- **Service** refers to the Website and any associated Company-provided software.
- **Subscriptions** refer to the services or access to the Service offered on a subscription basis by the Company to Customer.
- **Subscription Period** is the time period Customer has licensed access to Service.
- **User** means an individual authorized by Customer to access Service on Customer's behalf.
- **Website** refers to K12 Panel, accessible from <https://my.k12panel.com>

II. Subscription License

License Intent. For the duration of the Subscription Period, Company grants Customer license to the Service for the sole and exclusive purpose to use Service functions on Customer-owned and directly-controlled property.

Single Entity License. Customer is not permitted to use Service functions on any third party entity's property (Chromebooks, Computers or other assets, either physical or digital). Customer is not permitted to use Service functions on property that is not directly controlled by the Customer (such as Customer-owned property that has been leased, loaned, or in any other way transferred control to a third-party entity.)

III. Warranties and Limitations of Liability

General. Each Party represents and warrants that it has the right and authority to enter into this Agreement, and that by entering into this Agreement, it will not violate, conflict with or cause a material default under any other contract, agreement, or encumbrance to which it is a party.

Limitations of Liability. Under no circumstances will Company or anyone else involved in administering, distributing or providing the services, be liable for any indirect, incidental, special or consequential damages that result from the use of or inability to use the services, including but not limited to lost productivity, or damages that result from mistakes, omissions, interruptions, deletion of files or email, errors, defects, viruses, delays in operation or transmission, failure of performance, theft, destruction or unauthorized access to Company or Customer records, programs or services, even if such party has been advised of the possibility of such damages. In the event of any breach by Company of this agreement, Company's liability

to Customer will not exceed the amount paid to Company by Customer during the current annual Subscription Period.

Customer hereby agrees to indemnify and hold harmless Company against any damages, losses, liabilities, settlements and expenses (including, without limitation, costs and attorneys' fees) in connection with any claim or action that arises from an alleged violation of any of the foregoing or otherwise from Customer's use of the Services. Although Company has no obligation to monitor Customer's use of the Services, Company may do so, and Customer hereby authorizes Company to do so. Company may prohibit any use of the Services it believes may be (or is alleged to be) in violation of any term herein.

Disclaimer. With respect to the Service, and with exception to the warranties outlined in this section, Company makes no warranties of any kind. No oral or written information given by Company, its employees, or the like will create a warranty.

IV. Customer Responsibility

Customer will only use Service for the purposes outlined in Subscription License.

Customer will not resell Service.

Customer shall use the Services only for lawful purposes. Customer will not use Service to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or store or transmit material in violation of third-party privacy rights.

To the extent deemed necessary by Customer, Customer shall implement security procedures necessary to limit access to the Services to Customer's authorized users and shall maintain a procedure external to the Services for reconstruction of lost or altered files, data or programs.

Customer owns and accepts all responsibility for any data, information or material that Customer and its users process or submit to the Service, including any personally identifiable information.

V. Confidential Intellectual Property

All right, title and interest in and to the Service, and all copyrights, patents, trademarks, service marks, trade secrets, contracts, policies, technical artifacts, or other intellectual property or proprietary rights relating thereto, belong exclusively to Company.

Customer will not directly or indirectly reverse engineer, decompile, or otherwise attempt to discover the source code, object code, or underlying structure, ideas, know-how or algorithms relevant to the Services or any K12 Panel materials. Customer will not modify, translate, or create derivative works based on the Service.

Company Service and associated intellectual property are confidential. Customer will not communicate or discuss Company intellectual property with third parties.
