The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data or any other Pupil Records contemplated per this Agreement shall remain the exclusive property of the LEA. For the purposes of FERPA and state law, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of student data notwithstanding the above. The Provider will cooperate and provide Student Data within ten (10) days at the LEA’s request. Provider may transfer pupil-generated content to a separate account, at the written direction of LEA.

3. **Separate Account.** Provider shall, at the request of the LEA, transfer Student Generated Content to a separate student account.

4. **Third Party Request.** Should a Third Party, including, but not limited to law enforcement, former employees of the LEA, current employees of the LEA, and government entities, contact Provider with a request for data held by the Provider pursuant to the Services, the Provider shall redirect the Third Party to request the data directly from the LEA and shall cooperate with the LEA to collect the required information. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party, unless legally prohibited. The Provider will not use, disclose, compile, transfer, sell the Student Data and/or any portion thereof to any third party or other entity or allow any other third party or other entity to use, disclose, compile, transfer or sell
the Student Data and/or any portion thereof, without the express written consent of the LEA or without a court order or lawfully issued subpoena. Student Data shall not constitute that information that has been anonymized or de-identified, or anonymous usage data regarding a student’s use of Provider’s services.

The Provider and LEA agree that the Provider cannot successfully de-identify information if there are fewer than five (5) students in the samples of a particular field or category of information collected, i.e., five students in a particular grade, five students of a particular race, or five students with a particular disability. Provider agrees not to attempt to re-identify de-identified Student Data. Provider shall not copy, reproduce or transmit any data obtained under this DPA and/or any portion thereof, except for purposes permitted by the DPA.

5. **Disposition of Data**. Nothing in the DPA authorizes Provider to maintain personally identifiable data obtained under any other writing beyond the time period reasonably needed to complete the disposition. Disposition shall include (1) the shredding of any hard copies of any Pupil Records; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable. Provider shall provide written notification to LEA when the Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” FORM, A Copy of which is attached hereto as Exhibit “D”). Upon receipt of a request from the LEA, the Provider will immediately provide the LEA with any specified portion of the Student Data within ten (10) calendar days of receipt of said request.

6. **Advertising Prohibition**. Provider is prohibited from leasing, renting, using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or services, other than as necessary to provide the Service to Client.
ARTICLE V: DATA PROVISIONS

Nothing in the DPA authorizes Provider to maintain personally identifiable data beyond the time period reasonably needed to complete the disposition.

   c. **Security Protocols.** Both parties agree to maintain security protocols in the transfer or transmission of any data, including taking steps so that data may only be viewed or accessed by parties legally allowed to do so. Provider shall maintain all data obtained or generated pursuant to the DPA in a secure computer environment and not copy, reproduce, or transmit Student Data obtained pursuant to the DPA, except as necessary to fulfill the purpose of data requests by LEA. The foregoing does not limit the ability of the Provider to allow any necessary service providers to view or access data as set forth in Article IV, section 4.

The Provider will cooperate reasonably with the LEA and any local, state, or federal agency with oversight authority/jurisdiction in connection with any audit or investigation of the Provider and/or delivery of Services to students and/or LEA, and shall provide reasonable access to the Provider’s facilities, staff, agents and LEA’s Student Data and all records pertaining to the Provider, LEA and delivery of Services to the Provider. The preceding sentence only applies to the extent such audits or investigations are required of Provider or LEA by law. Failure to cooperate shall be deemed a material breach of the Agreement. Provider may provide an independent, third-party report in place of allowing the LEA to conduct the audit, if the LEA consents to the independent, third-party. The LEA may not unreasonably withhold its consent.

**k. New Hampshire Specific Data Security Requirements.** The Provider agrees to comply with the “Minimum Standards for Privacy and Security of Student and Employee Data” from the New Hampshire Department of Education as it exists on the date of this Agreement (available at: https://www.education.nh.gov/data/documents/minimum-standards-privacy.pdf).

Student Data: Student Data includes data from Pupil Records as previously defined whether gathered by the Provider as the agent to the LEA or provided by the LEA or its users, students or students’ parents/guardians. Student Data as specified in Exhibit B is confirmed to be collected or processed by the Provider pursuant to the Services. Student Data shall not constitute that information that has been anonymized or de-identified, or anonymous usage data regarding a student’s use of Provider’s services.

Subprocessor: For the purposes of this Agreement, the term “Subprocessor” (sometimes referred to as the “Subcontractor”) means a party other than LEA or Provider, who Provider uses for data collection, analytics, storage, or other service to operate and/or improve its software, and who has access to PII.
