access to Student Data, at a level suggested by Article 4.3 of
NIST 800-63-3. Provider shall only provide access to Student Data to employees or
contractors that are performing the Services. Employees with access to Student Data
shall have signed confidentiality agreements regarding said Student Data. All employees
with access to Student Records shall pass criminal background checks.

b. **Destruction of Data.** Provider shall destroy or delete all Personally Identifiable Data
contained in Student Data and obtained under the DPA when it is no longer needed for
the purpose for which it was obtained and transfer said data to LEA or LEA’s designee,
according to a schedule and procedure as the parties may reasonable agree in a readable
and usable format. Nothing in the DPA authorizes Provider to maintain personally
identifiable data beyond the time period reasonably needed to complete the disposition
or comply with its legal, regulatory, or audit obligations as outlined earlier in the DPA.

c. **Security Protocols.** Both parties agree to maintain security protocols that meet industry
standard practices in the transfer or transmission of any data, including ensuring that
data may only be viewed or accessed by parties legally allowed to do so. Provider shall
maintain all data obtained or generated pursuant to the DPA in a secure computer
environment and not copy, reproduce, or transmit data obtained pursuant to the DPA,
except as necessary to provide the Services, meet its legal or regulatory obligations, or
fulfill the purpose of data requests by LEA. The Provider will provide prior notice to the LEA of any planned system change that may adversely impact the security of Student Data. The foregoing does not limit the ability of the Provider to allow any necessary service providers to view or access data as set forth in Article IV, section 4.

d. **Employee Training.** The Provider shall provide periodic security training to those of its employees who operate or have access to the system. Further, Provider shall provide LEA with contact information of an employee who LEA may contact if there are any security concerns or questions.

e. **Security Technology.** When the service is accessed using a supported web browser, Secure Socket Layer ("SSL"), or equivalent technology shall be employed to protect data from unauthorized access. The service security measures shall include server authentication and data encryption, at rest and in transit. The service shall prevent and detect computer viruses and malware from spreading through the use of the service, e.g. via e-mail, files, documents, messages, other data or the required use of insecure LEA-side applications. Provider shall host data pursuant to the DPA in an environment using a firewall that is periodically updated according to industry standards.

f. **Security Coordinator.** Provider shall provide the name and contact information of Provider’s Security Coordinator for the Student Data received pursuant to the DPA.

g. **Subcontractors Bound.** Provider shall enter into written agreements whereby Subcontractors agree to secure and protect Student Data in a manner consistent with the terms of this Article V. Provider shall periodically conduct or review compliance monitoring and assessments of Subcontractors to determine their compliance with this Article.

h. **Periodic Risk Assessment.** Provider further acknowledges and agrees to conduct periodic risk assessments and remediate any identified security and privacy vulnerabilities in a timely manner.

i. **Backups.** Provider agrees to maintain backup copies, backed up at least daily, of Student Data in case of Provider’s system failure or any other unforeseen event resulting in loss of Student Data or any portion thereof.

**Audits.** At least once a year Provider will provide LEA with its confidential audit reports (SOC 1 or SOC II), under the following conditions: LEA agrees (a) to treat as secret and confidential, maintaining in confidence all security-related reporting disclosed by Provider, whether in written or electronic form or disclosed verbally; (b) not to disclose, repeat, excerpt or otherwise reproduce any such security-related reporting to anyone, provided however that in LEA’s capacity as a “User Entity,” LEA may disclose the SSAE 18 Report to its financial auditors who are bound to an obligation of confidentiality similar to those set forth herein for purposes of evaluation of the effect of Provider’s controls on a User Entity’s internal control system; and (c) not to use Provider’s security-related reporting for any other purpose other than is contemplated and expressly authorized in this DPA. The Provider will cooperate reasonably with the LEA and any state, or federal agency with oversight authority/jurisdiction pursuant to statute or regulation in connection with any audit or investigation of the Provider and/or delivery of Services to students and/or LEA, and shall provide reasonable access to the Provider’s facilities, staff, agents and LEA’s Student Data and all records pertaining to the Provider, LEA and delivery of Services to the Provider.

j. **Data Breach.** In the event that Student Data is accessed or obtained by an unauthorized individual, Provider shall provide notification to LEA in the most expedient time possible, but no later than ten (10) calendar days after confirmation of the breach. Provider shall follow the following process: The security breach notification shall be written in plain language, shall be titled “Notice of Data Breach,” and shall present the
information described herein under the following headings: “What Happened,” “What Information Was Involved,” “What We Are Doing,” “What You Can Do,” and “For More Information.” Additional information may be provided as a supplement to the notice.

k. The security breach notification described above in section 2(a) shall include, at a minimum, the following information, unless prohibited by law enforcement:

i. The name and contact information of the reporting LEA subject to this section.

ii. A list of the types of personal information that were or are reasonably believed to have been the subject of a breach.

iii. If the information is possible to determine at the time the notice is provided, then either (1) the date of the breach, (2) the estimated date of the breach, or (3) the date range within which the breach occurred. The notification shall also include the date of the notice.

iv. Whether the notification was delayed as a result of a law enforcement investigation, if that information is possible to determine at the time the notice is provided.

v. A general description of the breach incident, if that information is possible to determine at the time the notice is provided, including the number of affected individuals and how the security breach occurred.

vi. Information about what the agency has done to protect individuals whose information has been breached, including toll free numbers and websites to contact:

1. The credit reporting agencies
2. Remediation service providers
3. The attorney general

ii. Advice on steps that the person whose information has been breached may take to protect himself or herself.

