At any time You may contact Istation with any privacy questions or concerns that You may have using the Contact Information above.

What information is Collected?
Istation collects information about You in two ways: (i) when You voluntarily give or submit the information to Istation and (ii) when You access and/or use the Resources. All information that Istation collects about You is defined as "Collected Information." Examples of Collected Information include, but are not limited to:

- Personal information, such as school names and school district names, first and last names, and identification numbers issued by schools and school districts (including teacher numbers, administrator numbers, and student numbers);
- Contact information, such as email addresses, mailing addresses, and phone numbers;
- Responses, such as responses to interactive activities and assessments and other Resource-related responses;
- Security information, such as usernames, passwords, and password hints;
• Resource-use behavior, such as pages visited, downloads, or searches requested;
• Browser information, such as browser version, IP address, and presence of various plug-ins and tools; and
• "Demographic Data," such as gender, race, special-education status, socio-economic status, and English language learner status.

All Collected Information falls into one of two categories: (i) "Personally Identifiable Information" or (ii) "Unlimited-Use Information."

Personally Identifiable Information:
Personally Identifiable Information consists of the following information (and does not extend to any other Collected Information):

• School names and school district names;
• First and last names;
• Identification numbers issued by schools and school districts (including teacher numbers, administrator numbers, and student numbers);
• Email addresses and mailing addresses;
• Phone numbers;
• Resource use results but only to the extent such results identify one or more (i) students, (ii) teachers, (iii) classrooms within an identified school, (iii) grades within an identified school, (iv) schools within an identified school district, (v) schools, or (vi) school districts (collectively "Identifiable Use Results"). For example, Identifiable Use Results include the following:
  o Resource use result for all students in Teacher "X"’s class;
  o Resource use results for all third graders attending School "Y"; and
  o Resource use results for all grade schools within School District "Z."

Note, however, that Identifiable Use Results do not include the following, among other things:
  o Resource use results for geographic regions that do not identify a specific school or school district (such as Resource use results reported (i) on a county-wide basis, (ii) within a defined territory (whether officially or unofficially defined), like North Texas or the state of Texas, or (iii) within a metropolitan area, like Dallas-Fort Worth).

Unlimited-Use Information:
Unlimited-Use Information is all Collected Information other than Personally Identifiable Information. For clarity, all Resource use results that are not Identifiable Use Results are considered Unlimited-Use Information.

Most web browsers automatically accept cookies but allow you to modify security settings so you can approve or reject cookies on a case-by-case basis. At a minimum, your web browser must allow temporary cookies that are not stored on your hard disk to log into the Website. Please refer to the "Help" file of your Internet Browser either to learn how to receive a warning before a cookie is stored.

Third-Party Sites

These Third Party Sites are not controlled by Istation and, therefore, are not subject to this Privacy Statement. You should check the privacy policies of these individual Third Party Sites to see how your personally identifiable information will be utilized by the operators of those Third Party Sites before providing any personally identifiable information. Please be aware that these Third Party Sites may collect personally identifiable information about you that may also send "cookies." Istation is not responsible for the content
or practices of any linked Third Party Sites, and Istation provides these links solely for the convenience and information of Istation’s visitors.

Can Istation change this Privacy Statement?
Istation may change this Privacy Statement at any time without notice. However, if the Privacy Statement changes, Istation will post an updated version on the Website. The revision date will be posted at the bottom of the page.
