The Provider further acknowledges and agrees that all copies of such Student Data transmitted to the Provider, including any modifications or additions or any portion thereof from any source, are subject to the provisions of this Agreement in the same manner as the original Student Data. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement shall remain the exclusive property of the LEA. For the purposes of FERPA, the Provider shall be considered a School Official, under the control and direction of the LEAs as it pertains to the use of Student Data notwithstanding the above. Provider shall respond in a timely manner (and no later than 45 days from the date of the request) to the LEA’s request for Student Data in a pupil’s records held by the Provider to view or correct as necessary. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.
3. **Separate Account.** If pupil generated content is stored or maintained by the Provider as part of the Services described in Exhibit “A”, Provider shall, at the request of the LEA, transfer said pupil generated content to a separate student account upon termination of the Service Agreement; provided, however, such transfer shall only apply to pupil generated content that is severable from the Service.
4. **Third Party Request.** Should a Third Party, including law enforcement and government entities, contact Provider with a request for data held by the Provider pursuant to the Services, the Provider shall redirect the Third Party to request the data directly from the LEA. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party.

1. **Privacy Compliance**. LEA shall provide data for the purposes of the Service Agreement in compliance with FERPA, COPPA, PPRA, SOPIPA, AB 1584 and all other California privacy statutes.
2. **Annual Notification of Rights**. If the LEA has a policy of disclosing education records under FERPA (4 CFR § 99.31 (a) (1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its Annual notification of rights.
3. **Reasonable Precautions**. LEA shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the services and hosted data.
4. **Unauthorized Access Notification**. LEA shall notify Provider promptly of any known or suspected unauthorized access. LEA will assist Provider in any efforts by Provider to investigate and respond to any unauthorized access.

ARTICLE IV: DUTIES OF PROVIDER

2. **Authorized Use**. The data shared pursuant to the Service Agreement, including persistent unique identifiers, shall be used for no purpose other than the Services stated in the Service Agreement and/or otherwise authorized under the statutes referred to in subsection (1), above. Provider also acknowledges and agrees that it shall not make any re-disclosure of any Student Data or any portion thereof, including without limitation, meta data, user content or other non-public information and/or personally identifiable information contained in the Student Data, without the express written consent of the LEA.
3. **Employee Obligation**. Provider shall require all employees and agents who have access to Student Data to comply with all applicable provisions of this DPA with respect to the data shared under the Service Agreement.
4. **No Disclosure**. De-identified information may be used by the Provider for the purposes of development, research, and improvement of educational sites, services, or applications, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless (a) that party agrees in writing not to

attempt re-identification, and (b) prior written notice has been given to LEA who has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.

5. **Disposition of Data.** Upon written request and in accordance with the applicable terms in subsection a or b, below, Provider shall dispose or delete all Student Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained. Disposition shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable by human or digital means. Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” form, a copy of which is attached hereto as Exhibit “D”. Upon receipt of a request from the LEA, the Provider will immediately provide the LEA with any specified portion of the Student Data within ten (10) calendar days of receipt of said request.
 - a. **Partial Disposal During Term of Service Agreement.** Throughout the Term of the Service Agreement, LEA may request partial disposal of Student Data obtained under the Service Agreement that is no longer needed. Partial disposal of data shall be subject to LEA’s request to transfer data to a separate account, pursuant to Article II, section 3, above.
 - b. **Complete Disposal Upon Termination of Service Agreement.** Upon Termination of the Service Agreement Provider shall dispose or delete all Student Data obtained under the Service Agreement. Prior to disposition of the data, Provider shall notify LEA in writing of its option to transfer data to a separate account, pursuant to Article II, section 3, above. In no event shall Provider dispose of data pursuant to this provision unless and until Provider has received affirmative written confirmation from LEA that data will not be transferred to a separate account.
6. **Advertising Prohibition.** Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or services, other than as necessary to provide the Service to LEA. If requested by LEA, Provider shall reimburse LEA for costs incurred to notify parents/families of a breach not originating from LEA's use of the Service.

Agreement

The terms and conditions of the Service Agreement and any addenda are incorporated herein by reference.

