Provider may, by signing the attached form of "General Offer of Privacy Terms" (General Offer, attached hereto as **Exhibit "E"**), be bound by the terms of **Exhibit "E"** to any other LEA who signs the acceptance on said Exhibit. The form is limited by the terms and conditions described therein.

ARTICLE VII: MISCELLANEOUS

1. **Termination.** In the event that either Party seeks to terminate this DPA, they may do so by mutual written consent so long as the Service Agreement has lapsed or has been terminated. 3. **Priority of Agreements.** This DPA shall govern the treatment of Student Data in order to comply with the privacy protections, including those found in FERPA and all applicable privacy statutes identified in this DPA. This DPA may be amended and the observance of any provision of this DPA may be waived (either generally or in any particular instance and either retroactively or prospectively) only with the signed written consent of both Parties. Neither failure nor delay on the part of any Party in exercising any right, power, or privilege hereunder shall operate as a waiver of such right, nor shall any single or partial exercise of any such right, power, or privilege preclude any further exercise thereof or the exercise of any other right, power, or privilege.

5. **Severability.** Any provision of this DPA that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this DPA, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be prohibited or unenforceable in such jurisdiction while, at the same time, maintaining the intent of the Parties, it shall, as to such jurisdiction, be so narrowly drawn without invalidating the remaining provisions of this DPA or affecting the validity or enforceability of such provision in any other jurisdiction.
6. **Governing Law; Venue and Jurisdiction.** THIS DPA WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF THE LEA, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. EACH PARTY CONSENTS AND SUBMITS TO THE SOLE AND EXCLUSIVE JURISDICTION TO THE STATE AND FEDERAL COURTS FOR THE COUNTY OF THE LEA FOR ANY DISPUTE ARISING OUT OF OR RELATING TO THIS DPA OR THE TRANSACTIONS CONTEMPLATED HEREBY.
7. **Successors Bound:** This DPA is and shall be binding upon the respective successors in interest to Provider in the event of a merger, acquisition, consolidation or other business reorganization or sale of all or substantially all of the assets of such business. In the event that the Provider sells, merges, or otherwise disposes of its business to a successor during the term of this DPA, the Provider shall provide written notice to the LEA no later than sixty (60) days after the closing date of sale, merger, or disposal. Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement. The LEA has the authority to terminate the DPA if it disapproves of the successor to whom the Provider is selling, merging, or otherwise disposing of its business.
8. **Authority.** Each party represents that it is authorized to bind to the terms of this DPA, including confidentiality and destruction of Student Data and any portion thereof contained therein, all related or associated institutions, individuals, employees or contractors who may have access to the Student Data and/or any portion thereof.
9. **Waiver.** No delay or omission by either party to exercise any right hereunder shall be construed as a waiver of any such right and both parties reserve the right to exercise any such right from time to time, as often as may be deemed expedient.

Additional Terms or Modifications
Version _____

LEA and Provider agree to the following additional terms and modifications:

This is a free text field that the parties can use to add or modify terms in or to the DPA. If there are no additional or modified terms, this field should read "None."

1. The Parties agree that the terms set forth in this DPA supplement and do not replace the Service Agreement.
2. The Parties agree as follows:
 - (a) Provider is an education technology company that provides a cloud-based service, and related support services, to enable schools and school districts to design and implement survey programs for students, staff and parents or legal guardians and view results ("Platform").
 - (b) Any data input into the Platform or otherwise provided to Provider by LEA, or by authorized users as applicable and described in the relevant Service Agreement, including but not limited to any survey responses, that personally identify any student shall constitute and be deemed "Student Data" under this DPA.
 - (c) Each Party represents and warrants to the other Party that the execution of this DPA and Service Agreement and performance of its obligations thereunder do not and will not violate any other agreement to which it is a party or any applicable law or regulation. LEA represents and warrants that it has the right to provide the Student Data to Provider for the purposes contemplated by this DPA and the Service Agreement.
 - (d) Page 2, Section 3 and Article VII, Section 3 of the Standard Clauses are each replaced in their entirety with the following:

"This DPA consists of the Standard Clauses and any Supplemental State Terms and Special Provisions. In the event of an express conflict between the Standard Clauses and the Supplemental State Terms, the Supplemental State Terms will control. In the event of an express conflict between the Standard Clauses and the Special Provisions, the Special Provisions will control. In the event of an express conflict between the Supplemental State Terms and the Special Provisions, the Supplemental State Terms will control. In the event there is an express conflict between the terms of this DPA and any other writing, including but not limited to any Service Agreement and privacy statement of LEA or Provider ("Privacy Statement"), the terms of this DPA will control."
 - (e) Any category of data that Provider specifically requests or requires, in its reasonable discretion based on the objectives and needs for the Services as LEA communicates to the Provider, will be indicated by the Provider on Exhibit "B". LEA is responsible for confirming which of the data elements listed on Exhibit "B" will be relevant for LEA's purposes and shall confirm on Exhibit "B" the specific data it will make available in connection with Provider's Services. LEA agrees that it will designate and provide only the minimum amount of Student Data and other PII necessary for Provider to perform the Services and for LEA's objectives. LEA further agrees to input Student Data and other PII only in those fields within the Platform that Provider prescribes.
 - (f) In the event of a security incident originating from LEA's misuse of the Services, Provider shall reasonably cooperate with LEA to the extent necessary to expeditiously secure Student Data at LEA's expense. LEA shall be responsible for all costs and expenses it incurs as a result of LEA's complying with its legal obligations, including but not limited to, costs and expenses associated with LEA having to notify affected parties. In the event of a security incident originating from Provider's misuse of the Services, LEA shall reasonably cooperate with Provider to the extent necessary to expeditiously secure Student Data at Provider's expense. Provider shall be responsible for all costs and expenses it incurs as a result of LEA's complying with its legal obligations, including but not limited to, costs and expenses associated with LEA having to notify affected parties.
 - (g) Notwithstanding anything to the contrary elsewhere in this DPA, Provider may use Student Data to create De-Identified Data for benchmarking, research or development purposes, including published research. For the avoidance of doubt and sake of clarifying Article IV, Section 5, LEA agrees that Provider may disclose De-Identified Data to a third party for benchmarking, research or development purposes, including published research, provided that such third party agrees in writing not to attempt re-identification of the data. "Benchmarking" for purposes of this DPA and Service Agreement means comparing performance and effectiveness on an aggregated level, and these comparisons are then shared with clients to show how they relate to their peers."
 - (h) Article V, Paragraph 4, subsection (5) is revised as follows: "In the event of a breach originating from LEA's use of the Services, Provider shall cooperate with LEA to the extent necessary and commercially reasonable to expeditiously secure Student Data."
 - (i) The following language shall be removed from Article VII, Section 7: "Such notice shall include a written, signed assurance that the successor will assume the obligations of the DPA and any obligations with respect to Student Data within the Service Agreement."
 - (j) In Exhibit "C" the second sentence of the definition of "Student Data" is revised as follows: "Student Data includes Metadata that contains PII (as defined in the following sentence)." Additionally, the last two sentences of the definition of "Student Data" shall be revised as follows: "Student Data that has been anonymized or De-Identified, or anonymous usage data regarding a student's use of Provider's services Services, shall not constitute Student Data."
 - (k) For purposes of and as used in this DPA, "disposition" and "deletion" and "destruction" mean either (i) destruction or deletion, consistent with the media sanitization practices described under the framework identified by the Provider on Exhibit "F" or (ii) transfer in accordance with the instructions set forth on Exhibit "D".
