In the event that LEA requires assistance, Provider shall respond in a timely manner (and no later than 30 days from the date of the request) to the LEA’s written request for assistance. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.

3. Separate Account. If pupil generated content is stored or maintained by the Provider as part of the Services described in Exhibit “A”, Provider shall, at the request of the LEA, provide the LEA with instructions to transfer said pupil generated content to a separate student account established by the student, parents, or the LEA upon termination of the Service Agreement; provided, however, such transfer shall only apply to pupil generated content that is severable from the Service.

Upon written request, Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA.