iii. A clear and concise description of the affected parent, legal guardian, or eligible student’s ability to file or obtain a police report; how an affected parent, legal guardian, or eligible student’s requests a security freeze and the necessary information to be provided when requesting the security freeze; and that fees may be required to be paid to the consumer reporting agencies.

b. Provider agrees to adhere to all requirements in RIGL 11-49.3-1, et. seq. and in federal law with respect to a data breach related to the Student Data, including, when appropriate or required, the required responsibilities and procedures for notification and mitigation of any such data breach.

c. In the event of a reportable breach, the Provider shall keep a complete copy of the LEA’s data it held at the time of the breach in a LEA approved secured, encrypted form and format. Vendor shall retain said data on the LEA’s behalf unless and until the LEA directs its transmission or certified destruction.

d. Provider further acknowledges and agrees to have a written incident response plan that reflects and is consistent with industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized
acquisition or use of Student Data or any portion thereof, including personally identifiable information and agrees to provide LEA, upon request, with a copy of said written incident response plan.

e. At the request and with the assistance of the District, Provider shall notify the affected parent, legal guardian or eligible pupil of the unauthorized access, which shall include the information listed in subsections (b) and (c), above.

ARTICLE VI: MISCELLANEOUS

1. **Term.** The Provider shall be bound by this DPA for so long as the Provider maintains any Student Data. Notwithstanding the foregoing, Provider agrees to be bound by the terms and obligations of this DPA for three (3) years.

2. **Termination.** In the event that either party seeks to terminate this DPA, they may do so by mutual written consent and as long as any service agreement or terms of service, to the extent one exists, has lapsed or has been terminated.

   The LEA may terminate this DPA and any service agreement or contract with the Provider if the Provider breaches any material terms of this DPA.

3. **Effect of Termination Survival.** If the DPA is terminated, the Provider shall destroy all of LEA’s data pursuant to Article V, section 1(b).

4. **Priority of Agreements.** This DPA shall govern the treatment of student records in order to comply with the privacy protections, including those found in FERPA, IDEA, COPPA, PPRA, R.I.G.L. 16-71-1, et. seq., R.I.G.L. 16-104-1, and R.I.G.L., 11-49.3 et. seq. In the event there is conflict between the terms of the DPA and any other writing, such as service agreement or with any other bid/RFP, terms of service, privacy policy, license agreement, or writing, the terms of this DPA shall apply and take precedence. Except as described in this paragraph herein, all other provisions of any other agreement shall remain in effect.

5. **Notice.** All notices or other communication required or permitted to be given hereunder must be in writing and given by personal delivery, facsimile or e-mail transmission (if contact information is provided for the specific mode of delivery), or first class mail, postage prepaid, sent to the designated representatives below.

6. **Entire Agreement.** This DPA constitutes the entire agreement of the parties relating to the protection of Student Data and supersedes all prior communications, representations, or agreements, oral or written, by the parties relating thereto. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both parties. Neither failure nor delay on the part of any party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

7. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.

8. **Governing Law: Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF RHODE ISLAND, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS OF WASHINGTON COUNTY FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS.
CONTEMPLATED HEREBY.

9. **Authority.** Provider represents that it is authorized to bind to the terms of this Agreement, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof, or may own, lease or control equipment or facilities of any kind where the Student Data and portion thereof stored, maintained or used in any way.

10. **Waiver.** No delay or omission of either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

11. **Electronic Signature:** The parties understand and agree that they have the right to execute this Agreement through paper or through electronic signature technology, which is in compliance with Rhode Island and Federal law governing electronic signatures. The parties agree that to the extent they sign electronically, their electronic signature is the legally binding equivalent to their handwritten signature. Whenever they execute an electronic signature, it has the same validity and meaning as their handwritten signature. They will not, at any time in the future, repudiate the meaning of their electronic signature or claim that their electronic signature is not legally binding. They agree not to object to the admissibility of this Agreement as an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the grounds that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

Each party will immediately request that their electronic signature be revoked in writing if they discover or suspect that it has been or is in danger of being lost, disclosed, compromised or subjected to unauthorized use in any way. They understand that they may also request revocation at any time of their electronic signature for any other reason in writing.

If either party would like a paper copy of this Agreement, they may request a copy from the other party.

12. **Multiple Counterparts:** This Agreement may be executed in any number of identical counterparts. If so executed, each of such counterparts shall constitute this Agreement. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart. Execution and delivery of this Agreement by .pdf or other electronic format shall constitute valid execution and delivery and shall be effective for all purposes (it being agreed that PDF email shall have the same force and effect as an original signature for all purposes).

**ARTICLE VII- GENERAL OFFER OF TERMS**

Provider may, by signing the attached Form of General Offer of Privacy Terms (General Offer, attached hereto as Exhibit "E"), be bound by the terms of this to any other school district who signs the acceptance in said Exhibit.

DEFINITIONS

De-Identifiable Information (DI): De-identification refers to the process by which the Vendor removes or obscures any Personally Identifiable Information ("PII") from student records in a way that removes or minimizes the risk of disclosure of the identity of the individual and information about them. The Provider’s specific steps to de-identify the data will depend on the circumstances, but should be appropriate to protect students. Some potential disclosure limitation methods are blurring, masking, and perturbation. De-identification should ensure that any information when put together cannot indirectly identify the student, not only from the viewpoint of the public, but also from the vantage of those who are familiar with the individual. Information cannot be de-identified if there are fewer than twenty (20) students in the samples of a particular field or category, i.e., twenty students in a particular grade or less than twenty students with a particular disability.
