- C. **Education Records:** If VENDOR will have access to "education records" as defined under the Family Educational Rights and Privacy Act (FERPA) (34 CFR Part 99), the VENDOR acknowledges that for the purpose of this Agreement it will be designated as a 'school official' with 'legitimate educational interests' and will use the data only for the purpose of fulfilling its duties under this Agreement. VENDOR agrees to indemnify and hold harmless the Board of Education of Howard County for any damages or costs, including reasonable attorney's fees, associated with any act or omission by VENDOR, its agents and employees concerning its FERPA obligations under this section.

- D. **Obligation of Confidentiality:** In performing services under this Agreement, VENDOR and CLIENT may be exposed to and will be required to use certain "Confidential Information", as defined below. VENDOR and CLIENT along with their employees, agents or representatives will not, use, directly or indirectly, such Confidential Information for purposes other than the purposes

- E. **Definition of Confidential Information:** “Confidential Information” means information, not generally known, and proprietary to the VENDOR or CLIENT or to a third party for whom the VENDOR or CLIENT is performing work, including, without limitation, information concerning any patents or trade secrets, confidential or secret designs, processes, formulae, source codes, plans, devices or material, research and development, proprietary software, analysis, techniques, materials or designs (whether or not patented or patentable), directly or indirectly useful in any aspect of the business of the VENDOR or CLIENT. Confidential Information received under this Agreement will be treated with the same degree of care and security as each party uses with respect to its own Confidential Information, but not less than a reasonable degree of care. The parties agree to use Confidential Information only for the purpose of performance of this Agreement and to make no copies except as necessary for performance of this Agreement. Any such confidential information and copies thereof made by a party, or any representative of a party, shall be completely and promptly destroyed at the conclusion of contract performance subject to paragraph F.2 below.
1. Each party acknowledges that unauthorized disclosure or use of the Confidential Information by a party may irreparably damage the other party in such a way that adequate compensation could not be obtained from damages in an action at law. Accordingly, the actual or threatened unauthorized disclosure or use of any Confidential Information shall give the owner the right to seek injunctive relief restraining such unauthorized disclosure or use, in addition to any other remedy otherwise available (including reasonable attorneys’ fees). Each party hereby waives the posting of a bond with respect to any action for injunctive relief.
 2. Upon termination or completion of the Services hereunder, upon request of CLIENT, VENDOR will deliver to CLIENT (in a VENDOR format) the CLIENT’s Confidential Information as housed in the VENDOR production database(s), provided that VENDOR may maintain archival copies for audit purposes and dispute resolution purposes and VENDOR may retain copies of Confidential Information on back-up media in which such Data is co-resident with other employment and income data. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, VENDOR agrees not to attempt to re-identify de-identified Data.

All other agreements or understandings, whether electronic, click-through, verbal or in writing, with District Employees or other End Users shall be null and void.
- J. **Data Sharing:** VENDOR will not share CLIENT data, including de-identified data, with or disclose it to any third party without prior specific and informed written consent of the CLIENT, except as required by law.
- K. **Data Storage:** CLIENT Data will not be stored outside of the United States without prior, specific and informed written consent from the CLIENT.

The Agreement will automatically terminate at the expiration date. However, the VENDOR's obligations shall survive termination of this Agreement until ALL CLIENT Data has been returned and/or securely removed or destroyed. All student produced work remains the property of that student. The VENDOR has a limited, nonexclusive license to the data

described herein solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give VENDOR any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement, including any right to sell or trade Data.

- N. **Access:** Except as otherwise expressly prohibited by law, the VENDOR will immediately notify the CLIENT of any subpoenas, warrants, or other legal orders, demands or requests, including Audits, and governmental requests and demands, received by the VENDOR seeking CLIENT Data. If the CLIENT receives a similar request, the VENDOR will promptly supply the CLIENT with copies of records or information required by the CLIENT to respond.
- O. **Security Controls and Risk Management:** VENDOR will store and process CLIENT Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to: 1) ensure the security and confidentiality of PII and Confidential Information; 2) protect against any anticipated threats or hazards to the security or integrity of Confidential Information; 3) protect against unauthorized access to or use of Confidential Information that could result in substantial harm or inconvenience to any customer or to any client employee and/or student; and 4) dispose of PII and Confidential Information in a secure manner.
1. To comply with the safeguard obligations generally described above, VENDOR has (a) designated an employee to coordinate its information security program, (b) identified reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of CLIENT Information that could result in the unauthorized disclosure, misuse, alteration, destruction, or other compromise of such information, and assessed the sufficiency of any safeguards in place to control these risks, and (c) designed and implemented information safeguards to control the risks identified through the risk assessment, and regularly tests or otherwise monitors the effectiveness of safeguards' key controls, systems and procedures.
 2. VENDOR will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. VENDOR will also have a written incident response plan, to include prompt notification of HCPSS in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. VENDOR agrees to share its incident response plan upon request.
- P. **Data Breaches:** VENDOR shall notify CLIENT in writing as soon as commercially practicable, however no later than forty-eight (48) hours, after VENDOR has either actual or constructive knowledge of a breach which affects CLIENT's Data (an "Incident") unless it is determined by law enforcement that such notification would impede or delay their investigation. VENDOR shall have actual or constructive knowledge of an Incident if VENDOR actually knows there has been an Incident or if VENDOR has reasonable basis in facts or circumstances, whether acts or omissions, for its belief that an Incident has occurred. The notification required by this section shall be made as soon as commercially practicable after the law enforcement agency determines that notification will not impede or compromise the investigation. VENDOR shall cooperate with law enforcement in accordance with applicable law provided however, that such