1. Definitions (Exhibit C).

- a. **Personally Identifiable Information (PII):** The terms “Personally Identifiable Information” or “PII” shall include, but are not limited to, student data, metadata, and user or pupil-generated content obtained by reason of the use of Provider’s software, website, service, or app, including mobile apps, whether gathered by Provider or provided by LEA or its users, students, or students’ parents/guardians that is personally identifiable. PII includes Indirect Identifiers, which is any information that, either alone or in aggregate, would allow a reasonable person to be able to identify a student to a reasonable certainty. For purposes of the DPA and this Addendum, Personally Identifiable Information shall include the categories of information listed in the definition of Student Data.
- b. **Service Agreement:** Refers to the certain NWEA Master Subscription Agreement (“MSA”) as referenced in a Schedule A between the LEA and NWEA to which the DPA and this Addendum supplements and modifies.
- c. **Student Data:** Student Data means personally identifiable information, whether gathered by Provider or provided by LEA or its users, students, or students’ parents/guardians, that is descriptive of the student including, but not limited to, information in the student’s educational record or email, first and last name, home address, telephone number, email address, or other information allowing online contact, discipline records, videos, test results, special education data, juvenile dependency records, grades, evaluations, criminal records, medical records, health records, social security numbers, biometric information, disabilities, socioeconomic information, food purchases, political affiliations, religious information text messages, documents, student identifies, search activity, photos, voice recordings or geolocation

information. Student Data as specified in Exhibit “B” is confirmed to be collected or processed by the Provider pursuant to the Services. Student Data shall not constitute that information that has been anonymized or De-Identified Information, or anonymous usage data regarding a student’s use of Provider’s services.

- d. **Subprocessor:** For the purposes of the DPA and the Addendum, the term “Subprocessor” (sometimes referred to as the “Subcontractor”) means a party other than LEA or Provider, who Provider uses for data collection, analytics, storage, or other service to operate and/or improve its software, and who has access to Student Data.
2. **Term.** The Provider shall be bound by the DPA for the duration of the applicable Service Agreement between LEA and Provider, or so long as the Provider maintains any Student Data. If no term is specified in the Service Agreement, the Term shall be one (1) year.
 3. **Subprocessors.** Provider shall enter into written agreements with all Subprocessors performing functions pursuant to the Service Agreement, whereby the Subprocessors agree to protect Student Data in manner materially consistent with the terms of this DPA.
 4. **Employee Obligation.** Provider shall require all employees and agents who have access to Student Data to materially comply with all applicable provisions of this DPA with respect to the data shared under the Service Agreement.
 5. **Disclosure of Anonymized and De-Identified Data.** Anonymized Data and De-identified Data may be used by Provider for the purposes of development, research, and improvement of educational sites, services, or applications, as any other member of the public or party would be able to use Anonymized Data and De-Identified Data pursuant to 34 CFR 99.31(b) and as set forth in the Privacy Policy in the Service Agreement.
 6. **Disposition of Data – Complete Disposal Upon Termination of Service Agreement.** Upon termination of the Service Agreement and confirmed written notice from LEA, Provider shall dispose or delete all Student Data obtained under the Service Agreement. Prior to disposition of the data, Provider shall confirm LEA’s data destruction request in writing of its option to transfer data to a separate account, pursuant to Article II, section 3, of the DPA. In no event shall Provider dispose of data pursuant to this provision unless and until Provider has received affirmative written confirmation from LEA that data has been downloaded by the LEA as outlined in Section 5 of the DPA.
 7. **Advertising Prohibition.** Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or services, other than as described in this Agreement, as necessary to provide the Service to LEA and improve the operations of the Assessment System. This section does not prohibit Provider from using Student Data for adaptive learning or customized student learning purposes.
 8. **Data Security.** The Provider agrees to abide by and maintain adequate data security measures, consistent with industry standards, to protect Student Data from unauthorized disclosure or acquisition by an unauthorized person. The general security duties of Provider are set forth below. Provider may further detail its security programs and measures in Exhibit “F” hereto. These measures shall include, but are not limited to:
 - a. **Passwords and Employee Access.** Provider shall reasonably secure usernames, passwords, and any other means of gaining access to the Services or to Student Data, at a level suggested by the industry standards. Provider shall only provide access to Student Data to employees or contractors that are performing the Services. Employees with access to Student Data shall have signed confidentiality agreements regarding said Student Data. All employees with access to Student Records shall be subject to criminal background checks. Notwithstanding the foregoing, LEA is solely responsible for configuring role-based access to Student Data within the Services and for ensuring the security and availability of LEA’s own passwords, computers, computer networks, and internet connections, including security patches, choice of browser and browser configuration settings to be used with the Services, email, and other transmissions. LEA acknowledges that its systems administrator controls the access and security

points of the Services.

