the terms as stated herein.

### RECITALS

**WHEREAS**, the Provider has agreed to provide the Local Education Agency (“LEA”) with certain  
digital educational services (“Services”) pursuant to a contract dated JULY 27, 2020, as amended  
 (“Service Agreement”); and

**WHEREAS**, in order to provide the Services described in the Service Agreement, the Provider  
may receive or create, and the LEA may provide documents or data that are covered by  
several federal statutes, among them, the Family Educational Rights and Privacy Act  
 (“FERPA”) at 20 U.S.C. 1232g (34 CFR Part 99), Children’s Online Privacy Protection  
 Act (“COPPA”), 15 U.S.C. 6501-6506; Protection of Pupil Rights Amendment (“PPRA”) 20 U.S.C.  
 1232h; and

**WHEREAS**, the documents and data transferred from LEAs and created by the Provider’s Services are  
also subject to California state student privacy laws, including AB 1584, found at California

 (“SOPIPA”) found at California Business and Professions Code section 22584; and

**WHEREAS**, for the purposes of this DPA, Provider is a school official with legitimate educational  
 interests in accessing educational records pursuant to the Service Agreement; and

**WHEREAS**, the Parties wish to enter into this DPA to ensure that the Service Agreement conforms  
 to the requirements of the privacy laws referred to above and to establish implementing procedures  
 and duties; and

**WHEREAS**, the Provider may, by signing the “General Offer of Privacy Terms” (Exhibit “E”), agree to  
 allow other LEAs in California the opportunity to accept and enjoy the benefits of this DPA for  
 the Services described herein, without the need to negotiate terms in a separate DPA.

**NOW THEREFORE**, for good and valuable consideration, the parties agree as follows:

 to time. In performing these services, the Provider shall be considered a School Official with  
 a legitimate educational interest, and performing services otherwise provided by the LEA.  
 With respect to the use and maintenance of Student Data, Provider shall be under the direct

The Provider further acknowledges and agrees that all copies of such Student Data transmitted to the Provider, including any modifications or additions or any portion thereof from any source, are subject to the provisions of this Agreement in the same manner as the original Student Data. The Parties agree that as between them, all rights, including all intellectual property rights in and to Student Data contemplated per the Service Agreement shall remain the exclusive property of the LEA. Provider shall respond in a timely manner (and no later than 45 days from the date of the request) to the LEA’s request for Student Data in a pupil’s records held by the Provider to view or correct as necessary. In the event that a parent of a pupil or other individual contacts the Provider to review any of the Student Data accessed pursuant to the Services, the Provider shall refer the parent or individual to the LEA, who will follow the necessary and proper procedures regarding the requested information.
3. **Separate Account.** If pupil generated content is stored or maintained by the Provider as part of the Services described in Exhibit “A”, Provider shall, at the request of the LEA, transfer said pupil generated content to a separate student account upon termination of the Service Agreement; provided, however, such transfer shall only apply to pupil generated content that is severable from the Service.
4. **Third Party Request.** Should a Third Party, including law enforcement and government entities, contact Provider with a request for data held by the Provider pursuant to the Services, the Provider shall redirect the Third Party to request the data directly from the LEA. Provider shall notify the LEA in advance of a compelled disclosure to a Third Party.

5. **Subprocessors.** Provider shall enter into written agreements with all Subprocessors performing functions pursuant to the Service Agreement, whereby the Subprocessors agree to protect Student Data in manner consistent with the terms of this DPA.

### ARTICLE III: DUTIES OF LEA

1. **Privacy Compliance.** LEA shall provide data for the purposes of the Service Agreement in compliance with FERPA, COPPA, PPRA, SOPIPA, AB 1584 and all other California privacy statutes.
2. **Annual Notification of Rights.** If the LEA has a policy of disclosing education records under FERPA (4 CFR § 99.31 (a) (1)), LEA shall include a specification of criteria for determining who constitutes a school official and what constitutes a legitimate educational interest in its Annual notification of rights.
3. **Reasonable Precautions.** LEA shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the services and hosted data.
4. **Unauthorized Access Notification.** LEA shall notify Provider promptly of any known or suspected unauthorized access. LEA will assist Provider in any efforts by Provider to investigate and respond to any unauthorized access.