cooperation shall not result in or cause an undue delay to remediation of the Incident. VENDOR shall promptly take appropriate action to mitigate such risk or potential problem at VENDOR's expense. In the event of an Incident, VENDOR shall, at its sole cost and expense, fully restore the Confidential Information, including, without limitation any and all Data, and institute appropriate measures to prevent any recurrence of the problem as soon as is commercially practicable.

- Q. **Employee and Subcontractor Qualifications:** VENDOR shall ensure that its employees and all subcontractors who have potential access to CLIENT Data have undergone appropriate background screening and possess all needed qualifications to comply with the terms of this Agreement. Further, all employees and subcontractors are subject to the same FERPA compliance in relation to the 'school official' designation, and should receive training that the re-disclosure of PII and/or Confidential Information will violate federal and state laws and may result in criminal and/or civil penalties.
- R. **Sex Offender Requirement:** Maryland law requires certain sex offenders to register with the local law enforcement agency; See Maryland Annotated Code, Criminal Procedure Article, §11-704. One of the purposes of this law, is to inform school systems when a Registered Sex Offender is residing or working in the area. When the sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

As a contractor working for Howard County Public School System (HCPSS), we require that you do not employ Registered Sex Offenders to work on projects for our school system if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services **on HCPSS property**. Further, Maryland Law that became effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender; See §11-722 Criminal Procedure Article. An employer who violates this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000 fine.

Each contractor shall screen their work-forces to ensure that a Registered Sex Offender does not perform work at a county public school and also ensure that a subcontractor and independent contractor conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the contractor's direct employees and subcontractors and/or independent contractors it uses to perform the work. Violations of this provision may cause HCPSS to take action against the contractor up to and including termination of the contract.

Effective July 1, 2015, amendments to § 6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school property with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving a sexual offense, child sexual abuse and crimes of violence.

The Contractor shall submit to HCPSS a listing of any employees assigned to perform under this agreement and certify that the necessary criminal history records checks have been conducted and that each employee complies with the requirements.

- S. **Governing Law:** This agreement shall be governed by and construed in accordance with the laws of Maryland, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the appropriate Maryland Court. VENDOR will comply with Maryland Education Code ANN. § 4-131, "Operators of School Internet Web sites, Online Services, Online Applications, and Mobile Applications." VENDOR agrees to be bound as an "operator" under the law regardless of the VENDOR's exemptions that may exist in Maryland Education Code ANN. § 4-131(a)(3).
- T. **Compliance:** In addition to complying with FERPA and the Maryland Education Code cited above, the VENDOR shall ensure that its products/services comply with the Federal Protection of Pupil Rights Act (34 CFR Part 98), the Federal Children's Internet Protection Act (47 CFR 54.520), and the Federal Children's Online Privacy and Protection Act (16 CFR Part 312).
- U. **Monitoring:** The VENDOR agrees to allow the CLIENT the ability to audit the VENDOR's use of CLIENT data to ensure compliance with the terms of this agreement.
- V. **Indemnification:** VENDOR agrees to indemnify and hold harmless CLIENT, and its members, trustees, employees, agents, officers, and officials, from and against any and all liabilities, taxes, tax penalties, interest, losses, penalties, damages, and expenses of any kind, nature, or character, including costs and attorney fees, arising out of or relating to any and all claims, liens, damages, obligations, actions, suits, judgments, settlements, or causes of action of every kind, nature, or character, in connection with or arising out of the acts or omissions of either Party or its employees, subcontractors, or agents under this Agreement. This provision expressly applies to, but is not limited in application to, matters and circumstances involving or implicating the unauthorized use of any trade secrets, or United States patent or copyright infringement or any liability resulting from the unauthorized disclosure of PII or Confidential Information or a breach of the obligations contained in this Data Sharing Agreement, including those set forth in paragraph R above. The indemnities set forth herein will survive the expiration or termination of this Agreement.

CLIENT agrees to indemnify and hold harmless VENDOR, and its members, trustees, employees, agents, officers, and officials, from and against any and all liabilities, taxes, tax penalties, interest, losses, penalties, damages, and expenses of any kind, nature, or character, including costs and attorney fees, arising out of or relating to any and all claims, liens, damages, obligations, actions, suits, judgments, settlements, or causes of action of every kind, nature, or character, arising out of the intentional or malicious acts of CLIENT or its employees, subcontractors, or agents under this Agreement. This provision expressly applies to, but is not limited in application to, matters and circumstances involving or implicating the unauthorized use of any trade secrets, or United States patent or copyright infringement or any liability resulting from the unauthorized disclosure of PII or Confidential Information or a breach of the

obligations contained in this Data Sharing Agreement. The indemnities set forth herein will survive the expiration or termination of this Agreement.
