<p>NYCRR - 121.3 (b)(1):</p>	<p>What is the exclusive purposes for which the student data or teacher or principal data will be used, as defined in the contract?</p>	<p>Access to and use of deltamath.com, and online mathematics teaching and learning platform.</p>
<p>NYCRR - 121.3 (b)(2):</p>	<p>Will the organization use subcontractors? If so, how will the organization ensure that the subcontractors, or other authorized persons or entities to whom the third-party contractor will disclose the student data or teacher or principal data, if any, will abide by all applicable data protection and security requirements, including but not limited to those outlined in applicable State and Federal laws and regulations (e.g., FERPA; Education Law section 2-d, NIST Cybersecurity Framework)?</p>	<p>We do not use subcontractors.</p>
<p>NYCRR - 121.3 (b)(3):</p>	<p>What is the duration of the contract including the contract's expected commencement and expiration date? If no contract applies, describe how to terminate the service. Describe what will happen to the student data or teacher or principal data upon expiration. (e.g., whether, when and in what format it will be returned to the educational agency, and/or whether, when and how the data will be securely destroyed and how all copies of the data that may have been provided to 3rd parties will be securely destroyed)</p>	<p>The duration is 7/1/23 through 6/30/24. However BOCES may seek to terminate prior to that date. Data would be deleted upon written request.</p>

NYCRR - 121.3 (b)(4):	How can a parent, student, eligible student, teacher or principal challenge the accuracy of the student data or teacher or principal data that is collected?	By reaching out to their child's teacher or an administrator at their child's school (and/or district and/or BOCES) who can then reach out to DeltaMath at support@deltamath.com.
NYCRR - 121.3 (b)(5):	Describe where the student data or teacher or principal data will be stored, described in such a manner as to protect data security, and the security protections taken to ensure such data will be protected and data security and privacy risks mitigated.	On AWS servers in Ohio, USA. AWS provides physical safeguards. Data is encrypted both in transit and at rest and is only accessible to DM employees who have undergone criminal background checks and training in relevant privacy laws.
NYCRR - 121.3 (b)(6):	Please describe how and where encryption is leveraged to protect sensitive data at rest and while in motion. Please confirm that all encryption algorithms are FIPS 140-2 compliant.	At rest: AES-256. In motion: TLS/SSL.
NYCRR - 121.6 (a):	Please submit the organization's data security and privacy plan that is accepted by the educational agency.	DeltaMath Education Law 2-d Privacy and Security Plan.pdf
NYCRR - 121.6 (a)(1):	Describe how the organization will implement all State, Federal, and local data security and privacy contract requirements over the life of the contract, consistent with the educational agency's data security and privacy policy.	We comply with all federal, state, and local privacy laws, specifically FERPA and NYS Ed-Law 2D. We adhere to the NIST CF.
NYCRR - 121.6 (a)(2):	Specify the administrative, operational and technical safeguards and practices it has in place to protect personally identifiable information that it will receive under the engagement. If you use 3rd party assessments, please indicate what type of assessments are performed.	Data is encrypted both in transit and at rest and is only accessible to DM employees who have undergone criminal background checks and training in relevant privacy laws. We leverage CloudFlare and GuardDuty to protect our service from attack and have detailed audit logs on the server end.
NYCRR - 121.6 (a)(4):	Specify how officers or employees of the organization and its assignees who have access to student data, or teacher or principal data receive or will receive training of the Federal and State laws governing confidentiality of such data prior to receiving access.	Such training is given upon hire and annually thereafter.
NYCRR - 121.6 (a)(5):	Specify if the organization will utilize sub-contractors and how it will manage those relationships and contracts to ensure personally identifiable information is protected.	We do not use subcontractors.
NYCRR - 121.6 (a)(6):	Specify how the organization will manage data security and privacy incidents that implicate personally identifiable information including specifying any plans to identify breaches and unauthorized disclosures, and to promptly notify the educational agency.	In the instance of a breach, we would identify, mitigate, and repair, reaching out to all affected stakeholders within a week's time.
