NYCRR - 121.3 (b)(1):	What is the exclusive purposes for which the student data or teacher or principal data will be used, as defined in the contract?	For the authorized school or educational purpose, namely, providing students with access to digital content (ebooks and audiobooks).
NYCRR - 121.3 (b)(2):	Will the organization use subcontractors? If so, how will the organization ensure that the subcontractors, or other authorized persons or entities to whom the third-party contractor will disclose the student data or teacher or principal data, if any, will abide by all applicable data protection and security requirements, including but not limited to those outlined in applicable State and Federal laws and regulations (e.g., FERPA; Education Law section 2-d, NIST Cybersecurity Framework)?	OverDrive does not utilize subcontractors.
NYCRR - 121.3 (b)(3):	What is the duration of the contract including the contract's expected commencement and expiration date? If no contract applies, describe how to terminate the service. Describe what will happen to the student data or teacher or principal data upon expiration. (e.g., whether, when and in what format it will be returned to the educational agency, and/or whether, when and how the data will be securely destroyed and how all copies of the data that may have been provided to 3rd parties will be securely destroyed)	Upon expiration of the contract, if requested by the education agency, data will be returned in a mutually agreed upon format via a mutually agreed upon delivery mechanism. Otherwise, data will be deleted. Deletion of data is accomplished by confidential destruction, including verified erasure using approved methods of electronic file destruction.

NYCRR - 121.3 (b)(4):	How can a parent, student, eligible student, teacher or principal challenge the accuracy of the student data or teacher or principal data that is collected?	By emailing privacy@overdrive.com.
NYCRR - 121.3 (b)(5):	Describe where the student data or teacher or principal data will be stored, described in such a manner as to protect data security, and the security protections taken to ensure such data will be protected and data security and privacy risks mitigated.	Data will be stored in OverDrive's cloud hybrid model, which utilizes Azure, AWS, and OverDrive's on-premises and colo sites. Azure and AWS are SOC2 compliant. OverDrive utilizes physical, technical, and administrative security controls to protect data.
NYCRR - 121.3 (b)(6):	Please describe how and where encryption is leveraged to protect sensitive data at rest and while in motion. Please confirm that all encryption algorithms are FIPS 140-2 compliant.	Data in transit is encrypted using TLS. Data at rest is encrypted using industry standard algorithms that are FIPS 140-2 compliant.
NYCRR - 121.6 (a):	Please submit the organization's data security and privacy plan that is accepted by the educational agency.	OverDrive Data Privacy and Security Plan.pdf
NYCRR - 121.6 (a)(1):	Describe how the organization will implement all State, Federal, and local data security and privacy contract requirements over the life of the contract, consistent with the educational agency's data security and privacy policy.	OverDrive will implement State and Federal data security and privacy contract requirements for the duration of its contract that is consistent with the educational agency's data security and privacy policy by ensuring safeguards associated with industry standards and best practices, including but not limited to, encryption, firewalls, and password protection, are always in place when applicable data is stored or transferred.
NYCRR - 121.6 (a)(2):	Specify the administrative, operational and technical safeguards and practices it has in place to protect personally identifiable information that it will receive under the engagement. If you use 3rd party assessments, please indicate what type of assessments are performed.	Physical access controls include ID badges, cameras, and access reviews. Technical controls include password protection, network segmentation, and multifactor authentication.
NYCRR - 121.6 (a)(4):	Specify how officers or employees of the organization and its assignees who have access to student data, or teacher or principal data receive or will receive training of the Federal and State laws governing confidentiality of such data prior to receiving access.	OverDrive employees with access to student, teacher, and/or principal data receive training on relevant confidentiality laws before being permitted to access to such data. All staff must complete annual training on privacy and confidentiality laws. Completion logs are kept. OverDrive policy dictates that there is disciplinary action for non-compliance.
NYCRR - 121.6 (a)(5):	Specify if the organization will utilize sub-contractors and how it will manage those relationships and contracts to ensure personally identifiable information is protected.	OverDrive will not utilize subcontractors.
