Background and Instructions

History of Agreement- This agreement has been drafted by the Texas Student Privacy Alliance (TXSPA). The Alliance is a collaborative group of Texas school districts that share common concerns around student and data privacy. The Texas K-12 CTO Council is the organization that sponsors the TXSPA and the TXSPA is the Texas affiliate of the national Student Data Privacy Consortium (SDPC). The SDPC works with other state alliances by helping establish common data privacy agreements unique to the jurisdiction of each state. This Texas agreement was drafted specifically for K-12 education institutions and included broad stakeholder input from Texas school districts, statewide associations such as TASB, TASA, and TASBO, and the Texas Education Agency. The purpose of this agreement is to set standards of both practice and expectations around data privacy such that all parties involved have a common understanding of expectations. This agreement also provides a mechanism (Exhibit E- General Offer of Terms) that would allow an Operator to extend the ability of other Texas school districts to be covered under the terms of the agreement should an Operator sign Exhibit E. This mechanism is intended to create efficiencies for both Operators and LEAs and generally enhance privacy practices and expectations for K-12 institutions and for companies providing services to K-12 institutions.

Once the Operator accepts the terms of the agreement, the Operator should wet sign the agreement and return it to the LEA. GENERAL OFFER OF PRIVACY TERMS

Instructions: This is an optional Exhibit in which the Operator may, by signing this Exhibit, be bound by the terms of this DPA to any other Subscribing LEAs who sign the acceptance in said Exhibit. The originating LEA SHOULD NOT sign this Exhibit, but should make Exhibit E, if signed by an Operator, readily available to other Texas K-12 institutions through the TXSPA web portal. Should a Subscribing LEA, after signing a separate Service Agreement with Operator, want to accept the General Offer of Terms, the Subscribing LEA should counter-sign the Exhibit E and notify the Operator that the General Offer of Terms have been accepted by a Subscribing LEA.

1. Offer of Terms

Operator offers the same privacy protections found in this DPA between it and

[REDACTED]
and which is dated [REDACTED] to any other LEA (“Subscribing LEA”) who accepts this General Offer through its signature below. This General Offer shall extend only to privacy protections and Operator’s signature shall not necessarily bind Operator to other terms, such as price, term, or schedule of services, or to any other provision not addressed in this DPA. The Operator and the other LEA may also agree to change the data provided by LEA to the Operator to suit the unique needs of the LEA. The Operator may withdraw the General Offer in the event of:

- 1 a material change in the applicable privacy statutes;
- 2 a material change in the services and products listed in the Originating Service Agreement; 3 the expiration of three years after the date of Operator’s signature to this Form.

Operator shall notify the Texas Student Privacy Alliance (TXSPA) in the event of any withdrawal so that this information may be transmitted to the Alliance’s users.