NYCRR - 121.6 (a)(7):	Describe whether, how and when data will be returned to the educational agency, transitioned to a successor contractor, at the educational agency's option and direction, deleted or destroyed by the third-party contractor when the contract is terminated or expires. Vendor will be required to complete a Data Destruction Affidavit upon termination of the engagement.	Data is autodeleted on a 2-year schedule of time out of use and/or can be deleted upon written request.
NYCRR - 121.9 (a)(1):	Is your organization compliant with the NIST Cyber Security Framework ?	Yes
NYCRR - 121.9 (a)(2):	Describe how the organization will comply with the data security and privacy policy of the educational agency with whom it contracts; Education Law section 2-d; and this Part.	As stated above, we are fully compliant. Data is housed in the USA, protected physically, encrypted, and only accessible to trained employees with a legitimate educational need.
NYCRR - 121.9 (a)(3):	Describe how the organization will limit internal access to personally identifiable information to only those employees or sub-contractors that need authorized access to provide services.	We maintain segregation of admins/roles/responsibilities within our internal environments. Data is only accessible by set employees from predetermined IP addresses.

NYCRR - 121.9 (a)(4):	Describe how the organization will control access to the protected data and not use the personally identifiable information for any purpose not explicitly authorized in its contract. (e.g. Role Based Access, Continuous System Log Monitoring/Auditing)	Again, we have Role Based Access and leverage AWS systems for monitoring and auditing.
NYCRR - 121.9 (a)(5):	Describe how the organization will not disclose any personally identifiable information to any other party without the prior written consent of the parent or eligible student: (i)except for authorized representatives of the third-party contractor such as a subcontractor or assignee to the extent they are carrying out the contract and in compliance with State and Federal law, regulations and its contract with the educational agency; or (ii)unless required by statute or court order and the third-party contractor provides a notice of disclosure to the department, district board of education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of disclosure is expressly prohibited by the statute or court order.	<p>We will not disclose any personally identifiable information to any other party without the prior written consent of the parent or eligible student (i)except for authorized representatives of the third-party contractor such as a subcontractor or assignee to the extent they are carrying out the contract and in compliance with State and Federal law, regulations and its contract with the educational agency; or (ii)unless required by statute or court order and the third-party contractor provides a notice of disclosure to the department, district board of education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of disclosure is expressly prohibited by the statute or court order.</p> <p>In short, we would only ever provide such info to a publicly listed school, district, or BOCES representative.</p>
NYCRR - 121.9 (a)(6):	Describe how the organization will maintain reasonable administrative, technical and physical safeguards to protect the security, confidentiality and integrity of personally identifiable information in its custody.	As above, we leverage AWS protections, our passwords are all salted and hashed, and data is only accessible by specific employees under stringent conditions.
NYCRR - 121.9 (a)(7):	Describe how the organization will use encryption to protect personally identifiable information in its custody while in motion or at rest.	All data is encrypted both in transit (TLS/SSL) and at rest (AES-256).
NYCRR - 121.9 (a)(8):	Affirmatively state that the organization shall not sell personally identifiable information nor use or disclose it for any marketing or commercial purpose or permit another party to do so.	Affirm
NYCRR - 121.9 (a)(b):	Describe how the organization will supervise its subcontractors to ensure that as subcontractors perform its contractual obligations, the subcontractor will conform with obligations imposed on the third-party contractor by State and Federal law to keep protected data secure.	We do not make use of subcontractors.
NYCRR - 121.10 (a):	Describe how the organization shall promptly notify each educational agency with which it has a contract of any breach or unauthorized release of personally identifiable information in the most expedient way possible and without unreasonable delay but no more than seven calendar days after the discovery of such breach.	As above, we shall notify the given educational agency within seven calendar days of any such breach.
NYCRR - 121.10 (f):	Affirmatively state that where a breach or unauthorized release is attributed to the organization, the organization shall pay for or promptly reimburse the educational agency for the full cost of such notification.	Affirm
NYCRR - 121.10 (f.2):	Please identify the name of your insurance carrier and the amount of your policy coverage.	cfc - \$3m in aggregate and \$3m per instance.
NYCRR - 121.10 (c):	Affirmatively state that the organization will cooperate with educational agencies and law enforcement to protect the integrity of investigations into the breach or unauthorized release of personally identifiable information.	Affirm