- b. **Security Protocols.** Both parties agree to maintain security protocols that meet industry standards in the transfer or transmission of any data, including ensuring that data may only be viewed or accessed by parties legally allowed to do so. Provider shall maintain all Student Data obtained or generated pursuant to the Service Agreement in a secure digital environment and not copy, reproduce, or transmit Student Data obtained pursuant to the Service Agreement, except as described in the Service Agreement or as necessary to fulfill the purpose of data requests by LEA.
- c. **Subprocessors Bound.** Provider shall enter into written agreements whereby Subprocessors agree to secure and protect Student Data in a manner materially consistent with the terms of Article V in the DPA. Provider shall periodically conduct or review compliance monitoring and assessments of Subprocessors to determine their compliance with this Article.
- d. **Periodic Risk Assessment.** Provider further acknowledges and agrees to conduct digital and physical periodic (no less than annually) risk assessments and take reasonable steps to remediate material security and privacy vulnerabilities in a timely manner.

9. **Security Breach.** In the event that Student Data is accessed or obtained by an unauthorized individual, Provider shall provide notification to LEA within a reasonable amount of time of a confirmed incident, and not exceeding seventy-two (72) hours. Provider shall follow the following process:

- a. The security breach notification shall be written in plain language.
- b. The security breach notification described above in section 2(a) shall include, at a minimum, the following information:
 - i. The name and contact information of the reporting LEA subject to this section.
 - ii. A list of the types of Student Data that were the subject of a confirmed breach.
 - iii. If the information is possible to determine at the time the notice is provided, then either (1) the date of the breach, (2) the estimated date of the breach, or (3) the date range within which the breach occurred. The notification shall also include the date of the notice.
 - iv. Whether the notification was delayed as a result of a law enforcement investigation, if that information is possible to determine at the time the notice is provided.
 - v. A general description of the breach incident, if that information is possible to determine at the time the notice is provided.
- c. At LEA's discretion and upon LEA's request, the security breach notification may also include any of the following as applicable:
 - i. Information about what the agency has done to protect individuals whose information has been breached.
 - ii. Advice on steps that the person whose information has been breached may take to protect himself or herself.
 - iii. Provider agrees to adhere to all requirements in applicable State and in federal law with respect to a confirmed data breach related to the Student Data, including, when appropriate or required, the required responsibilities and procedures for notification and mitigation of any such confirmed data breach.
 - iv. Provider further acknowledges and agrees to have a written incident response plan that reflects industry standards and federal and state law for responding to a data breach, breach of security, privacy incident or unauthorized acquisition or use of Student Data or

any portion thereof, including personally identifiable information and agrees to provide LEA, upon request, with a copy of said written incident response plan.

- v. Provider is prohibited from directly contacting parent, legal guardian or eligible pupil unless expressly requested by LEA. If LEA requests Provider's assistance providing notice of unauthorized access, and such assistance is not unduly burdensome to Provider, Provider shall notify the affected parent, legal guardian or eligible pupil of the unauthorized access, which shall include the information listed in subsections (b) and (c), above. If requested by LEA, Provider shall reimburse LEA for the actual and reasonable costs incurred by LEA to notify parents/families of a breach not originating from LEA's use of the Service.
- vi. In the event of a material breach originating from LEA's use of the Service, Provider shall reasonably cooperate with LEA to the extent necessary to expeditiously secure Student Data.

10. **Entire Agreement.** The DPA, the Service Agreement, and this Addendum constitutes the entire agreement of the parties relating to the subject matter hereof and supersedes all prior communications, representations, or agreements, oral or written, by the parties relating thereto. In the event of a conflict the following order of precedence shall apply: (i) the Services Agreement, (ii) this Addendum; and (ii) the DPA.

10. **Venue and Jurisdiction.** Provider does not submit to sole and exclusive jurisdiction for disputes arising out of this Agreement and reserves the right to mutually consent to a jurisdiction proposed by LEA.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to be executed by their duly authorized representatives.