### ARTICLE IV: DUTIES OF PROVIDER

2. **Authorized Use.** The data shared pursuant to the Service Agreement, including persistent unique identifiers, shall be used for no purpose other than the Services stated in the Service Agreement and/or otherwise authorized under the statutes referred to in subsection (1), above. Provider also acknowledges and agrees that it shall not make any re-disclosure of any Student Data or any portion thereof, including without limitation, meta data, user content or other non-public information and/or personally identifiable information contained in the Student Data, without the express written consent of the LEA.
3. **Employee Obligation.** Provider shall require all employees and agents who have access to Student Data to comply with all applicable provisions of this DPA with respect to the data shared under the Service Agreement.
4. **No Disclosure.** De-identified information may be used by the Provider for the purposes of development, research, and improvement of educational sites, services, or applications, as any other member of the public or party would be able to use de-identified data pursuant to 34 CFR 99.31(b). Provider agrees not to attempt to re-identify de-identified Student Data and not to transfer de-identified Student Data to any party unless (a) that party agrees in writing not to

attempt re-identification, and (b) prior written notice has been given to LEA who has provided prior written consent for such transfer. Provider shall not copy, reproduce or transmit any data obtained under the Service Agreement and/or any portion thereof, except as necessary to fulfill the Service Agreement.

**5. Disposition of Data.** Upon written request and in accordance with the applicable terms in subsection a or b, below, Provider shall dispose or delete all Student Data obtained under the Service Agreement when it is no longer needed for the purpose for which it was obtained. Disposition shall include (1) the shredding of any hard copies of any Student Data; (2) Erasing; or (3) Otherwise modifying the personal information in those records to make it unreadable or indecipherable by human or digital means. Nothing in the Service Agreement authorizes Provider to maintain Student Data obtained under the Service Agreement beyond the time period reasonably needed to complete the disposition. Provider shall provide written notification to LEA when the Student Data has been disposed. The duty to dispose of Student Data shall not extend to data that has been de-identified or placed in a separate Student account, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” form, a copy of which is attached hereto as Exhibit “D”. Upon receipt of a request from the LEA, the Provider will immediately provide the LEA with any specified portion of the Student Data within ten (10) calendar days of receipt of said request.

**a. Partial Disposal During Term of Service Agreement.** Throughout the Term of the Service Agreement, LEA may request partial disposal of Student Data obtained under the Service Agreement that is no longer needed. Partial disposal of data shall be subject to LEA’s request to transfer data to a separate account, pursuant to Article II, section 3, above.

**b. Complete Disposal Upon Termination of Service Agreement.** Upon Termination of the Service Agreement Provider shall dispose or delete all Student Data obtained under the Service Agreement. Prior to disposition of the data, Provider shall notify LEA in writing of its option to transfer data to a separate account, pursuant to Article II, section 3, above. In no event shall Provider dispose of data pursuant to this provision unless and until Provider has received affirmative written confirmation from LEA that data will not be transferred to a separate account.

**6. Advertising Prohibition.** Provider is prohibited from using or selling Student Data to (a) market or advertise to students or families/guardians; (b) inform, influence, or enable marketing, advertising, or other commercial efforts by a Provider; (c) develop a profile of a student, family member/guardian or group, for any commercial purpose other than providing the Service to LEA; or (d) use the Student Data for the development of commercial products or services, other than as necessary to provide the Service to LEA. This section does not prohibit Provider from using Student Data for adaptive learning or customized student learning purposes.

If requested by LEA, Provider shall reimburse LEA for costs incurred to notify parents/families of a breach not originating from LEA's use of the Service.

**Educational Records:** Educational Records are official records, files and data directly related to a student and maintained by the school or local education agency, including but not limited to, records encompassing all the material kept in the student’s cumulative folder, such as general identifying data, records of attendance and of academic work completed, records of achievement, and results of evaluative tests, health data, disciplinary status, test protocols and individualized education programs. For purposes of this DPA, Educational Records are referred to as Student Data.

**NIST:** Draft National Institute of Standards and Technology (“NIST”) Special Publication Digital Authentication Guideline.

**Operator:** The term “Operator” means the operator of an Internet Website, online service, online application, or mobile application with actual knowledge that the site, service, or application is used primarily for K–12 school purposes and was designed and marketed for K–12 school purposes. For the purpose of the Service Agreement, the term “Operator” is replaced by the term “Provider.” This term shall encompass the term “Third Party,” as it is found in applicable state statutes.

**Personally Identifiable Information (PII):** The terms “Personally Identifiable Information” or “PII” shall include, but are not limited to, student data, metadata, and user or pupil-generated content obtained by reason of the use of Provider’s software, website, service, or app, including mobile apps, whether gathered by Provider or provided by LEA or its users, students, or students’ parents/guardians. PII includes Indirect Identifiers, which is any information that, either alone or in aggregate, would allow a reasonable person to be able to identify a student to a reasonable certainty. For purposes of this DPA, Personally Identifiable Information shall include the categories of information listed in the definition of Student Data.

**Provider:** For purposes of the Service Agreement, the term “Provider” means provider of digital educational software or services, including cloud-based services, for the digital storage, management, and retrieval of pupil records. **Pupil Records:** Means both of the following: (1) Any information that directly relates to a pupil that is maintained by LEA and (2) any information acquired directly from the pupil through the use of instructional software or applications assigned to the pupil by a teacher or other LEA employee. For the purposes of this Agreement, Pupil Records shall be the same as Educational Records, Student Personal Information and Covered Information, all of which are deemed Student Data for the purposes of this Agreement.

**Service Agreement:** Refers to the Contract or Purchase Order to which this DPA supplements and modifies.

**School Official:** For the purposes of this Agreement and pursuant to 34 CFR 99.31 (B), a School Official is a contractor that: (1) Performs an institutional service or function for which the agency or institution would otherwise use employees; (2) Is under the direct control of the agency or institution with respect to the use and maintenance of education records; and (3) Is subject to 34 CFR 99.33(a) governing the use and re-disclosure of personally identifiable information from student records.

between Vista Unified School District  
and Savvas Learning Company LLC

This Addendum (“Addendum”) is made effective as of the date last executed below by and between Vista Unified School District (“District”) and Savvas Learning Company LLC (“Provider”). When fully signed, this Addendum will amend the District’s California Student Data Privacy Agreement to which this Addendum is attached (“Agreement”).

The parties hereby agree to the following changes to the District’s Agreement:

1. Article II, Section 2, Parent Access, the following is inserted after the first sentence:

“LEA will have access to review and correct Student Data through standard functionality of Provider’s product, in response to a parent request.”

In addition, the second sentence is revised to read as follows:

“In the event that LEA requires assistance to review or correct Student Data, Provider shall respond in a timely manner to the LEA’s request for assistance.”

2. Article II, Section 3, Separate Account, is deleted and replaced in its entirety with the following:

**“3. Separate Account.** If pupil-generated content is stored or maintained by the Provider as part of the Services described in Exhibit “A”, Provider shall, at the request of the LEA, provide LEA with instructions as to how to use available functionality within the Services to copy pupil-generated content that is severable from the Service so that LEA or the student may store it in a separate account established by the LEA or the student. Nothing in this section shall require Provider to create or maintain separate accounts for student-generated content.”

3. In Article II, Section 4, Third Party Request, the following is added to the end of the section:

“, if not prohibited by law or court order.”

4. In Article IV, Section 4, No Disclosure, the second sentence is deleted and replaced with the following:

“Provider agrees not to attempt to re-identify de-identified Student Data and will be responsible for ensuring that any third party subprocessor to which any de-identified Student Data is transferred does not attempt to re-identify such de-identified Student Data.”

5. In Article IV, Section 5, Disposition of Data, the last four sentences are deleted and replaced with the following:

“Provider shall provide written confirmation to LEA when the Student Data has been disposed, if requested in writing. The duty to dispose of Student Data shall not extend to data that has been de-identified, pursuant to the other terms of the DPA. The LEA may employ a “Request for Return or Deletion of Student Data” form, a copy of which is attached hereto as Exhibit “D”. Upon receipt of a request from the LEA, the Provider will provide reasonable assistance to the LEA in using the available functionality of the Services to export Student Data or obtaining Student Data stored within the Services.”

6. Article IV, Section 5.b, Complete Disposal Upon Termination of Service Agreement, is deleted in its entirety and replaced with the following:

ADDENDUM to  
California Student Data Privacy Agreement  
between Vista Unified School District  
and Savvas Learning Company LLC

“b. Complete Disposal Upon Termination of Service Agreement. Upon Termination of the Service Agreement and instruction of the LEA, Provider shall dispose or delete all Student Data obtained under the Service Agreement.”

7. In Article V, Section 1.b, Destruction of Data, the words “or transfer said data to LEA or LEA’s designee,” are deleted.
8. In Article V. Section 1.h, Periodic Risk Assessment, the words “(no less than semi-annual)” are deleted.
9. The opening paragraph of Article V, Section 2, Data Breach, the words “and not exceeding forty-eight (48) hours” are deleted.
10. In Article V, Section 2.e, the word “copy” is deleted and replaced with the word “summary”.

12. Except as modified by this Addendum, all other terms of the Agreement will remain in full force and effect.
